Street Improvement Is Going On In Heppner

Under the direction of the city fathers, considerable street improvement is being done in Heppner, and Marshal Devin is proving that he un-Marshal Devin is proving that he un-destands the job pretty well. Since the oiling of Main and May streets and placing of new crushed rock on the surface, these thoroughfares are putting on the appearance of pave-ment. This style of work can not be carried out on the side streets, but the city is placing some crushed rock where it seems most needed, and it would seem that this sort of work is

going to be permanent.
