## THE ATTITUDE TO ONE'S OWN EDUCATION.

Education is liberal as is nothing else. Knowledge is man's most efficient tool for accomplishing what he desires. From this we are led to ask the question, "Is education in any way a detriment?" Without hesitation one can easily answer, "Yes, it may be a disadvantage." We shall here consider two of the worst disadvantages of education but first let it be understood that it can never be this if it is taken in the right way. Side by side with learning should be the thought of one's future occupation and the absence of this supplement is the ruin of the student. People have taken exquisite college preparation in a certain phase, which became worthless when the individual attempted something that was in no way related to it. Students should specialize to a certain degree, and do that in the thing they intend to take up as a means of obtaining a living. For instance, we see a young, enthusiastic man go to college to study chemistry, botany, geology and a host of other similar things, only to end up as an editor or something of that order. He, no doubt, has satisfaction in his extensive knowledge, but how much greater could his satisfaction have been if he had decided his career before choosing his course and then studied accordingly.

Three is also another way in which education may be considered a detriment. When a student goes to school just for the fun derived therein and does not study in order to do his best, he is only forming a habit of loafing. This is a habit which if cultivated, will ruin a man's entire life.

Hence, education is, in a limited sense, a preparation for one's vocation, but it can never be appreciated as this unless one considers it in that way. Determination and obstinacy to failure were the codes of all great men, and, besides, every man is great that possesses these characteristics in the real genuine learning.

## IONE WINS FROM THE LOCALS.

Heppner met defeat at the hands of Ione's fast quintet last Friday night, to the tune of 8 to 5; both teams playing tight ball. Heppner played the more effective offensive game, especially during the first half. Ritchie was high point man of the game, making three points for Ione, while Clark and Mason for Heppner, tied with two points each.

A good number of spectators was present and enjoyed the many thrills furnished by both the girls' and boys' games. The score of both games indicates that they were close games.

At the end of the first quarter it stood 2 to 0 in Heppner's favor, but in the second quarter, Ione slipped in three points, making the score 3 to 2 in their favor; Ione kept the lead the remainder of the game; 6 to 5 in the third period and 8 to 5 when the whistle blew to end the game.

The line-up: Ione, Balsiger rf, Ritchie lf, Clark c, Young rg, Mason lf, Heppner: Hisler rf, Erwin lf, Doherty c, Thompson rg, Bucknum lf. Referee, Gerald Smith.

Subs: Heppner, Farley. Scores made by field goals: Heppner, Hisler 1, Doherty 1. Ione, Ritchie 1, Clark 1, Mason 1.

Scores by free throws: Heppner, Erwin 1; Ione, Ritchie 1, Balsiger 1.

## Ione Girls Game.

Heppner undoubtedly has the snappiest girls' team it has had for some time. This was proven when they came in contact with the Ione girls last Friday at the Swindig hall.

Proof that the teams were evenly matched was shown by the final score 6-3, favoring the Heppner girls.

The guarding was ably handled by Fred Akers and Mary Ritchie and by the end of the first quarter the score stood 4-1 in Heppner's favor.

Kathrine Bisbee and Hazel McDaid, our forwards, played a fast game while our centers, Mae Groshens and Joy Erwin kept the ball in motion all the time. At the end of the half the score remained the same as at the quarter. In spite of the fact that the game was a fast one the girls held up and no substitutes were used.

Several free throws were given both sides for over guarding during the third quarter, the score being 6-3 at the finish.

The line-up: Ione, Fern Engelbman and Rose Fletcher, forwards; Ruth Swanson, jumping center, Mary Grabbill, running center; Ina Morgan and Leona Ritchie, guards; Heppner, Hazel McDaid and Kathrine Bisbee, forwards; Joy Erwin, jumping center; Mae Groshens, running center; Mary Ritchie and Freda Akers, guards.

Subs for Ione: Arletta Farrens for Leona Ritchie in the last half. Referee: Edmond Bristow.

## Club Work.

Considerable club work has been going on this year among the students in the grades. Mr. Calavan of the state department helped organize the clubs last year but they were not as much of a success as they are proving to be this year. There is the bachelor sewing club composed of about eight boys of which Mrs. Mahoney is in charge. Mrs. Gerald Smith and Mrs. Helen Walker have charge of the two sewing clubs for girls; and Mrs. Clara Beymer is in charge of the girls cooking club. These clubs are progressing very rapidly and it is planned to have an exhibit of their work at the end of this term.

## Art Exhibit.

The Heppner public school is planning an Art Exhibit some time during the month of February. This will be composed of paintings by the world's best known artists and will be carried on in much the same manner as the one which was held here several years ago.

Ernest Brown (taking laundry statistics): "How many shirts do you wear a week?" Delvin Adkins: "You mean how many weeks do I wear a shirt?"

## Condon Takes Long End.

Saturday the boys journeyed to Condon to match their skill as hoopsters with the fast Condon quint.

## On Guard

Revolution grips the Republic of Nicaragua. During this emergency U. S. Warships are stationed in the harbor with orders to protect American lives and property. Admiral Julian Latimer is in command.

Condon won the game, the score at the end being 7 to 15. This was a fast game although there were a good many fouls called on both sides.

Willmott was high point man of the game, making three field goals for Condon.

The line-up: Condon: Willmott rf, Kanouse lf, Morgan c, Godwin rg, Fox lg; Heppner: Hisler rf, Erwin lf, Doherty c, Thompson rg, Bucknum lg. Referee: R. Miller.

Subs: Heppner, Farley. Scores made by field goals: Heppner, Hisler 2, Doherty 1. Condon: Willmott 3, Morgan 3, Kanouse 1.

Scores made by free throws: Heppner, Erwin 1, Condon, Willmott 1.

## HEPPNER-LEXINGTON GAME.

The Heppner and Lexington basketball teams will clash on the Lexington floor Thursday, Jan. 20. There will be three games, beginning at 7 o'clock with a game between the Heppner and Lexington grammar school teams. This will be followed immediately by the high school girls' and boys' games.

The games between Lexington and Heppner are usually considered the best of the season and the rivalry is very strong. The games Thursday are expected to be exceptionally snappy because of the fact that both schools have peppy and experienced players.

## HARDMAN.

A party was given at the grade school for the advanced room January 14th. Everyone had a very enjoyable time playing games.

Mrs. Grace Miller has resumed her studies at the high school, beginning the second semester.

A dance was given at the Odd Fellows hall last Saturday night. A large crowd attended and everyone had a good time. Music was furnished by Owen Leathers, Kinnard McDaniel and Percy Bleakman.

A. B. Fletcher moved to his new ranch south of Hardman last Tuesday, January 11th.

Verl Farrens, Lee and Kenneth Burnside were visitors in Hardman Saturday and Sunday.

Buck Wagner was a visitor in Hardman Saturday and Sunday.

Carl Leathers was a visitor here Monday.

Mrs. G. A. Farrens went to the ranch Wednesday, Jan. 15, returning Saturday.

Ralph Reed was a visitor in town Saturday.

Harvey Harshman and family were visiting at the home of Mrs. Sperry Saturday and Sunday.

Carey Hastings, Kinnard McDaniel and Owen Leathers left Hardman on Monday to start tagging sheep.

Mrs. Alice Hastings was a visitor at the home of Mrs. Kinnard McDaniel this week.

Mr. and Mrs. Frank Howell and family were visiting Mrs. Howell over the week end.

A party was given Thursday evening by the sewing club in the grade school. An enjoyable time was had by all.

George McDonald moved to town Saturday.

Mr. and Mrs. Sam McDaniel were week-end visitors in Hardman.

W. A. McCarty has purchased a new Wade gasoline wood saw.

Tom McCarty finished his high school course at the end of the first semester.

The Hardman town team played Lexington Friday. The score stood 15 to 10 in favor of Lexington.

The Hardman town team will play the Ione high school Friday, January 21, at Ione.

## IRRIGON.

The Harmony Club harmonized very harmoniously on Saturday evening at a social dancing party which was attended by about one hundred persons. The services of eight musicians were donated for the occasion. Many of the guests declared the whole affair the most hilarious they had attended for many a moon. Some even claimed

that the refreshments tasted better than ever before. So hats off to the Harmony Club.

Miss Clara Irby of Baker is spending a few days with her sister, Bessie Lamoreaux.

Quite a number of local boxing fans attended the smoker at Umatilla Tuesday night in order to see Doug and Billy Knight do their stuff.

On Wednesday evening the grange met in regular monthly session. The new officers were in charge.

Rev. Dursten is conducting revival meetings at Hermiston, therefore there were no Sunday evening services here nor will there be any the coming Sunday.

We acknowledge a friendly call by Olson brothers of Boardman.

Mr. Lamson of the Three Rivers association is scheduled for a public discussion on asparagus on Friday afternoon at the school house at 2 o'clock.

Several dairymen here are shipping cream to Portland by truck, thereby hoping to reduce overhead expense.

The Oliver family has moved to the house formerly occupied by Strongs.

## University Selectivity Told Prep Students

University of Oregon, Eugene, Jan. 18.—The University of Oregon has gone far in the solution of the problem of adjusting students to scholastic and other requirements by rejecting the inferior students and selecting the adjustable ones, declared J. H. Gilbert, acting dean of the College of Literature, Science and Arts, in an address delivered before the Association of High School Advisers held here in connection with the high

school conference. Rejection of non-resident students who cannot qualify for admission at the state university in the commonwealth from which they come was justified by Dr. Gilbert.

"The University is convinced that it represents an indefensible policy to expend state funds in an attempt to educate inferior material which the educational organizations of a neighboring state have already deemed unfit," he said, and also pointed out that the University's decision to admit only under special conditions high school graduates in the lower quarter has resulted in the restriction of the number of poor students admitted from Oregon high schools. Out of a total of 1250 graduates in the lower quarter of Oregon high school last June, only 60 were admitted at the University last fall. This represents but one out of every 20 that belong in that class.

Dr. Gilbert also denied that an increase in fees is the proper solution of the financial problem confronting higher educational institutions. "We should make our scholastic and entrance standards more strict and select our students on the basis of ability to learn rather than ability to pay. It is inconsistent with democracy in education that any student should be denied the opportunities for an education because he hasn't the price."

## DALLAS WARD HONORED.

Oregon Agricultural College, Corvallis, Jan. 18.—Dallas Ward of Lexington, a senior in the school of vocational education, has been initiated into Phi Kappa Phi, national honorary fraternity. The members of this organization are chosen from all of the schools on the campus.

Scholarship, personality and ability of a leader are the requirements of the organization. It is one of the highest honors a student can receive. Ward is a member of Phi Delta Theta, national social fraternity.

The Open Door to Business

The business man is now accessible by another route than through the doorway of his private office. A business call by Long Distance Telephone merits a prompt answer and gains immediate interest and attention.

Increasingly, business houses are augmenting regular salesmen's visits by "in-between" Long Distance calls. Results: Larger volume of business and quicker turnover at a reduced selling cost. Many new and practical uses of Long Distance are no doubt applicable to your business. These will be cheerfully discussed with you upon request to the Business Office of the Telephone Company.

Long Distance combines speed with economy

## "You Just Take It From Me"

THERE are many small details to fixing a dinner like you're going to give, all of which must be given careful consideration if the dinner is to be a complete success," Mrs. Noted Hostess told Mrs. Inexperience, who was asking for help in preparing for a big dinner.

"From the oranges, bananas, grapefruit and all that goes into the cocktail, thru the vegetables, salad, bread and butter, baked ham—in fact all the piece d' resistance, you must know that everything is of the very best, because it is impossible to make a tasty meal from poor materials."

"If you want to be sure of getting the best in everything, give your order to HIATT & DIX. Then you need have no fear for the dinner being a success if it is served at the right time."
