**Forecasts of Wheat Production.**  
Estimates and forecasts of wheat production, outside of Russia and China, indicate that the world's supply will be close to that of last year, while the demand is stronger because of low stocks of old wheat and other grains and a short wheat crop in the Orient. Estimates of production in twenty-one countries of the Northern Hemisphere indicate a production of 2,351,000,000 bushels as compared with 2,230,000,000 bushels last year. These countries last year produced 78 per cent of the total production of the northern hemisphere and 70 per cent of world production, exclusive of Russia and China.

**STAR THEATER**  
THURSDAY and FRIDAY, September 30, October 1:  
GLENN HUNTER in  
**"THE PINCH HITTER"**  
More laughs than a Circus. More thrills than a World's Series Game. He was sure he could make "Babe" Ruth and Ty Cobb look like Pikers. In his own opinion he was a super man. To his college chums he was just a plain goofer. He made the college baseball team—as it's champion bat boy and water carrier. But every boob has his day, and Glenn got his. Only one day, but, oh boy, how he took advantage of it. You'll just want to swat him for being such a sap, but you will love him and laugh at him. Also 7th and 8th episodes of **"THE GREAT CIRCUS MYSTERY."**

SATURDAY, OCTOBER 2:  
SEENA OWEN and JOSEPH SCHILDKRAUT in  
**"SHIPWRECKED"**  
A Dramatic Sea Story, tense and thrilling, filmed in araging hurricanes off the coast of California—the supreme achievement of marine photoplay production. An epic of the sea, superbly presented and enacted by a brilliant cast of players. Also **"THE GUNLESS BAD MAN,"** two reel comedy-western, and **INTERNATIONAL NEWS.**

SUNDAY and MONDAY, OCTOBER 3 and 4:  
ZANE GREY'S **"THE VANISHING AMERICAN"**  
With Richard Dix, Lois Wilson, Noah Beery and Malcolm McGregor  
The screen's mighty tribute to the American Indian, first lord of the American Continent—showing the parade of civilization from the first man and his mate, to the modern Indian.—his final stand in the barren wastes of the far west—his retreat into the desert fastness marked by a trail of blood—  
All against the gorgeous background of the chasms and gorges of Northern Arizona.  
Even Zane Grey's mastery of language could do scant justice to these awe-inspiring scenes. With a cast of 10,000 Indians and 100 principals, **THE VANISHING AMERICAN** is the final epic of the fast-disappearing Red Man. Also **"FLIVVER VACATION,"** two reel comedy.  
Children 25c, Adults 50c.

TUESDAY and WEDNESDAY, October 5 and 6:  
MADGE BELLAMY and LESLIE FENTON in  
**"THUNDER MOUNTAIN"**  
Romance with th eback on. A fighting drama of a fighting people.  
A Superb Cast:  
MADGE BELLAMY as the **Circus Beauty** who fought the uphill road of temptation as a wandering circus performer, and found love amid the hills of hate.  
LESLIE FENTON as **The Hero of the Hills** who fought to turn a saturnalia of sin into a peaceful settlement of mountaineers—proving that to live among the Hill Billies one must be a square shooter, or a straight one.  
ALEC B. FRANCIS as **The Courageous Parson**—the Circuit Rider who fought for tolerance in a hot-bed of hatred and who taught love and tolerance to people who dealt justice by the trigger finger.  
PAUL PANZER, **The Ringmaster**, whose fighting and cruelty won the hate of men and broke the hearts of women.  
EMILY FITZROY as **The Amazon**—A woman with ice water in her veins, but with the fear of God in her heart.  
ZASU PITTS as **Mandy**, who fought for a bit of sunshine in a mountain of black despair—and who discovered romance beneath the gloom.
