Hardman Game.

Last Friday night a good sized crowd witnessed the first basketball game of the season, when the Heppner High school team met the East Hardman team on the local floor. The Heppner boys won 10-6.

Proof that the teams were evenly matched can be shown by the scores during the game. At the end of the first quarter the score stood 2 to 2, the half ended 3 to 2 in favor of Heppner. During the third quarter the score remained very close, ending 4 to 4. It was in the last quarter that the game became most thrilling. Heppner started an offense that brought the ball in for close shots. It was then that Heppner garnered three field baskets in short order. Hardman in a final dashing spurt tried to overcome the lead, but succeeded in securing but one goal.

Although Hardman had but very little practice preceding the game, they made Heppner tighten up in the last quarter and play real basketball. In their final rush in the last few minutes of play four field goals were made ending the game with the score 10 to 8 in favor of Heppner.

The line-up:
 Hardman Heppner
 Dale Bleakman R.F. Paul Hieser
 Percy Bleakman L.F. Wm. Bucknow
 Vinton Howell C. Harold Erwin
 H. Adams R.G. Gene Doherty
 K. Batty L.G. Steph. Thompson

Subs: John Farley and Onez Parker for Heppner; F. Adams for Batty. Hieser was high point man for Heppner, making four field goals and two free throws, while F. Bleakman scored the most points for Hardman in field goals, V. Howell ringing the other field goal.

Francis Doherty acted as referee. The grade school boys played a preliminary game, the score standing 10 to 8 in favor of the first team.

Candy Sale.

The sophomore class reimbursed their treasury last Friday with a candy sale. The evening before the sale the sophs met at McAtee's and concocted delicious Sea Foam, Fudge and Pinoche. The receipts amounted to \$4.75.

"The Garden of the Shah."

Practice for the operetta, "The Garden of the Shah" which will be given by the Glee Clubs under the tutelage of Miss Wright, will begin soon. As this is to be a three act play, there will be light interludes between acts. No roles have yet been assigned and "try outs" will continue during the next week.

Mr. Burgess was chosen head of the athletic tournament to be held in this section of the state. Acting with him are Superintendents Inlow of Pendleton and Goodwin of Freewater and Milton. It is contemplated that several changes will be made in the arrangement of the tournament this year.

An assembly was held Thursday at 1:45 for fifteen minutes of singing. Most of the time was spent in learning two part rounds. Mr. Johnson introduced to the assembly a new stunt, in which the students were divided into three sections, the first with the word "Fish," the second with "Hawak," the third with "Hosh." When the signal was given each group said loudly in unison the word given them. The result was the word "Kachoo." The assemblies after this will be held on Wednesday from 1:45 to 2:00.

Junior Rings.

After three months of waiting and trouble the juniors have finally received their rings which are proving

quite satisfactory to most of the class. The rings are a sort of coat of arms design on which is imprinted a large H and underneath, 1928.

The Arions, who made miniature pennants out of the high school colors, purple and gold, with a small H in the center of them, held a sale Friday for the purpose of giving each student a chance to buy one. The students have been wearing these bits of gay color to all activities—in fact at all times, and it is a very good way to show one's school spirit.

Last Tuesday the junior class elected their class officers for the second semester. The officers are as follows: President, Harold Erwin; vice-president, Letha Hiatt; secretary, Eva Hiatt; treasurer, Stephen Thompson, sergeant-at-arms, Onez Parker.

The examinations in the grades will come on Thursday and Friday of this week. The state examinations for the A class of the eighth grade will come Thursday and Friday, January 21 and 22. All the grades from the fourth to the eighth take examinations.

Jokes.

Miss Fishel: "I've heard quite a bit about dual personalities and there certainly are a lot in the room; here's thirty votes from a class of twenty."
 Gene Doherty finds that his height earns him two titles, "Longfellow" and "Hy-Gene."
 Mr. Johnson: "What are the uses of hydrochloric acid?"
 Gerald Slocum: "Well, it has killed some chemists."

Rabbit Hunt.

Last Saturday Miss Thorpe, Miss Murray and Miss Wright, in Miss Thorpe's car, journeyed to Juniper canyon to hunt the elusive rabbits hidden there. They saw seven rabbits but the hunt was not very successful although one teacher has a new fur on her coat. When they returned to Mrs. Campbell's that night their prey had preceded them for there was a dead rabbit on the lawn.

Sheriff McDuffee visited the American History class last Thursday and talked on the subject of prohibition, its effects, why enforced, etc. The Civics class was invited to attend. The reason for Mr. McDuffee's visit was because of a statement made to him by one of the men in town. He gave ideas on how the prohibition law should be enforced, and the effects that drinking have on the young men as well as the older ones. Several students asked questions which were answered by him.

Ione Game.

Next Friday night, Jan. 14, the Heppner boys will again play on the local floor when they meet the Ione High school team. A good game is bound to result. Ione defeated Lexington last Friday 10 to 5 so Heppner will have plenty of opposition. On the same night the Heppner girls will meet the Ione girls here in their first appearance of the year. They will, however, present a good brand of basketball and will, no doubt, give a good account of themselves. The games will start at 7:30 and it is hoped that even a larger crowd will be out than there was last Friday.

The debating league of this section of Oregon is composed of Ione, Heppner, Hermiston, Pendleton and McLaughlin. Mr. Burgess has been chosen chairman of the league.

The question for debate is "Resolved, that the cabinet system of state government should be adopted in Oregon." The semi-finals will be held some time in February and there is a probability that Heppner and Ione will meet in the semi-finals, providing the time can be chosen.

Everyone is wearing a tiny yarn doll made from the high school colors, purple and gold. Tom Thumb, Galilwag, and Prehistoric Man are the various titles affixed to these small adornments. The Heppnerian Liter-

ary society is sponsoring the sale of these "animals" and Harold Erwin is the official salesman. The receipts have amounted to \$4.50 and are steadily increasing.

The monthly P. T. A. meeting was held in the high school auditorium Tuesday at three o'clock. The entertainment this month was furnished by the third grade in the form of a clever little play. Miss Case, the 3rd grade teacher, directed the play and Miss Wright conducted the musical part of the program. Mary Beamer and Virginia Dix delivered a pleasing duet on the piano. The program was concluded with two delightful vocal solos by Miss Wright.

Following the entertainment a delicious lunch, consisting of fruit salad, dainty sandwiches, fruit gelatin, and coffee, was served by the losing side of the membership campaign.

HARDMAN.

A large crowd attended church on Sunday, Jan. 9th. Rev. Bowers conducted the services.

The sewing club, supervised by Mrs. Geo. Burnside, held a party at the home of Mrs. Maht Friday evening. The little people had an enjoyable time, playing games and pulling taffy.

Mrs. Belle Courter was a visitor at Hardman high school January 4th, where she talked before the student body, telling of the blind schools. The Odd Fellows and Rebekahs held installation last Saturday night. After the Rebekahs had served a delicious supper, everyone adjourned to the dance hall where all enjoyed themselves dancing.

A dance will be given in the I. O. O. F. hall Saturday, January 15th. Mrs. Maude Howell, who has been a visitor in Hardman for the last two weeks, left Monday for Tom O'Brien's ranch where she will continue to work.

Miss Grace Miller was a visitor at the high school January 5th. Mrs. Tom Howell is visiting with Mrs. Emmet Ayers.

G. A. Farrens returned home from Lexington Saturday. Mrs. Farrens' father has been very ill. He is now under the care of Frank Farnsworth.

Fan Miller returned home from Portland last Saturday.

Ocel Inskip was a visitor at the high school last Friday.

Mrs. Maude Howell of Hardman has purchased a house and lot from Kinnard McDaniel. Miss Josephine Forrest returned from Portland this week. She has been spending a vacation there with her sister.

Mr. and Mrs. Blaine Chapel were visitors at Hardman over the week end.

The semester examinations are being given Wednesday, Thursday and Friday.

Elmer McCabe was a visitor at Hardman Sunday.

William Greener was a visitor here Saturday.

Dan Barlow and his son Alvin were in Hardman Saturday.

Glen Farrens spent last week end in Hardman.

Roger Howell was a visitor in Hardman this last week.

A large crowd attended the community sing held in the church Sunday evening.

The Hardman town basketball team played the Heppner High school quintet Friday. The score stood 10 to 6 in favor of Heppner.

IRRIGON.

Finley Graybeal and family of Pendleton spent Sunday here with the home folks.

A pruning demonstration was put on at Grim Brothers' farm on Wednesday this week by R. F. Wilbur, assistant county agent. Quite a number of fruitmen attended.

Eira and Ray Lamareaux, employed at Arlington, spent the week end with their families here.

With all the petition-signing during the past few months, a number of local people are getting considerable penmanship practice which is a use-

ful accomplishment to any one.

Prof. Ballard of O. A. C. spoke before the Grange assembly on Saturday afternoon.

Jack Ballard and Walter T. Wright were in Heppner last Wednesday on business with the county court.

Grandpa Graybeal is gradually recovering from the effects of a bad fall which he experienced shortly before the holidays.

A number of local men are signing up with the Pacific Woodmen who are organizing a local at Umatilla. Judge R. L. Bengel and G. A. Bleakman were in the community last Saturday inspecting road work being done here.

BOARDMAN

MRS. A. T. HREIM, Correspondent.

One of the merriest of dinners was that at which Mr. and Mrs. C. S. Calkins presided on Tuesday last week at their home in the East End. Those present besides the host and hostess and daughter Alice were Mr. and Mrs. W. O. King and children and the Misses Falk, Silver, Kankonen and Leathers.

The Ladies Aid gave a party Friday night at the church. A congenial crowd gathered for the affair and everyone had a thoroughly delightful time. A school program was given with various staid and sedate citizens in the role of speakers of such illuminating bits as "Twinkle, Twinkle," "Baa, Baa, Black Sheep," etc. Mrs. Messenger had charge of the games. Lunch was served for which a charge of 15c was made.

Mr. and Mrs. W. A. Wirtz of Walla Walla were Boardman visitors last

A Man and His Family

SIT down to breakfast on a cold January morning, snug and secure in their cozy little home. Mother, radiant from the few moments spent over the stove, sees her smile reflected in the faces of Baby and Hubby. Baby becomes so enthusiastic over her bowl of Quick Cooker Oats that she spills an unsightly amount down her front in her rush to devour it, while Hubby has no time for the morning paper after the first sip of Hiatt & Dix's Good Morning Coffee. Mother has set before him. The Albers cakes and bacon which took Mother but a few moments to prepare round out the tasty repast to furnish all the needed energy for the family to attack the day's work with zest. As soon as breakfast is over Mother will call MAIN 1072 for the family's dinner. She ordered the breakfast from

The Road

EVERY one was glad when the new section of the road was built. All realized that personal visits could be made more easily, that trade would be brisker, that matters of general public interest would be carried on with more efficiency and dispatch.

The telephone road, that already enables every one to travel so easily, so cheaply and so far, is constantly being lengthened. Each year over 800,000 telephones are added to the Bell System. Every subscriber shares in the increased value given to telephone service by this extension which hourly is enlarging the scope of every one's activities by permitting an ever broadening interchange of ideas.

WHERE DO YOU THINK YOU'RE GOING?
 SKATING WITH WARREN-DOWN ON THE POND BY THE RAILROAD!
 IS THAT SO? I'LL BET I CAN STILL CUT A FIGURE '8 AND WRITE MY NAME - WHEN I WAS A KID I WAS THE BEST SKATER IN TOWN!
 YOU'LL BE ABOUT AS HANDY ON THE ICE AS A COW ON STILTS!

THERE HE GOES - DOWN TO MAKE A DARN FOOL OF HIMSELF! HE AIN'T BEEN ON A SKATE IN TWENTY YEARS - UNLESS IT WAS THE KIND THAT WAS POPULAR BEFORE PROHIBITION

I SUPPOSE HE THINKS HE'LL GLIDE AWAY LIKE A BIRD - THAT RHEUMATIC LEG WILL FOLD UP LIKE A RUBBER CRUTCH - AND EVERY TIME HE FALLS HE'LL FALL TWICE - ONCE ON THE ICE AND ONCE IN THE EYES OF HIS SON!

OH, WELL - GUESS I MIGHT AS WELL FIRE UP AND HEAT A LITTLE WATER SO HE CAN TAKE A HOT FOOT BATH TO THANK 'EM OUT - AN' GIT THE ARNICA AND MUSTER-PLASTER READY 'CAUSE HE'LL COME DRAGGIN' IN SOON - CREAKIN' AND GROANIN' LIKE A RUSTY GATE!
