The second grade had perfect attendance, every pupil being present on Monday, April 2.

### Singing

### Six Weeks Exams

The regular six weeks exams of this semester will be given Tuesday, Wednesday and Thursday of this week. Heppnerian reporters having an average of "C" are exempt from the six weeks examinations.

### Interesting Men

That he had been urged to run for president of the United States but that he had declined because he was too tired to run, was the statement of Paul Revere, famous Minuteman of the Revolution who appeared before the English II A class Wednesday.

Other famous characters who appeared before the class were Charles Lindbergh, Abraham Lincoln and Grover Cleveland. These characters were the result of the assignment "Let's Play Like."

### HARK YE!

(Weather Broadcast for Coming Week.) Yesterday, Principal Johnson shed his red flannels, a sure sign of spring. The arithmetic and Latin shark, Mr.

von Lubken, says his lumbago and gout has increased in severity. You told us that his lumbago is a sure thing when spring comes.

The students have the spring fever and even Mr. Burgess is continually looking out his windows toward the golf course.

According to the above calculation and the signs of the Holy Order of the Dumbbells and Dictionaries, there is a general trend toward some fine weather for the next few days.

### Junior Program

The juniors are next on the list for the assembly stunt. There hasn't been much heard of their program, but gossip says that it is going to be in the form of a "negro minstrel," which always are amusing and entertaining. The entertainment will be on Friday, April 12.

### Humor

Claud C. (Speaking of economics): "Didn't you know that money is not the only thing to be striven for?"

Gerald S.: Maybe not, but a whole lot of people think it is and I'm not egotistic enough to try to set any new fashion."

Mr. von Lubken (In algebra class): "Now, how can we get rid of these two x squares?"

Bruce G.: "Use an eraser."
