Some Heppner folks are quite interested over news from Miami, Florida, among these being Mrs. Elbert Cox, who has a brother there. Her brother, Guy Hawks, has been in the Florida city since last year some time and was through one or two of the numerous storms visiting that section, and Mrs. Cox is very anxious concerning his safety, as he was at work on the coast and in the path of the tornado that struck there Friday night and Saturday, resulting in terrible loss of life and destruction of property. Miss Florence Ralston, a Heppner girl, also resides at Miami, where she has worked for more than a year. Friends and relatives here will anxiously await word concerning her.

G. Gaunt of Condon. The young man is getting along all right at present. Mrs. Lowe is spending a few days at the home of her daughter, Mrs. Henry Krebs on Willow creek. ## CARD OF THANKS.

We are grateful, indeed, to all those who so kindly ministered to our son Robert, during his illness at the Morrow General hospital in Heppner; he was remembered in so many ways by friends who brought him flowers and fruit and other offerings; also the professional ministrations of Dr. Gaunt of Condon, Dr. Johnston of Heppner and Nurses Westfall and Gilliam, all tended to make the boy feel that though he was absent from his parents, he was still in the hands of very kind friends.
