

BOARDMAN

Boardman has a reputation of giving good home talent plays and each year there are several presented, but of the many seen here in the past none has equaled that given Friday night, March 9, by the high school. The 4-act comedy "Clarence" by Booth Turkington, was the vehicle selected for displaying their talents, under the capable coaching of Miss Lavelle Leathers, and the boys and ladies put on this difficult play in an excellent manner.

Ray Barlow in the title role was the star of the play and his acting was superb. Linda Hango as Mrs. Martyn made an efficient secretary for Mr. Wheeler, played by Russell Mofford. Rachel Johnson played opposite him, and Buster Rouns and Helen Chaffee as Bobby and Cora Wheeler, quarreled as brother and sister usually do. Helen Chaffee as Violet Penny, the popular governess played her part very well. Although playing only minor parts, Nellie Dillon as Della, Carl Wicklander as the butler, and Alvin Mofford as Hiram Stem added much to the success of the play. Miss Leathers is deserving of great credit for her work for this was a play such as is usually given only by a large high school. The features between acts were especially enjoyed. A group of singers consisting of Miss Ellen Henry, Mrs. Marichat, Mr. Dillon, and Mr. Marichat, gave a varied number of selection and were enthusiastically received. A motion picture of four small folks from Miss Henry's room was especially pleasing. Singing were Helen Mear, Mary Smith, Norma Rainville, and Wilson Dexter. T. Hereim, Jr., gave a recitation between the first and second acts.

The O. V. R. & N. has put on a caretaker at Boardman at first to handle express and mail. This will enable them to give proper attention to shipments of baby chicks, etc., which arrive at night, and will be a help to passengers leaving or arriving on night trains. Orville E. Hines, the local barber, has been appointed caretaker and is able to handle his barber shop also. This arrangement should keep a barber here, as there is not sufficient business in the barbering line alone.

Abe Hanson, the well driller, spent Sunday in Goldendale. He is drilling on the Bates ranch, and had reached a depth of 75 feet but was still in rock. Mr. and Mrs. Lloyd Bickford, Mrs. M. E. Bickford and Mrs. K. L. Hedgren of La Grande were recent visitors at the Howard Bates home.

Marauding dogs got into the rabbit hutch belonging to Mrs. Geo. Gross on Saturday and killed her pet, a big Chinchilla buck and a number of other rabbits.

The Grange gave a card party Saturday night at Root's hall, and although the attendance was not large, a good game was enjoyed. High honors went to Mrs. R. C. Mitchell and Chas. Barnes and consolation to Mrs. Leo Root and Clarence Berger.

Bob Mitchell has gone to Klickitat and is working there for a time. Mrs. Chas. Dillon has been ill with pleurisy but is gradually improving.

John Pruter and Elmer Westfeldt drove to Portland Sunday. Mrs. W. H. Mofford has set her incubators with 600 Buff Minorca eggs this week.

A number of Boardman people have been getting prune trees from Chas. Wicklander who has a nursery stock and received orders to dispose of the trees. They were given free to those who came for them.

Alec Wilson spent several days at the hospital in Hermiston as a result of an infection in his hand caused from a recent affray with Glen Carpenter. It seems that the men got into a dispute over a cow and came to blows. They were separated but not until the damage was done.

Dan Ransier has been having a crew cleaning ditch and laterals, getting ready for irrigation. The water will be turned on the last of the week.

Harvey Huff is enjoying a visit from his mother who came up from Dufur the last of the week. Mrs. Royal Randa was a Pendleton visitor on Saturday.

Adolf Skobo has been having an infection above one of his eyes which caused much pain for a few days but is clearing up. This was above the eye which he lost three years ago.

One of the gayest parties was that given Saturday night by Mr. and Mrs. C. S. Calkins when they entertained the teachers. Music and games were the evening's diversion, and a lovely lunch was served. Invited guests were Mr. and Mrs. W. O. King, Mr. and Mrs. L. E. Marichat, Mr. and Mrs. Z. J. Gillespie, Mr. and Mrs. Brice Dillabough, the Misses Boughner, Falk, Leathers, Chapman and Henry.

Mr. and Mrs. W. H. Mofford motored to Portland on Wednesday, taking a load of produce down. He will go again Wednesday of this week.

Mrs. O. B. Olson and Mrs. Chas. Hango entertained the Ladies Aid on Wednesday, March 7, at the Hango home. A large number attended. A short business meeting was held and later a social hour enjoyed. A most delightful luncheon was served. The next meeting will be at the church, March 21. Prices motored to Pendleton Sunday night and took in a show.

Mr. Van Meter, foreman of the coal docks at Mesner, is reported to be ill in the Dalles hospital. Mrs. Van Meter is with him.

N. C. Jamieson, Extension Dairy Specialist from O. A. C. was in Boardman on Monday and talked to the dairymen on subjects of interest at Root's hall Monday evening. Abortion, succulent foods, concentrates, diseases of the dairy cow and other subjects were discussed.

Boardman will have an opportunity of hearing a good musical program on Saturday night, March 24, when the De Mose Entertainers will give a concert. The De Mose gave a concert here six years ago but have not been here since and the manager reports their program and playing as better than ever.

Mrs. Sybil McMillan of Waco visited Sunday at the Ballenger home. Lee Mead is welding the paint brush on his garage.

W. A. Goodwin is confined to his bed in the hospital at Heppner. His son, Charles, was over to see him the latter part of the week.

Mr. and Mrs. Z. J. Gillespie, Mr. and Mrs. Claude Coates and daughter Echo and Carl Doring were guests Sunday at a lovely dinner at the Lee Mead home.

Mr. and Mrs. Glen Hadley and Mrs. Lowell Spigle motored to Pendleton on Wednesday.

The Auxiliary met on Thursday night at the home of Mrs. A. Porter. About a dozen were present and a social hour was enjoyed. A lovely lunch was served by the hostess. Present were Mesdames Davis, Macomber, Root, Goodwin and the hostess.

Mrs. Moyer was taken quite ill with heart trouble and on Thursday her parents, Mr. and Mrs. Geo. Mead, living near Heppner, came over and took her to their home.

Assistant County Agent Jenkins of Hermiston and Mr. Bessee of O. A. C. called on a number of the farmers last Thursday and in the evening held a meeting for the discussion of the farm account books. This was in the nature of a "follow up" meeting of the farm account school started here in December.

Bert Richardson is some better but still unable to do any work. On Monday the men of the east end went to the Richardson ranch and did the spring toothling, cleaned ditches and other work. This act was characteristic of the friendly spirit of the Boardman people. Mrs. Adolf Skobo and Mrs. Richardson prepared dinner for the men.

CAPTORS GET REWARD. According to reports contained in the papers the past week, the committee at Los Angeles in charge of the distribution of the Hickman reward money gave fifty per cent to Tom Gurdane and Buck Lievalen, on a 50-50 basis. There were a number of other claimants to whom the remainder will be given. The total reward money was around \$50,000.

HEPPNER PRESENTS COMEDY.

Candon Globe-Times.

"A Prairie Rose," a comedy drama was presented by local talent of Heppner under auspices of the Frank Burns Post American Legion before a crowd that occupied every seat in the Liberty theater Friday evening. Every actor played his or her part well and although the entertainment was nearly three hours long the audience never lost interest in the thrilling comedy, which at times brought down the house with laughter.

The parts carried by Miss DeLoris Pearson as Rose Wilder, and C. J. Walker as Silas Wilder, the uncle and deaf old ranchman, were considered the heaviest of the cast, although the parts were well balanced. Others taking part were P. M. Gemmill, James Thomason, Crockett Sprouls, F. B. Nickerson,

Patrick Mollahan, Phillip von Lubken, Anne Murray, Mary Patterson and Martha Wilson.

Heppner Hunter Has High Count on Coyotes

From the Oregonian of Friday we have the account of the February report of the U. S. Biological Survey hunters, and this report shows that Adam Knoblock of Heppner was high man in the scoring for coyotes turned in. The report follows:

Thirty United States biological survey hunters worked all or part time during February and turned in the skins or scalps of 145 adult coyotes, 41 adult bobcats, 30 coyote

pups and 24 bobcat kittens. The hunters turning in the most animals were A. J. Knoblock, Morrow county, 18; H. J. Roosa, Lake county, 17; T. King, Grant county, 11. In addition to the predatory animals three badgers and forty-three porcupines were killed.

Most of the hunters are now shifting from poison operations to trapping. They will be kept busy on and adjacent to the principal lambing grounds throughout the sheep-raising areas of the state.

The work has been conducted in co-operation with the Oregon state

livestock sanitary board and various county courts and livestock associations throughout the state.

Although no definite reports of rabid coyotes were received from the district during February there is now an epidemic of rabies reported from southern Baker county. It is handled by the livestock sanitary board.

Squirrels are reported to the biological survey to be showing up in all parts of the state. Several county agricultural agents have reported abnormally large sales of squirrel poison.

Can You Find Your Papers

—IN AN EMERGENCY.

Have you ever suddenly needed certain papers for some business emergency, and been unable to find them? Have you ever searched through the trunk or desk vainly hunting a missing document? This has happened to many people with losses in dollars and opportunities that are staggering.

How unfortunate it is, when a Safe Deposit Box for the convenient and safe storage of valuable papers would have prevented such losses. Many men and women are now keeping their valuable papers and jewelry in Safe Deposit Boxes in this Bank. And we highly recommend that you, too, adopt this plan of making sure that you can find important papers at a moment's notice.

The cost is trifling—as low as half a dollar. The cost is trifling. And you know that your papers are SAFE. The convenience, too, is worth many times the slight yearly charge for a box. We'll be glad to show you our vaults. You will be impressed with the precautions taken for your safety, and you'll readily understand why so many folks are using them. Come in soon.

WHAT A REXALL ONE CENT SALE IS

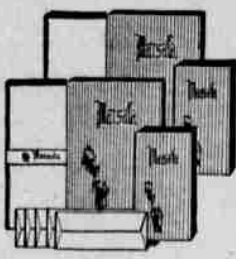

It is a sale where you buy an item at the regular price, then another item of the same kind for one cent. As an illustration: The standard price of Kleenex Dental Creme is 50c, you buy a tube at this price and by paying 1 cent more, or 51c, you get two tubes. Every article in this sale is a high class, standard piece of merchandise, just the same as is sold every day at the regular price.

This sale was developed by the United Drug Company as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full size package of high standard merchandise for 1 cent. It costs money to get new customers, but the sacrifice in profit is justified, knowing the goods will please you.
