### Heppner Defeats Ione

The Heppner high school baseball team added another victory to their league standing when they defeated Ione 1-5, Friday.

The game was hard fought from start to finish. Heppner succeeded in getting three runs the first inning, and two more later in the game.

Both teams displayed a good brand of baseball throughout the game, neither team getting runs during the last innings.

The local boys will play Condon at Condon, Friday, April 28.

If Heppner wins this game and no other team in the league has won all its games, the boys will automatically become the champions of the Upper Columbia league. Accordingly if another team in the league has succeeded in winning every game played, Heppner and this team will play for the championship.

The line-up used in the Ione game follows:

HEPPNER	AB	R	H	E
Slocum, 1	5	1	0	1
R. Turner, 2	5	2	1	0
Thomson, m	5	1	2	0

Bill Ford, Ione town pitcher umpired the game and Gordon Bucknum was score keeper.

### Grade News

Jimmy Gemmell of the first grade is absent from school on account of sickness.

The second and third grades are working on an apple blossom drill. They are busily engaged in making costumes for flowers, brownies and frogs.

May 1 is the date which has been set when the May queen will be elected.

The following officers were elec-

ted in the fourth grade: president, Marjorie Parker; secretary, Loyd Burkenbine; doortender, Marvin Casebeer; boards, Mary Knoll and Ruby Northness; flowers, Hubert Albee; room-tender, Olivia Baldwin; leaders, MeriDee Brown and Charles Cox; doctors and nurses, William McCaleb, Marshall Fell, Genevieve Hanna, LaVerne Van Marter and Beth Vance.

The sixth grade has begun reviewing in almost all of their subjects.

The following officers were appointed in the sixth grade: board monitors, Della Ulrich and Jennie Swindig; sanitary squad, Annabel Turner, Billy Thomson and Reese Burkenbine; flower-tender, Lorena Wilson; chalk monitor, Louis Gilman; eraser monitor, Bill Schwarz; ball and bat monitor, Farris Prock.

### The Typing Exhibit

The typing, bookkeeping and shorthand classes are planning an exhibit of their work. The best work will be placed on the walls of the commercial room for the benefit of all who might be interested in the various kinds of work the classes are doing.

The classes have been putting forth some fine work in this line under the supervision of Miss Pearson, and the exhibit will no doubt be good.

### Declamatory Contest

Mr. Burgess reports that there are more schools entering the Morrow County Declamatory contest this year than ever before.

Irrigon, Boardman, Ione, Lexington, Hardman are the towns that have entered besides Heppner. Many country districts have also entered.

Prospects of the inter-county contest to be held with Umatilla county have had a great deal to do with the large contest here.

The contest will be held in the gymnasium-auditorium in Heppner, Saturday, April 28.

### Operetta Tickets

No doubt the local shoe dealers will be kept at their work benches for long, endless hours at a time repairing the shoe soles of the students who sold tickets for the annual high school operetta, "Tulip Time." Practically all of Heppner has been canvassed in the mad rush.

The campaign began Thursday, April 19, under the supervision of Mr. Johnson. The various classes met and elected a committee of three to handle the ticket selling.

Tickets were then given out to those of the classes who wished to sell and the town was divided into separate class districts.

Then came the rush! "Freshies" were seen out in the snow storm, hastening from door to door, thus winning first place when the first report was given Friday morning.

The second report was given Monday with the freshmen still holding first honors.

The last report given Tuesday morning was as follows: sophomores 55, seniors 50, freshmen 49, juniors 38. This makes a total of 192 tickets from the high school student body.

### Personals

Heppner turned out to be well represented at the Christian Endeavor convention held in The Dalles last week beginning on Thursday.

One party composed of Ella Fell and Jeanette Turner went down with Mr. and Mrs. Milton Bower, and Iva and Edna Boggs. Alva McDuffee went down with E. G. Sigbee's party but returned with the Bowers.

The other group was composed of Mrs. J. P. Conder, Harlan Devin, John Conder, Claud Conder and Ellis Thomson. The people in the Bower car returned home on Saturday afternoon and the others on Sunday.

### Office News

A new ediphone was recently installed in Superintendent Burgess' office at the high school. The ediphone provides a very efficient method of giving and receiving dictation.

The school wishes to extend sincere thanks to Mr. and Mrs. Lester Doolittle for the valuable gift they presented to the school library.

The gift, which is back numbers of the National Geographic magazine for several years, will be bound and placed in the library for future reference and study.

### Civics Examination

A civics review test was given to the civics class last Friday morning by Mr. Burgess. This test is being established in order to determine the amount of civics learned by the individuals of the class. Since the examination was exceedingly long, the students were allowed the entire morning to finish the test.

### Singing

No assembly singing was held at the gymnasium last Friday, April 20, because Mr. Johnson, the high school principal and coach of the baseball team, had gone to Ione with the baseball boys before 3:15 p. m.

### Physical Examinations

On May 13, a pre-school clinic will be held here. Two officers of the state board of health, with the

assistance of the two local doctors, will present, free of charge, to all children who are under school age, the physical examinations. Anyone having children about to start to school, is advised to have them given this examination.

## Hints for the Home

by Nancy Hart

During the hurricane of house-cleaning many a wall will be measured for a new paper coat. And it must be becoming, for it will have to be worn for a year or two.

In choosing wall paper patterns, north and east rooms should have colors in the warm sun tones—never cool blues, grays or greens, which belong on the sunny side of the house.

When the rug, draperies or upholstery are re-figured, walls should be relatively plain, and vice versa. Where there is a cherished antique or two in the room, it is very good decorative sense to choose paper in harmony. Thus, for example, the fine old secretary, pie-crust table or Sheraton chair find in Colonia, wall paper a friendly background against which to show themselves.

If chosen thoughtfully, with regard to the keynote of the room, the most inexpensive paper is charming because of its freshness and artistic harmony.

### A DAINTY COMPANY DISH

For Sea Food au Gratin, prepare white sauce, using 1 tablespoon flour, 1 tablespoon butter or margarine, and half pint of milk. Butter baking dish, add layers of tuna fish, lobster, shrimp, or any cooked fish. Pour over white sauce, cover with grated cheese and buttered crumbs and brown lightly.

### ECONOMY IN CAKES

Cake ingredients are costly—so it never pays to take risks in baking. Many a cake falls because the flour used is too heavy for this purpose. Prepared cake flour is much lighter and fluffier than bread flour, and because uniformly successful, is an economy in the end.

### REMOVING MILDEW

If mildew stains are soaked for several hours in a weak solution of chloride of lime, then rinsed in cold water, they will disappear.

### RELIEF FOR IVY POISONING

Apply olive oil over parts affected by ivy poison or bee sting and relief will instantly follow.

### MAKING BUTTONHOLES

A good way to make buttonholes straight and neat is to sew the stitches all around first, then slit the hole with a razor blade. This makes the buttonhole look trim and tailored.

### REVIVING DEAD FERNS

Sometimes ferns that look dead can be revived by placing the pots in hot water and letting them stand until the water cools.
