

WE BELIEVE—

That Morrow County offers today greater opportunities and greater advantages to the prospective settler or investor than any locality in the West.

We are now on the verge of the greatest era of prosperity ever recorded.

Welcome to Morrow County The Land of Opportunity

On a solid foundation we have built for you who are to come.

We join with others today in sending to you of the outside world this message of welcome.

You are invited to visit, to investigate our claims, and to make your future home in Morrow County.

This space contributed by the city and county officials and professional men of Morrow County in the interests of progress.
