The Home of

WHITE RIVER FLOUR

We grew with Morrow County. The history of this firm has been one of constant growth and continuous expansion. Through our facilities we are enabled to render every service to our growers.

The Heppner Farmers Elevator Company stands for those things that make for progress and development and has every confidence in Morrow County as eventually the greatest

general farming country of them all. We join with others today in welcoming you to Morrow County. The country where the farmer succeeds.

FARMERS ATTENTION!

Now a source of economical supply for your Dairy and Poultry Feeds, Egg Maker, Scratch and other mixed feeds.

We Have Just Installed—

the latest and most highly improved ATTRITION GRINDING MACHINE and large capacity mixer, which enables us to furnish the farmer with all mixed feeds formerly imported at a high price, at a very low price. ☪ ☪ ☪
