They were held to the grand jury under bond which they were unable to furnish and were remanded to the care of Sheriff McDuffee and will continue to reside at the county bastille until such time as their case is disposed of. Sheriff McDuffee departed at once with the lad, who is 14 years of age, and he will be looked after in the state institution.

LEGION AUXILIARY MEETS.

The American Legion Auxiliary met in regular session on Tuesday evening, April 19th. There were 14 members present. The hostesses were Florence Davis and Bertha Kirk.

Very favorable reports were given from the members who had the financial part of the scarf and dance in charge. Mrs. Cohn, the hospital chairman, will mail a check to "Sparky," the veteran who made the scarf, for the entire proceeds from the sale of tickets on it. The scarf was won by Ted McDaid, who held the winning number, which was just purchased previous to the drawing. The unit wishes to thank the public for their generous support in buying tickets the Easter dance.

The ladies were elated with the success of the dance, the large crowd was certainly gratifying. We were sorry that a little misunderstanding arose in regard to the price of admission, due to a misprint, but we promise not to let it occur again.

At the next meeting on Tuesday, May 3rd, the unit has invited the Legion to attend. There will be an Americanization program, and initiation. We hope all new members who have not yet been initiated will be able to attend. The hostesses will be Carolyn Johnston, Hanna Jones, Vivian Kane and Frances Morse. There will be Glee Club practice Wednesday evening, April 27th, at 7:30.

A very enjoyable party was given by the Legion and Auxiliary on Monday evening, for Mr. and Mrs. Roger Morse. Seven tables of bridge were played. Mr. and Mrs. Morse were presented with a tray, which was made by one of the veterans at Hospital No. 77. Mrs. Cohn made the presentation speech to which Mrs. Morse graciously responded. High honors for ladies went to Mrs. Chas. Vaughn, and for men to Harold Cohn. These prizes were also articles made

at the hospital. Nice refreshments were served by the committee in charge. —Secretary.

Tuesday night was a cold one at Heppner and much early vegetation along with plants and flowers in outside beds and pots, were made to suffer. Twenty above was a record for this part of the country. It begins to look like spring had at last arrived, and weather conditions are warming up, for which we are all thankful.

Mrs. Jas. Carty, who has been ill at Heppner Hotel for some time was reported to be quite low this morning.
