

Local Happenings

Large numbers of people from town and over the county have been visiting the mountains in the vicinity of Ditch creek during the past two weeks and found many huckleberries. There have been really remarkable reports on the part of some, while others stated they were not so successful in getting into the patches where the berries were thick and large. Some good picking has been reported from the Albuckle section, also.

J. O. Turner and family have left the ranch for a time and are preparing to spend the winter in the Willamette valley, perhaps at Salem, where Mr. Turner will take up the study of law and Mrs. Turner will pursue her studies in music. They have leased the ranch for a period of years to Ed Kelly, who took possession the first of this week. Mr. Turner had a very abundant wheat crop this season.

Mr. and Mrs. W. P. Mahoney and daughter Patricia, and the Misses Margaret and Ruth Mahoney of Portland returned on Sunday from a visit to Wallowa Lake. Mr. Mahoney reports wonderful crops in the Wallowa valley this season and the members of the party were delighted with the beauty of Wallowa Wonderland.

Numerous campers in the mountains along Willow creek returned home the first of the week, among them being K. K. Mahoney and wife, W. V. Crawford and family, D. A. Wilson and family and Alva Jones and family. These people all succeeded in finding a quantity of huckleberries and made good pickings.

Mr. and Mrs. Raymond Ferguson and the Misses Mary Crawford and Luola Bengtson returned Monday after spending a week at Joseph and Wallowa Lake. The young ladies enjoyed a hike into the high mountains while there.

Miss Leora Devin returned home from Portland the end of the week. She had been spending some time in the city attending summer school.

LOCAL ITEMS

Mr. and Mrs. H. E. Warner of Lexington are the proud possessors of a new Buick Standard Six Four-Door Sedan delivered to them last week by the Heppner Garage.

Get your shoes rebuilt before school starts. Gonty Shoe Store.

Normal human blood is too thick to be drawn through the mosquito's small piercing tube. They must first inject a thinning fluid. In that way disease germs are set afloat in the blood stream—bacteria of burning fever and crippling disease. There is also the danger of streptococcal infection, blood poisoning, from scratching the bite. Mosquitoes must be killed. Health authorities advocate Fly-Tox. Simple instructions on each bottle (blue label) for killing ALL household insects. Insist on Fly-Tox. Fly-Tox is easy to use. Safe, stainless, fragrant, sure. (adv.)

FOR SALE—400 ewes and 200 feeder lambs. S. E. STARR, Hermiston, Oregon. 21-2
