Announcing— THE NEW ZEROLENE To the motoring public of the Pacific West the Standard Oil Company of California presents The New Zerolene, "The Standard Oil for Motor Cars". HIS new lubricant is the latest achievement in petroleum products of the Company's research laboratories,—a modern oil for modern motor cars. The New Zerolene is a wholly distilled oil—by Company processes which take only the highest lubricating values from the best of California crude oils. Every drop is pure lubricant. The New Zerolene "stands up" at any engine temperature. The New Zerolene forms no hard carbon. The New Zerolene does not "thin out"—when the crankcase is drained it is still "live" and "oily". The New Zerolene is economical—in initial cost and in amount consumed. The New Zerolene is made in three grades or bodies, No. 3, No. 5 and No. 7. There is a correct grade for your car and every car made. Zerolene "F" for Fords, an oil especially manufactured to meet the demands of the Model T Ford, remains unchanged. At all Standard Oil Service Stations and at dealers. MONEY CAN'T BUY A BETTER OIL than THE NEW ZEROLENE STANDARD OIL COMPANY OF CALIFORNIA.
