Dr. Frank Crane Says
Illustration of a man in a suit.

Do Not Be Ashamed of Worthy Ambition
IN ABRAHAM LINCOLN'S first political speech, he said to the voters of Sagamon County:
"Every man is said to have his particular ambition. Whether this be true or not, I can say, for one, that I have no other so great as that of being truly esteemed by my fellow men, by rendering myself worthy of their esteem."

Harbingers of Spring.
THE meadowlark's song—we have heard it several times the past few days—is the surest sign of all. But there are many more reasons to believe spring will really be here when the calendar says it should be next week.

Costliness of Anger.
WHOM the gods would destroy, they first make mad."
Maybe you can't associate that old philosophy with your 1927 safety. Maybe you are one of those who controls his temper at all times, never getting mad—that is, "anything that amounts to anything."

Gambling.
CHARLES M. SCHWAB, able business man, leaving Europe, says he is never going back. Also, he knows he is getting old, "because I am losing the thrill of gambling." That is not a sign of getting old, only a sign of getting wise. The wonder is that as able a man as Schwab should ever have found a thrill in gambling.

Babies.
BISHOP JAMES WISE, of Chicago, tells Episcopalians "unless America comes to a halt in its mad rush for wealth and pleasure, national moral destruction is at the end of the road." That has been said often in the past, sometimes when conditions were much worse than they are now.

It is the opinion of the Dearborn Independent that the real wet majority in the state of New York is not in excess of 165,000. Not much of a majority in a state of such tremendous population.

fever toxin is injected hypodermically, and then at intervals of five to seven days slightly increasing doses are injected, until all five doses have been given. There is no discomfort or pain; even local reactions being rare. There is a month after the final injection the Dick test should be made to determine if the person has been completely immunized.
Now is the time to get protection. Consult your physician or your health officer. Oregon had 1408 cases and 18 deaths from scarlet fever in 1925. These figures should and will be materially reduced by the end of next year if health officials, physicians, and the public wage as active a campaign against scarlet fever as they did against diphtheria.

-Smiles-
Cerise, How Could You?
Mike—That boxer is in the pink of condition.
Tyke—Yes, he makes me see red.

Modern Conversation.
"I'm in favor of light whines and sneers," insinuated the ritzy society gal.
"Not me," said her partner. "The wages of gin are death."

Right, Too Right.
"Down but not out," cried the convict as he lay on the ground inside the prison walls.

Just Like a Woman.
"Take me in your arms and tell me how much you love me," the Fat Lady in the side-show requested the Limbless wonder.

Ole Olson's Philos.
"Dis hane a gude yoke on me," said Nelson, as he spilt an egg on his vest.

Ye Snake Dance.
There was a young flogger named May.
Who shook a mean bale of hay.
Though not a Hawaiian,
She was always trying
To out-wiggle our own Gilda Gray.

In Rebuttal.
Hurrah! The Profs are at fault again. A two-headed baby died after living three days. This does away with the theory that two heads are better than one.

Undertaker Humor.
"Here's where we roll the bones," offered the undertakers as they placed the coffin in the wagon.

Obedying Orders.
"Whither with the mask, Erronius?"
To Mabel's house, Calculus."
"Then whyfor the mask?"
"O, her dad requested that I never show my face again in his house."

Smooth Bird.
"I have a drag with the cop," said the man as he swapped cigarettes with the policeman.

Ain't It So!
"Yep," said the campus philosopher, as he eyed a group of mongrels chasing each other down the lane; "life is just one darn thing after another."

Blonde Bess Opines.
You may eat your cake and have it, too, by baking two cakes.

People Are That Way.
The willows are weeping for John H. Best;
He changed the labels on his medicine chest.

Also, Count Ten.
"Where's the notary?" cried the old gent. "Bill dropped a safe on my toe and I want to swear."

My Pet.
Lizzie's thin, I keep her lean
By feeding her on kerosene!

Do It Now!
O. Lawrence Hawthorne
It's a trite, old-fashioned saying. But its rule is worth obeying: There's no merit in delaying—Do it now!
When Old Man Procrastination Counsels you to hesitation, Don't be fooled by his oration—Do it now!
If you wait until tomorrow, You are mighty sure to borrow Fifty-seven kinds of sorrow; Do it now!
Duty never should dismay you; Circumstances will repay you if you let no force delay you; Do it now!
Men grow old and gray from worry; Always late, and in a hurry, Life to them is one grand flurry—Do it now!
You have work to do this minute; Put determination in it! Why on earth don't you begin it? Do it now!
