

Local Happenings

Mrs. George French and daughters Helen and Dorothy were guests during the past week at the home of Mrs. French's brother, Sam Hughes, in this city. They were on a visit to the coast by car from their home at Riverton, Wyoming, and have been spending about a month in the Northwest, also having a visit at Oakland, Calif., where Mrs. French has a sister living. Accompanied by Mrs. Florence Paul, Mrs. French and daughters also made a trip during the past week to Portland and Olympia, Wash. Mrs. French and daughters departed on Tuesday for their home at Riverton.

Al Troedson, Morgan wheatraiser, was attending to business here Tuesday. He thinks the people out here are now ready for a big soaking rain—one that will thoroughly wet the ground. In fact, Al is beginning to hope for a return of some of those good seasons in years ago, when the farmer got a little return for his time and labor. These lean years have pretty badly cramped a lot of wheat farmers in this part of the country.

C. N. Jones and family returned from Portland the end of the week. They spent several days in the metropolis and environs, and made a visit to the Pythian home at Vancouver, Wash., to see Rev. C. F. Trimble and wife, who are in charge there, and report them doing well. While in Portland, Paul, eldest son of Mr. and Mrs. Jones, underwent an operation on his "game" foot and is getting over the effects well.

Raymond Ferguson and wife, Jasper Crawford and Miss Mary Crawford returned from a visit to Wallowa county on Friday. They enjoyed seven days of climbing some of the most interesting mountain peaks in that section, and report a fine trip. Miss Margaret Crawford, who accompanied them from Heppner, remained at Joseph where she expects to be for several months.

H. B. Turney and wife of Toronto, Canada, are visiting with Mr. and Mrs. Jack Hynd of Cecil. Mrs. Turney and Mrs. Hynd are sisters. Mr. and Mrs. Turney are on an extended visit to the Northwest, having visited relatives at Prince Rupert, B. C., and other points over the border. They expect to remain here until about the middle of October.

Mr. and Mrs. K. K. Mahoney returned Sunday evening from their two weeks of vacation. They traveled quite extensively while on the trip, going as far as Salt Lake, covering southern Idaho cities and making about 2000 miles. They returned home by the same route not going to Yellowstone park because of rains.

Mrs. Ruth Dunn and Henry L. Rasmussen were united in marriage at the study of the Christian church on Thursday, August 26th, Milton W. Power, pastor, performing the ceremony. Mr. Rasmussen is proprietor of the Willow creek sawmill, and Mrs. Rasmussen is a recent arrival here from Indiana.

Charley Erwin is adding more good Jersey cows to his milk herd. He was in Hermiston the past week where he picked up a bunch of four, and this will give him 10 head he is now milking. The Boyer ranch on Hinton creek where Mr. Erwin is now living, is an ideal place for dairy stock.

Mr. and Mrs. Chas. Vaughn, accompanied by Mr. and Mrs. Frank Gilliam, departed Saturday morning for Port Angeles, Wash., for a visit at the home of Mr. and Mrs. C. C. Gilliam. They will be gone about two weeks, and will also visit other points of interest in the Sound country.

Walter Matteson, who was in the city on Saturday, reports all fires in the forest in the Parkers Mill area as being out or under control. There were four man-caused fires in his territory this summer and none were caused by lightning, as there had been no storms.

Mrs. W. P. Mahoney accompanied Mr. and Mrs. Irving A. Mather on a trip to Portland for the week end. Returning home on Sunday they were accompanied by Miss Elizabeth Mahoney, sister of W. P. Mahoney, who will make an extended visit with the family here.

George T. Pearce arrived in Madras yesterday from Salem, and returned with his wife and daughter this morning. Mr. Pearce has accepted a position in Salem with an advertising firm and expects to make his home in the future in that city.—Madras Pioneer.

Deputy Clerk Herman Hill returned to his work at the court house on Monday, having returned home Sunday from his vacation, which he spent on a trip to San Francisco. He was accompanied on the journey south by his uncle, Carrol Morrison, of Portland.

R. C. Phelps of Kennewick, Wash., spent the week end at Heppner visiting at the home of Mr. and Mrs. W. P. Hill of Willow creek. Mr. Phelps is a brother of Mrs. Hill and was accompanied by his wife. They returned home on Sunday.

Gerald Smith and wife arrived here the end of the week from Medical Lake, Wn. Mr. Smith is principal of the grades in the Heppner schools. He will teach the eighth grade. They will live in the residence of Mrs. J. H. Gemmill.

Mrs. C. D. Lockard of The Dalles was a guest at the home of her sister, Mrs. Hanson Hughes, in this city during the past week. She departed for home on Saturday, being accompanied as far as Arlington by Mrs. Hughes.

Mr. and Mrs. Noah Clark, Eight Mile residents, were in Heppner for a short time Saturday. Mr. Clark stated that he had finished with his threshing and got through in good shape.

Harold R. Johnson, high school principal, arrived at Heppner on Tuesday to be in readiness for the opening of school next Monday.

SENSIBLE

Ninety per cent of all the cars Dodge Brothers built in the last 11 years are still in service. That is because they are built to last! And that is why there is no more sensible investment in the world than a Dodge Brothers Used Car.

GUARD YOUR VALUABLE ARTICLES HERE
you can have SURE protection.

"Safety First" has long been a slogan that we all follow in most things. But in one respect many of us are often too careless. We do not take sufficient care of our valuables.

Day by day we read of robberies of thousands of dollars in paper and jewelry. There is only one way to combat this evil. And that is by the Safe Deposit Box in the vaults of a strong bank.

If you keep your valuables in your own home even in a supposedly secure wall safe, you are liable to heavy losses. We cannot recommend too strongly that you investigate our Safe Deposit Vaults. You will find them positively safe from burglar, fire and water. This service is exceptionally convenient and the cost is remarkably low.

Now is the time to act—before you suffer a loss. Let us show you the way to "Safety First" for your valuables. It is a practical plan that many men and women have adopted. You will find that it fits in naturally with your ideas of safety and protection.
