Mrs. Basington is Mr. Falier's sister and a period of 25 years had elapsed since they had seen each other. Mrs. M. Falier is their mother. Mrs. Ray Brown has been assisting at Jack's store the past week.

One of the huge tanks of the city water works blew up again one night last week. No serious damage resulted and Mayor Ballenger and Mr. Chaffee motored to Arlington and obtained repairs and it was fixed by morning and many of the consumers did not know of the damage until the next day.

A well driller from Maryhill is negotiating with some of the local people. He will move his rig over here if he can get three wells to drill. People are anxious to have a well drilled at the cemetery. At first it was planned to dig a well but quick sand was feared and a drilled well is so much more satisfactory.

Mr. and Mrs. Albert Macomber of Olex spent Sunday at the Mefford home.

Mr. and Mrs. H. B. Hawkins have moved to Arlington where they will make their home.

Mrs. Jay Cox and family went to Rufus last week and will be with Mr. Cox for part of the summer at least. He is employed with the tree department of the state highway.

Twelve members of the Boardman Grange visited the Irrigon Grange last Wednesday evening. The Irrigon men were hosts and served a nice lunch. All had a most enjoyable time.

Mr. and Mrs. M. A. Kees and son of San Francisco, Mrs. Jacobs, mother of Mr. Kees, and Mrs. Margaret Johnson, were recent visitors at the J. R. Johnson home. Mr. Kees is a cousin of Mr. Johnson and Mrs. M. Johnson is his aunt. Mrs. Jacobs, who is 87 years of age, is one of the few survivors of the Whitman massacre and she enjoyed the motor trip through Oregon and up to Walla Walla very much. Mr. and Mrs. Kees were Y. M. C. A. workers in China for a number of years, returning to the States three years ago. Mr. Kees is engaged in the Y. M. work in Frisco.

Fred Rayburn and son have returned to their home in Portland after visiting at the Robert Rayburn home. Nellie and Mildred Messenger have returned from a pleasant visit in Portland. They took in the Rose Festival and enjoyed every moment of their stay. They visited at the home of Mr. and Mrs. Uram Messenger.

Mr. and Mrs. Albert Means and ba-

Mr. and Mrs. H. B. Hawkins were called to The Dalles last Wednesday by an urgent message telling of the serious illness of Mrs. Hawkins' sister. Mr. and Mrs. Guy Barlow took them down but death had come an hour before their arrival. She had a case of spinal meningitis.

Political dope was rather badly upset Monday, June 20, at school election when Chas. Dillon was elected school director to succeed Leslie Packard. L. G. Smith, Packard, Lee Mead and Chas. Dillon were nominated but Smith and Packard both declined. The vote was close, 40 to 39 in favor of Dillon. Mr. Dillon previously served as director for a term of three years so he knows all the vicissitudes of the game and just what to expect from the "mobile vulgus" in the way of acrimonious censure for which our community is famed. Mrs. S. H. Boardman was re-elected clerk. She has been a most capable clerk and has handled the position splendidly. The infinite amount of detail required is not generally realized except by those who have filled the position. Several other names received one or two votes, cast for sport. The detailed report for the year was read and showed several things of interest. There were 77 boys and 70 girls in attendance, 87 boys and 94 girls over four years of age in the district. The value of taxable property in the district was \$1,909,017. The indebtedness has been reduced from \$104,000 to \$92,000 the past year. Although it was voted to erect a gymnasium and construction was started the financial report showed that the budget was not increased over that of the year previous because of the great decrease in the cost of transportation.

The men of the grange were hosts last Saturday night when they served a delicious lunch of sandwiches, coffee, and cake to all present. Some Grangers from Willows were present.

Mr. and Mrs. Albert Means and ba-

by were house guests Saturday at the J. F. Gorham home. Mr. Means is an instructor in the University high school at Eugene. Mrs. Means is an old school friend of Mrs. Gorham and they had a pleasant visit. All motored to Walla Walla Sunday.

Sybil Grace plans to go Sunday to Tacoma with her grandmother, Mrs. McReynolds, for a short visit.

Mr. and Mrs. Jack Gorham motored to Pendleton Monday to see Dr. McKenzie about Mrs. Gorham's eye which has been causing her much trouble. On Sunday it caused considerable pain and Monday was much worse. The doctor discovered a piece of tar weed in it which he removed and she is much improved.

Mrs. W. O. King and Francienne accompanied Mr. Calkins to Hermiston Monday, where Francienne had some teeth extracted.

Mrs. Lee Mead and children Paul and Katherine returned Sunday from a pleasant week's visit in Couer d'Alene, Idaho.

LEGION AUXILIARY MEETS.

The American Legion Auxiliary met Tuesday evening, June 21st. Three new members were conducted through the initiatory service, one of whom, Mrs. J. G. Jackson, is our only Gold Star mother, also our oldest member. Georgia Moore was elected as delegate and Harriet Gemmill as alternate to the state convention to be held at La Grande July 21-22-23. We hope there will be a large number of our members who will attend the convention.

It was decided to discontinue meeting for the summer because of the warm weather, so we are adjourned until the first Tuesday in September unless a special meeting is called. The hostesses, Lena Cox and Pearl Ramsey, deserve special mention for their efforts over the hot stove, but the results produced were wonderful, and greatly enjoyed by the group who

gathered around the table. We were pleased to have Mrs. Chas. W. Smith, formerly a member of Dufur unit, added to our membership roll. There will be glee club practice at the home of Mrs. Moore next Wednesday evening at 7:30.

Busy smokers of today select Camel as their favorite smoke

PRESENT-DAY people, the fastest workers of all time, claim their right to enjoyment. And they choose Camels for the utmost in smoking pleasure.

Camel is made to please and delight the modern, experienced smoker. It is rolled of the choicest tobaccos grown. It is matchlessly blended for mildness and fragrance in the smoking.

Let Camels demonstrate their goodness and you'll know why the smokers of today choose them over all other cigarettes. For that exalted sense of taste-satisfaction, no other smoke can compare with this one. "Have a Camel!"
