HIGHLIGHTS OF THE OPERETTA.

Miss Eda, music instructor of the school, has made her decision for the cast of the annual operetta, given by the high school. The name of the musical play is "Tulip Time," a very catchy Dutch operetta.

The cast, as they first appear in the setting, are: Hans, a young Dutch apprentice, who is represented by Ellis Thomson, who ably furnishes most of the comedy, as can be gathered from the opening words of his entrance on the stage. "Refrain, desist and stop! Leave off, and also cease!"

The part of Aunt Anna, Christina's guardian, is to be played by Margaret Notson. Katinka, a village maiden, will be acted by Anna McDaid.

Christiana, a charming Dutch girl, is played by Patricia Monahan. Theophilus McSpine, an authority on botany and in charge of a group of students from America, is acted by John Conder.

Ned Baxter, an American college student, is royally upheld by Gerald Slocum who falls in love with Christina. Dick Warren, a fellow student of Ned, is represented by Robert Turner, and he too gets the tulip fever, and falls for Katinka.

The remaining cast is worked into choruses of Dutch villagers and American students, under the direction of Miss Eda.

Begin planning now to attend this super-entertainment Heppner's annual music festival.

SOPHOMORE CLASS PROGRAM. The program given by the sophomore class Thursday, February 23, was enjoyed by all who attended it.

DEBATE. Heppner was unanimously in both debates with Umatilla Thursday, February 23. The question for debate was: "Resolved, that the jury system be changed so as to permit a verdict by less than unanimous ballot."

PERSONALS. Mrs. Roy Missidine was at school on Thursday, filing certificates of application for credit on outside music study.

CLASS NEWS. The English II class has just finished the play "Julius Caesar," by Shakespeare.

GIRLS' BASKETBALL. All scheduled basketball games for the girls have been played. The last one was with Lexington, on the home floor Wednesday, February 22.

Exam Exemptions.

The Heppner staff members who make a "C" grade average in their class work and who perform satisfactory work with the staff are exempt from the six-week exams.

GRADE NEWS.

Lydia Ulrich returned to school Monday, having been absent a week because of illness.

Mrs. Dix, second grade teacher, is giving the various grades standard achievement tests. These tests cover every subject the students take and are in the form of intelligence tests.

Nina Cox who has been absent from school for several weeks because of appendicitis, returned to school Monday and will continue the work for the remainder of the term.

Howard Cleveland returned to school Monday after having been absent for several days with the flu.

Arthur McAtee returned to school Monday after having spent the past week in Corvallis with his mother, who was called to that place by her brother's illness.

Edna V.: "Say, what is the quickest way to get a book out of that library?" Gerald S. (in quick reply): "Multiply the area of the base by the altitude and you will get the volume immediately."

Mr. Burgess: "I'm getting some rare work from the new freshman." Mr. Johnson: "Rare? You mean not well done?"

Harold G. (combing his hair): "Look, my hair is full of electricity." Delvin A.: "Why, of course; it's connected with a dry cell."
