Lexington School Notes.

The student body met Tuesday and elected the following officers: James Leach, president; Eula McMillan, vice president; Gwen Evans, secretary; Cliff Miller, treasurer; Vernon Warner and Mary Slocum, yell leaders.

A high school dance was given in the Leach hall last Friday evening. Both students and faculty reported a good time. Refreshments consisting of punch and cookies were served during the evening.

Most of the faculty showed their western spirit and were present at the Pendleton Round-Up last Saturday. Some of them had never seen a western show before and so were quite impressed when they came back.

Among those who went were Mr. and Mrs. Johnston, Miss Gingrich, Miss Rieholson and Miss Vail.

Mr. Nordyke has loaned the grade school some Indian relics which the sixth grade is using in connection with their Oregon history. The other grades are also getting the benefit of them as they are gathering information concerning the Indian.

Many of our former high school students are going to college this fall for the first time, while some are going back to finish their college education. Those going to O. A. C. are Buster Gentry, Elmo Nolan, Eva Wilcox, Lester White, Bunk McMillan, and also Maxine Gentry, who is a senior this year. Elmer and Alice Palmer are going to Pacific, Lawrence Beach to U. of O., Laurel Beach to Whitman and Eva Padberg to normal at Monmouth.

The Ladies Auxiliary of the Episcopal church will serve meals in the hotel dining room during the three days of Rodeo.

Farm Leaders in the Making

Harold C. Stimson, Donor Annually of a Fine Heifer; Club Girl, Carmen Daniel — 1926 Winner — And Her Prize.

Each year Harold C. Stimson, owner of the famous Hollywood Farm of Washington, presents a splendid Holstein heifer for the best work in Livestock activities, done by Club boys and girls in the Northwest. Carmen Daniel of Cove, Oregon, outstanding Club girl in Holstein activities in the United States for 1926, was the winner of last year's award.

Over 11,000 boys and girls are doing Club work in Oregon, an equaling large number in Washington and of the Northwest.

over 600,000 in the United States at large.

Boys' and Girls' Club Work is found at its best at Camp Plummer during the week of the Annual Pacific International Livestock Exposition at Portland, to be held this year October 29 to November 5, inclusive. Here the Northwest's future agricultural and livestock leaders obtain one week's practical instruction in the science of farming. Boys and girls come from all parts of the Northwest to participate in the inspiring exercises held annually at the Camp.

Over \$100,000 in premiums are given each year at the Pacific International for exhibits of Pure Bred Livestock and Agricultural Products. The Exposition combines great Livestock Show, Dairy Products Show, Land and Manufacturers' Show, Northwest Fox Show, Wool Show, Industrial Exposition, and the world's greatest Horse Show.

That the Pacific International is one of the great assets of Agriculture and Livestock interests in this western country is now conceded without question. 150,000 people from all parts of the nation are expected to attend this year. Special fare-and-one-third rates to Portland during the Exposition are to be in effect on the leading railroads of the Northwest.
