## HEPPNER DEFEATS CONDON.

The Heppner high school basketball team defeated the Condon basketball team, 11-5, Saturday, January 14, at Heppner.

Condon's team was small and fast, but they could do nothing with the local five men, who stood like a stone wall against the visiting team.

Good team work and fine coaching was shown by both groups, but the Condon five were unable to break up the passing attack used by the Heppnerites.

Fouling was the chief difficulty among the locals. They could not keep from putting their hands in a fouling position. John Farley, forward was put out of the game for four personals in the early part of the fourth quarter.

The Heppner boys will play at Lexington, January 20. This is expected to be a good game as they have just defeated Ione. The Heppner boys are practicing hard this week on passes and various other fundamentals.

Henry Robertson led Heppner's scoring with 6 points, while Knouse was high for the visiting team, with four.

Substitutions for Heppner were Turner for Farley, Parker for Gentry and Gentry for Parker. Free throws made were Hisler, one.

Condon substitutions: Hollen for Hess, Hess for Hollen, Hollen for Weed. Free throws, Knouse, two, Myers, one.

The line-up:  
Heppner—11      Condon—5  
Farley      f      Knouse  
Robertson      f      Hess  
Hisler      c      Weed  
Gentry      g      Myers  
Thompson      g      Fowler  
Gerald Smith of Condon was referee.

## BASKETBALL TOURNAMENT.

Superintendent Burgess makes the announcement that the district basketball tournament for the district comprising Morrow, Umatilla, Gilliam and Wheeler counties will probably be held in Milton-Freewater during the last week in February. Mr. Burgess has been for the past three years chairman of the state athletic association committee for the northeastern district of Oregon. The other two members of the committee are W. H. King, coach of the Heix schools and H. E. Inlow, superintendent of the Pendleton schools. This tournament is for the district basketball championship, and any school in the district is eligible to enter. The winner in this meet later competes in the state tournament in Salem, which is usually held during the second week of March.

## OFFICE NEWS.

The eighth grade promotion will be Friday, and then there will be approximately 125 students registered in the high school this semester.

The school management has made arrangements to take particular care of the curtain used on the stage in the new auditorium-gymnasium. It will be pulled entirely from view during the games on the gym floor, and spectators will have an unobstructed view from the main floor and balcony of the auditorium. Wooden, dust-proof casings for the curtain enclose it completely when it is not in use.

## RULES FOR NEW GYM.

Rules and regulations governing the use of the gymnasium-auditorium have been compiled by Superintendent Burgess and Principal

Johnson. The rules and regulations are as follows:

This building has been erected for a two-fold purpose: that of education, and for physical development. In order that the greatest possible benefit may be received from the building, the following regulations have been made. The abuse of them automatically deprives the offender the right to enjoy the use of the building. Help us in this respect, please!

1. You are expected to be in the building only when you are scheduled to be there, and must not be loitering in or about the building.

(a) Boys must not be present at the girls' practice periods.

(b) Girls must not be present at the boys' practice periods.

2. We do enjoy this fine building. Let's show it by using it carefully. Do not mark it or deface it in any way.

3. Do not enter the basketball court at any time without wearing gym, tennis or basketball shoes.

4. When the building is being used for practices, you must be with your practice group at all times, unless excused by the one in charge, and not be running around all over the building.

5. Smoking is absolutely prohibited for everyone in all parts of the building, and at all times.

## JUNIORS ELECT.

The juniors held a class meeting Tuesday, January 17. This meeting was for the purpose of selecting the second semester officers. Those elected were Paul Jones, president; Clair Cox, vice president; Harlan Devin, secretary and treasurer; Valoie Bramer, sergeant-at-arms.

## TYPING AWARDS.

Typewriting and bookkeeping awards were issued Tuesday, January 17, by Miss Pearson, commercial teacher. Before receiving an award one must be able to do the required work assigned by different firms or companies. Those receiving awards were as follows: Typing, Margaret Notson making 36 words a minute on the Underwood. She received a certificate of proficiency.

In bookkeeping Kenneth Oviatt received a gold pin; Ellis Thomson a silver pin, and Joe Brosnan a bronze pin. The pins were accompanied by a certificate of credit.

Those receiving a certificate of credit are Florence Bergstrom, Eva Hiatt, Gerald Slocum, Homer Hayes and Ellen Morgan.

The typewriting class is now doing office training, filing and copy work. This work will continue for some time.

## Income Will Finance New Dorm at College

O. A. C., Corvallis, Jan. 12.—Detailed plans and specifications for the new men's dormitory authorized by the board of regents at the January meeting will be prepared ready for bids by March 1. Bennes and Herzog, Portland architects announce. This will permit contracts to be let March 10, says President W. J. Kerr, with construction to be completed six months later in time for opening of the fall term.

The dormitory will care for 320 men and will cost between \$350,000 and \$400,000 fully equipped. The entire cost will be met from dormitory receipts over a period not to exceed 20 years, in accordance

with the recent act of the legislature. Even though it will thus be entirely self sustaining, charges to students will be no higher than are now paid for good private accommodations.

The new structure will be three story brick with a five story central tower facing the center of the campus from the corner between Cauthorn hall and the forestry building. It will thus replace old Poling hall, the frame war barracks, and several wooden poultry buildings. It will be the key unit of all future men's dormitory construction planned to encircle that quadrangle in years to come.

Modern construction throughout with most favorable arrangement for study, health and social well being of the men will be provided.

## THE DETAILS OF HOUSEKEEPING MADE EASY

Women who do not have a checking account are handicapped in looking after the many details of housekeeping.

They never have the right change.

They often misplace their money and lose a lot of time looking for it, invariably a little is put here and a little there, etc.

This is not good management.

Get your change together, come to our bank and start your checking account and handle your affairs in a businesslike manner and you will have a convenient, safe and satisfactory system.
