MORROW COUNTY'S OFFICIAL PAPER Foreign Advertising Representative THE AMERICAN PRESS ASSOCIATION

Program of the Grange.

GRANGE organizations of Oregon, Washington and Idaho are working to a common end according to reports received of a conference held this summer between prominent representatives of the granges of the three states.

While the farm relief program is one of federal procedure, the others could be undertaken by any state, and it may be expected that measures will be presented to the people dealing with water power, income tax and severance tax.

Rise of the Rural Press.

THE most remarkable feature of American journalism is the growth, development and influence of the country weekly newspaper and small town daily.

Above all, this last cannot be exaggerated. From mere reporters of town happenings, they have risen to an important, possibly the most important place as leaders of thought and comment on local, state and national problems.

Dr. Frank Crane Says

NOT A BAD PLACE—THE MID-WEST

THE man from the mid-west is usually the goat of all the intellectuals. The mid-west is supposed to be the home of banality.

They are the hayseeds of the world. The mid-west has Chautauqua circles, fitting descendants of former camp meetings.

Did they not put across prohibition? Did not their wives and daughters even go to prayer meetings?

When the world war came, however, those boys from the mid-west, Kansas and thereabouts, did a pretty good job at Belleau Wood and in the Argonne.

A Missouri boy named Pershing and a couple of Illinois men named Grant and Lincoln demonstrated that something worth while could come from Nazareth.

He took his life in hand, shoved a tooth brush in his pocket and flew unaided and alone across the perilous Atlantic.

Personally, I think it makes no difference what country a man comes from. A Japanese, a Mexican, or a Nebraskan is quite as liable to horn in and monopolize the front page as a noble Roman or distinguished Britisher.

Mr. Babbitt's country, with its chautauquas and rotarian clubs and prayer meetings is not such a bad place after all.

opinions are usually well founded and intelligent. They sway politics, industrial and business progress, and national affairs in a large way.

It would be well for the average citizen to better appreciate the character and influence of the rural press. It may give him another slant on the reason for America's unprecedented progress.

Leonard Wood.

THE passing of General Leonard Wood is a great loss to this Nation. Beginning his career as a physician, he entered the army as a contract surgeon, as commissionless junior medical officer were known in those days.

Seven states are interested in the Boulder Dam and the waters of the Colorado river, in addition to the federal government. The tangle that is developing as a result of local political factions in each state seeking to gain advantage for themselves, and with another faction in Congress endeavoring to use the Boulder Dam project as a means of putting the government into business, furnishes a perfect illustration of the confusion and bitterness which generally results when an attempt is made to inject government into the field of private enterprise.

Songs of Plain Folks

By James Lewis Hays

Nightwatchman

Night watchman I, And while you sleep I'm walking by A gloomy wall Round buildings Shadowy and tall, Beneath a sky God knows how deep.

When radio And pleasure car No longer sound And you're asleep, It seems the great Stars nearer creep, And yet they're far— God knows how far.

I love the four Still hours of night From one until The morning bars Lift up and send My friends, the stars, Behind the sky-wall Out of sight.

The Judge's Joke

THAT SKINNER GIRL IS AWFULLY QUIET AROUND HOME, SHE DONT EVEN DISTURB THE DUST

Stew Far—Stew Far Prof. (giving lecture)—I don't mind if a student looks at his watch once in a while, but what gets me is to see someone take out his watch, shake it a few times, and then put it up to his ear.

Information Bureau Inquisitive Lady (on visit to a battleship)—And did they put those rocks at the bottom of the ocean to Lullid that breakwater?

Dumb Dan Phones Operator, kindly get me Jakob Stultz; he's in the cloak and suit business.

Yes—Yes, Indeed Gerald—How long is it since you were abroad? Julia—Three husbands ago.

Experience Speaks "Sister," asked Tommy, "do fairy tales always begin with 'Once upon a time'?"

FOR SALE—Side delivery hay rake in good condition. Will sell cheap. Ralph Butler, Henriksen Ranch, near Lexington.
