GRADE NEWS.

Hazel Wilson and Ruth Hunt, third grade students, are unable to attend school because of severe colds. Several seventh grade pupils are unable to attend school on account of illness. They are Roy Gentry, Mary Albee, Edna Jones, Jack Slocum, James Farley, Alex Langdon, Miriam Moyer, Carolyn Moyer and Veryl Brown.

Billie McCaleb, who has been quite ill at his home with a severe cold, was able to return to school on Tuesday. The sixth grade began the new semester by making a perfect attendance for the first week. This is the only room not having absences due to illness. Cleo Hiatt has been absent from school for several days because of a severe cold.

Francis Nickerson has been absent from school on account of the flu. All of the sixth grade pupils passed in their state examination on Oregon History and physiology.

The A division of the eighth grade are preparing for their state examinations at the close of the semester by taking weekly examinations covering their work.

Adele Nickerson, eighth grade student, is confined to her home on account of illness.

The grade basketball team started their season's work by defeating the Condon grade team on the home floor last Saturday evening. The boys proved their capability by running up a score of 18 to 6 against Condon. The grade boys will play Condon a return game a week from Saturday at Condon.

The last Saturday game was not only successful as a victory but also a financial success. The tickets were printed by the eighth grade students and issued to the four upper grades for sale. Mr. Beigle reports that this amount of ticket selling proved a very satisfactory one and will be continued for future games.

Martina Weatherford, who formerly attended school at Pendleton, recently enrolled in the Heppner grade school. Jessie Tinsley and Mary Knoll, fourth grade students, are absent from school with severe colds.

The students of the seventh grade were entertained last Friday by the harmonica players of that class. The entertainers were Mary Albee, Doris Cox and Wilfred Case. They played two selections, "Old Black Joe" and "Autumn Holidays."

Annabel Turner was absent from school Monday. She went to Monument with her parents to attend the funeral of Sam Cochran, her grandfather.

Margaret Sprinkel, fifth grade pupil, has been confined to her home in the city since a week ago Tuesday with the chickenpox.

James Driscoll was absent from school Monday.

Ruth Green, who has been at the Shriners' hospital at Portland for several months, recently returned and took up her work in the second grade. Ruth is much improved but will return to the hospital next April for further treatment.

There were eight children absent from the first grade this week because of colds. Until this time the first grade has had almost perfect attendance.

Debate Elimination Contest.

The elimination contest for the debate team was held Wednesday, January 25, and resulted in the decision that Margaret Notson and Harlan Devin should represent Heppner on the negative side and Katherine Blaise and Fletcher Walker should uphold the affirmative side.

Alternates will be chosen for the affirmative from the following candidates: Evelyn Swindig, Marvin Brannon, Harry Wells, Robert Turner and Earl Thomson. The following candidates will compete for the places of alternates on the negative team: Mildred Green, Jeanette Turner, Cornett Green, Gerald Slocum and John Parker. The alternates and the debaters will receive letters for their work. These will be gold pins about one half an inch in height in the form of an H. For each succeeding year, the person, if he or she is a debater or an alternate, will receive an additional bar to be put on his or her pin. Engraved upon this will be the year in which he or she debated.

Our affirmative team will meet MacLaughlin high school, Milton-Freewater on Thursday night, February 2, at Heppner. The local negative team will meet Pendleton high on the same night at Pendleton.

Students' Assembly.

A special entertainment period has been granted to the entire student body every Friday afternoon. The entertain-

ment is to consist of student body songcraft under the direction of Miss Edie. Miss Edie has already selected song books, which contain American Community songs, and the same have been purchased by the students.

Senior Class News.

The senior class has chosen the announcements by which they wish to proclaim to the world that they have successfully climbed to the top of four more milestones along life's way. These announcements are of a clouded, or ripple, white design and are engraved in silver. The order has been sent to the engravers and will be returned in plenty of time for commencement.

Each individual will select his own design and have them ordered on his own initiative.

Booster Sale.

About ten dollars was taken into the booster club treasury from the "hot dog" sale Tuesday noon, January 24. The purpose of this sale was to secure funds for a mysterious event which will probably be announced next week.

Chemistry Class News.

The chemistry class has started work on term papers. Instead of having semester papers, Principal Johnson decided to have them work on a year paper. He did this to give them more time and also to enable the chemistry students to take part in a contest sponsored by the American Chemical Society of Philadelphia. This society stands for the advancement of chemistry and to get the students of high schools interested in chemistry. The students have a choice of one of six subjects to write upon. These deal with the relation of chemistry to the various phases of everyday life.

The main prize is a four-year scholarship to Yale University, to Vassar College, or some other institution, including tuition fees and \$500 annually. The prizes are all worth working for and the chemistry students of Heppner high school are out in earnest for them.

GRADE GAME.

The Heppner grade basketball team defeated the Condon grade team 18-6 Saturday, January 28, at Heppner. The Condon boys were much larger than Heppner's, but were unable to compete with them. The local five were in possession of the ball most of the time by their sure passing.

The line-up:
 Heppner: Cook, A. Morgan, G. Lear, G. Lear, G. Lear, G. Lear, G. Lear.
 Condon: Cook, A. Morgan, G. Lear, G. Lear, G. Lear, G. Lear, G. Lear.

Substitutions for Heppner: Jones for Furlong; for Condon, Morgan for Cook; Bennett for Hemrich.

Ulrich was high point man for Heppner, with ten points; Morgan was high point man for Condon, with three points. Hollingsworth of Heppner was referee.

Civics Class News.

Mr. Burgess is reported to have made several recent stupendous assignments to his civics class. Some members of that group have testified that they never lack for something to do and the worst difficulty they find is to get it all done.

A term paper has been assigned to the

class and will be of about 3000 to 5000 words in length. Individual topics have been given out, and these deal with the relations of the United States to foreign countries, etc.

Other assignments have been such as the following: "Secure name, age and occupation of all ambassadors from the United States to foreign countries," and "Secure the names of all the secretaries of state, their age, occupation, etc., since Washington's cabinet."

Heppnerian Meeting.

One o'clock on Thursday has been set as the time for the weekly Heppnerian staff meeting. This period was chosen because there will be fewer class recitation conflicts by the members of the staff.

Plans are under way for a Heppnerian staff party, and final arrangements will be completed soon.

Town vs. High.

The Heppner women's team and the girls' high school team met in a battle Monday evening, January 30, preceding the boys' town teams of Heppner and Lone, at Heppner. The score was 8 to 9 in favor of the school.

The high school team, ahead during the first quarter was substituted by their sub team the second and third quarters, resuming their place again the last quarter.

The line-up:
 School: H. McDaid, J. Allstott, E. Morgan, E. Swindig, K. Bisbee, R. Doherty.
 Town: S. Hiatt, M. Ritchie, J. Erwin, A. Smith, Mrs. Smith, R. Neill.

Personal.

Miss Edie has chosen the operetta for this year. It is called "Tulip Time" and the setting is in Holland. It is full of light and breezy comedy and gay tunes. A resume and the cast will be given later.

Hazel McDaid and Margaret Notson were absent from school Monday on account of illness. Both girls returned on Tuesday.

High School Girls' Basketball.

The high school girls journeyed to Lone Saturday evening, January 28 to play basketball. They were defeated

16-22. The lone girls "team work" got the best of the Heppnerites and although the locals had the ball most of the time, they could not make baskets as accurately as they might have.

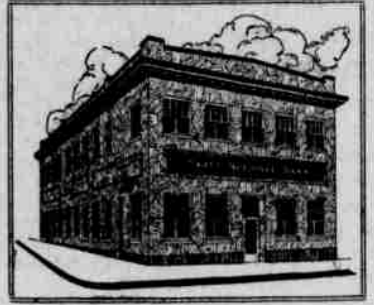

The line-up:
 Heppner: H. McDaid, J. Allstott, E. Morgan, E. Swindig, K. Bisbee, R. Doherty.
 Lone: R. Fletcher, G. Brashers, L. Miller, T. Morgan, L. Ritchie, A. Farrens.

JOKE.

John C. (after playing the piano): "That was 'Kitten on the Keys!'"
 Bob T.: "Hey! Call the janitor and order the cat outside!"

Orrin B.: "What a horrible noise comes from your radio."
 Stanley M.: "Well, I guess you would make just as bad noise if you were coming out of the ether."
 Paul H.: "Just to think, every time I breathe somebody dies."
 M. Green: "Better try Listerine."

THE DETAILS OF HOUSEKEEPING MADE EASY

Women who do not have a checking account are handicapped in looking after the many details of housekeeping.

They never have the right change.

They often misplace their money and lose a lot of time looking for it, invariably a little is put here and a little there, etc.

This is not good management.

Get your change together, come to our bank and start your checking account and handle your affairs in a businesslike manner and you will have a convenient, safe and satisfactory system.

LESSON No. 15

Question: Why is emulsified cod-liver oil so important as an added ration with milk in the diet of children?

Answer: Because when it is mixed with milk it makes milk a more efficient rickets-preventing food and builder of strong bones. Children like it best in the form of
