X *S. E. Notson*

In discussing the candidates for nomination for Representative, the Oregon Voter said concerning Mr. Notson:

"S. E. Notson of Heppner has a war record and a record in office and in politics that makes him a formidable contender. His war record consists not only in the contribution of two patriotic sons, one of whom enlisted before a state of war was declared and the other immediately thereafter, but in his capable energy in war work. What Notson did in war drives will not be forgotten by those who were associated with him. He was on the job day and night, with industry and fervor, and showed capacity for leadership. IF ELECTED, HE WOULD PROVE EFFECTIVE IN CONGRESS."
