Dr. Frank Crane Says:

FAT

THERE USED to be a line in a play that went, "Nobody loves a fat man."

At least nowadays no woman wants to be fat.

There is just one cause of fat, however. People should remember that they never put anything on their abdomen or hips in the way of fat that does not come through their mouth in the way of

It is nice to talk about these things and it is less humiliating than to admit that we eat too much.

The real cause of fat is that we eat too much and live too much

If some of the ladies who complain of too much obese tissue would make a practice of taking the broom and sweeping the floor and getting down on their knees and mopping up the kitchen and doing the family wash, they would speedily recover their

The candy habit grows and grows. No better cure for an enlarged abdomen can be found than bending over a wash board and no better cure for piano-shaped

legs than plenty of walking. If we would get down to the simple life and move about more and eat less our figure would show it.

Exercise for the sake of exercise is pretty hard to take, but exercise performed in the course of one's daily duties is not so

One ought to arrange one's life as much as possible to wait on one's self. The necessary action of the body in attending to one's needs will have a great effect upon one's shape.

I met a man in Paris some years ago and when I asked him on behalf of a friend where a good valet could be secured he replied that he did not know about valets, as for some years he had been trying to see now many things he could get along without and how many things he could get.

See how much you can do without and arrange your life as much as possible so that you have to wait on yourself and you will not have much trouble with your figure.

May 18th, 1928.

Senators denounce the high price of books

Mr. McKellar, from Tennessee says: "Novels worth 'two bits' can not be bought for less than \$2. . The price of novels is not so important. But the high cost of books containing positive knowledge, that would enable uneducated millions. (including many college graduates) o educate themselves, is disastrous.

That a book should be sold for four or five times what it costs to produce it, is as bad for the pub-lisher and for the author, as for the eading public.
When will American business.

generally, learn that big sales with small profits, as shown in the automobile industry, are most profitable.

Lindbergh took thirty-six young files, a instalments yesterday, giving those charming creatures something to talk about forever. Women may thank the good Lord

for granting the flying machine. They can fly on the average as well as any man, and the airplane is another step toward real equality.

Effort to abolish the unwise tax might thus be eliminated. Effort to abolish the unwise tax on automobiles develops the fact

that the Government collected a thousand million dollars from automobile owners and spent only six hundred millions on better roads not fair to the men that pay for the cars, "war tax included." The war ended some time since
