On January 1

Now Only 23 Days Away

ALL HEPPNER GAZETTE TIMES subscriptions not paid in advance will be dropped from the mailing list. At the same time the bargain offer of 3 years for \$5.00 will be withdrawn.

The reason for the adoption of our new policy has, we believe, been thoroughly explained. That it has met with approval is evidenced by the large number who have already responded. A considerable number still remain delinquent from whom we would like to hear.

It is our desire to have a live subscription list composed of bona fide subscribers. In times past we have sent the paper in good faith, believing that acceptance meant willingness to pay. In some instances we have found this not to be the case. If you know yourself to be delinquent and want the paper to keep coming, may we hear from you before January 1st?

The Ideal Christmas Gift

News of the home folks to remind the recipient of the giver every week of the year—and now at 3 years for \$5.00—what more appreciated gift for as long a time can be had for the money, than a Heppner Gazette Times subscription? You give us the name and the money—we do the rest. There is no bother of packing the present, insuring and mailing at the Christmas rush period. We take care of that, and the present is mailed on time.
