

# CHRISTMAS Greetings

Christmas is always new. The spirit of it is irresistible. It creeps in and reduces Life to that point where all the false has been shorn and man God, needing no other protection than His goodness and mercy. Only as brothers and sisters. There are no man-made lines. It is the great leader. Christmas—"peace on Earth, good will to man" it is, from neighbor to neighbor, whole-hearted, sincere and subscribed to the fellowship of you and the patronage of yours which we wish and hope for your peace, happiness and prosperity as expressed in these lines) personally they are addressed. The true spirit of Christmas is the "good will of your fellowmen."
