PICTURES IN LIBRARY.
 The students of Heppner high school are fortunate in having a series of pictures or manuscripts in the library. These are a series of very rare manuscripts. One is a part of the Koran, a second is an old Arabic manuscript written about 900 A. D., another is a part of the first edition of Shakespeare and a fourth is the work of a very famous man who first translated the Bible. These leaves of old manuscripts were obtained from a society in New York.

ORCHESTRA.
 A meeting was called February 2 for those interested in instrumental music, by Miss Ede, for the purpose of establishing a school orchestra. The following responded to the call, naming their instrument: Claud Conder, cornet; Ruth Missidine, cello; Margaret Missidine, Harry Wells, Ellen Morgan and Clarence Erwin, violin, and Stanley Minor, drums. Miss Ede is trying to arrange practices on every Wednesday evening.

VALENTINE BOXES.
 A Valentine box was one of the attractions of the program given by the Booster club Tuesday afternoon, February 14. Boxes were prepared by each class.

PERSONALS.
 Stephen Thompson was a patient at Morrow General hospital because of blood poisoning. He is now improving rapidly. Steve has had many visitors, and we are told that they were not boys, either. Our student body treasurer will probably be out of school for two weeks.

Another senior who is seriously ill is Claud Conder. Claud has a painful gathering in his head which has caused him to lose much sleep.

Mary Thomson has been ill recently. Mrs. J. J. Pearson returned to her home the last of the week. She has been visiting her daughter, Miss De Loris Pearson, teacher in H. H. S.

Merle Becket, one of last year's graduates was a visitor at the school Monday afternoon. He listened to the senior English themes.

OPERETTA NEWS.
 The annual high school operetta has been chosen. "Tulip Time" is the name of the play. The subject of the play is a little different than usual, this being a Dutch play.

The cast has not been definitely picked and will be announced later.

The village of the story follows: The village, enjoying a holiday, is startled by the arrival of a party of American tourists, college students under the leadership of Professor McSpindle, a tutor in botany to study tulip culture. Two of the party, Ned and Dick are much more interested in Christina and her friend Katinika. News reaches the village that a thief has been stealing choice bulbs of prize tulips and a handbill describes the thief and offers a reward for his capture. Ned and Dick induce McSpindle to wear certain clothing answering the description of the thief. When the burglar beholds McSpindle so attired he causes his arrest. With McSpindle out of the way, Ned and Dick promote their friendship with the girls and learn that Christina's stock is unknown to her, of immense value. They reveal the truth to her and thwart the Burgomaster's attempt to grow rich at her expense. With the assistance of Christina's Aunt Anna, the innocence of McSpindle is established and the latter declares his affection for her; and with the prospect of a triple wedding, the final curtain falls.

ENGLISH NEWS.
 A contest between the English students is being conducted by Mrs. Smith. The students are writing on the life and achievements of Abraham Lincoln, the reward for the best theme being a bronze medal given by the Illinois Watch company. The papers will be judged this week and the medal will be given away next week.
