

**BOARDMAN**

A Buick sedan driven by Mrs. Eugene B. Lavre of Spokane was wrecked Saturday at 6:30 p. m., three miles west of Boardman on the Columbia highway, when a rear tire blew out. The car turned over several times and the occupants were thrown out. A son about 16 years of age was seriously injured and died Sunday morning at the Pendleton hospital. A woman in the party whose name was not learned suffered a fractured hip. Mrs. Lavre was driving the car and she and her daughter, Maizie, were scratched and bruised but not badly hurt. The Lavres were enroute to their home in Spokane from a trip to California where Miss Maizie had been attending school. The father is in New York at present. Mr. and Mrs. F. A. Fortier were just returning from Alderdale, shortly after the accident occurred and rendered what aid they could, taking charge of the baggage and belongings.

An accident that might have been fatal occurred Friday afternoon at the viaduct above Messner when a car registered to M. J. Bartel of Pendleton was driven headlong into the wagon load of wood driven by G. A. Harju and his sons, John and William. The car, a Chrysler, was wrecked and the hood left hanging on the load of wood. No one was injured but all were bruised. The wagon and harness were both completely wrecked. The team ran away with the front part of the wagon, wood flying in all directions and just how anyone escaped serious injury is a miracle. The driver was confused by the approach of another car and there was not sufficient room for the cars to pass. The driver agreed to pay damages.

Helen Mead spent several days at the Dalles visiting her grandmother.

The Silver Tea was held at the home of Mrs. W. O. King on Wednesday, June 6, with Mrs. Calkins' committee in charge. Thirty-one ladies were present. A few games were played and a clever original poem written by Mrs. Glen Hadley was read by her. Strawberry shortcake and iced tea was served with dainty little orange and green candy cups, the handiwork of Mrs. Lee Mead, Helen Mead and Alice Calkins, were given as favors. Hostesses were Mesdames Calkins, King, Kristensen, Mead, Hereim, Humphrey and Hadley. The next Silver Tea will be given by Mrs. A. P. Ayers and her committee and will be given at the Jenkins home the first Wednesday in August. The July meeting fell on Independence Day, so will be omitted.

Mr. and Mrs. Z. J. Gillespie went to Lewiston and Clarkston last week. Mr. Gillespie has returned but his wife may attend normal there.

Evelyn Mefford was sick with a severe sore throat all last week.

The Meads and Kings celebrated their wedding anniversaries on Sunday evening with a lovely dinner at the King home. The Meads have 13 years of married life to their credit and the Kings ten.

Miss Ethel Beougher had a narrow escape in an auto accident a few weeks ago when going to her home from Toledo, Ore. Her sister, who was driving, was stung on the hand by a bee and the car turned over. Miss Beougher was bruised and her sister scratched.

Mrs. James Moyer is convalescing from an operation Thursday at the hospital in Heppner. The Moyer family all motored to Heppner Sunday to see her.

Mr. and Mrs. Jess Matthews of Echo were overnight guests Sunday at the Kunzie home. Mr. Matthews is one of the shoemakers. On Monday Mr. Kunzie left for Drummond, Montana to shear.

Danny, the small son of Mr. and

Mrs. D. F. Ransier, was ill last week with tonsillitis and was taken to the doctor at Hermiston.

Elsie Francis Wilson went to Heppner to visit for a few days with relatives.

Mrs. M. L. Morgan and sons Bobby and Billy visited at Echo for a week with her sister, Mrs. Neal Bleakney and family.

Mike Marshall is taking treatments at Hot Lake.

Mr. and Mrs. Fred Mankin of Ione stopped for a short visit at the Gross home Sunday afternoon.

Mrs. S. H. Boardman conducted the 6th, 7th and 8th grade examinations last Thursday and Friday.

A juvenile grange is to be organized here and on Saturday evening, June 16, a special program for the children will be given at grange. Mr. Gekeler of La Grande will be present. A good attendance is urged.

The Home Economics club met with Mrs. Ed Kunzie on Wednesday of this week.

Mr. and Mrs. Frank Ackerman and Mr. and Mrs. Walter Stewart and seven children came Saturday night for a week-end visit at the Jack Gorham home on their way to Portland from Montana. Mrs. Ackerman is a sister of Mr. Gorham.

Mr. and Mrs. James Wilson of Oakland, Calif., Mrs. Rachel Evans and Mrs. Hannah Jones were all day guests Sunday at the Robert Wilson home.

A. P. Ayers and W. H. Mefford left Sunday night for Portland in the Mefford truck with a load of lambs belonging to Ayers and I. Skobbe.

Nellie Dillon returned from a pleasant trip to Portland and Monmouth. She was absent about two weeks.

Miss Catherine Berger, who has been attending normal at Monmouth is expected home this week.

Mrs. Ray Brown and daughters Mabel and Katharine and Eldon Wilson motored to Ellensburg Sunday, where the girls will attend normal this summer.

John Jenkins who is shearing with the Montague crew, was home for the week-end.

Glen Hadley, who went to Montana with a shearing crew, decided to return home. The weather was so cold that the sheep had to be left with some wool on them, and after shearing clean it is a difficult matter to shear the other way.

Aid will meet Wednesday, June 20, at the church. Everyone invited.

June 18 is the date for the annual school election. C. S. Calkins has been prevailed upon to run and will probably not have any opposition or at least should not. He has been on the board the past three years and has handled the position as capably as anyone could have.

The only criticism heard was regarding the gymnasium, the appearance of which is displeasing to many, but Mr. Calkins was only one member of a committee of five, each of whom is equally culpable for the

error, which apparently consists of having expended too great a sum on the roof which does have the appearance of a dairy barn and is lacking in floor space for showers and such facilities—but so be it. "It is done and the keen interest Mr. Calkins has taken in the school, having attended every board meeting, should overbalance by far the error of which Mr. Calkins was only one-fifth responsible."

Harry Murchie of Seaside was a business visitor here this week.

Mr. and Mrs. Van Meter of Messner are parents of a fine baby daughter, who arrived Sunday.

Mr. Walpole of Irrigon was a Boardman visitor last week.

Jim Howell is home from O. A. C. He will complete his work next year.

A forced sale was held at the Island, Tuesday, June 5. The hay, hogs and horses were sold to satisfy claims against the company. Operation will be resumed again this week. It is reported, and water will be pumped on the alfalfa, already seeded. It is to be hoped that this company can be salvaged, as too much has been spent to lose it.

Mrs. Peter Farley has been taking a course of treatments at Heppner. She was over again the last of the week.

Geo. Agee plans to leave this week for a trip to Bend and later to the Valley.

A. W. Porter lost a good horse last week when the team ran away with the mower and cut off the hind legs of one of the horses.

O. H. Warner and Chas. Goodwin were visitors at Heppner to see W. A. Goodwin.

Dr. Rowe of Hermiston comes to Boardman on Wednesday night from 7 to 9, and Sunday p. m. from 2 till 4.

Mr. and Mrs. Lowell Spagle made a short visit to the Valley last week going down for berries.

Sunday was Children's Day and the church was decorated with many lovely flowers. The songs and recitations of the little folks were especially pleasing.

W. O. King, Ralph Humphrey and Frank Cramer were called for jury service this week.

A number of fine gardens are seen on the project. Ransiers have one of the finest. On June 4, the garden provided a vegetable feast, beets, carrots, new potatoes, green beans, lettuce and new peas. A good wind break is one reason for the excellent garden, plus a lot of hard work.

A neat lattice work arch has been built at the Peck's service station as a drive-way to the tourist cabins. A new cabin has also been erected.

The Standard Oil station has a new coat of paint, and the name of Boardman painted in big letters on the roof, with an arrow pointing north and south for the benefit of flyers who happen by.

Dr. Clarke, EYESIGHT SPECIALIST, in Heppner Sunday, June 24th, at Hotel Heppner. 13-14

**Rhea Creek Nutrition Meeting Well Received**

Miss Lucy Case, Extension Nutrition Specialist, has just completed the third of a series of meetings held at the Rhea Creek Grange under the supervision of the County Agent and the Home Economics club of the Rhea Creek Grange. These meetings were well attended and much interest was shown by the women of the community. At each meeting a demonstration of some kind was put on in which the ladies helped prepare the dishes and each afternoon Miss Case gave a talk on subject that would help the housewives in more systematic and scientific planning of meals and dishes. Probably the most important thing to come out of these meetings was the appointment of three ladies in each of the communities to try and have hot lunches served to all children not being able to go home for a warm lunch each day. The committees have been notified and are planning the work at the present time. Any other communities desirous of this work on nutrition or clothing especially, should get in touch with the County Agent immediately so that arrangements may be made for scheduling such meetings for next fall and winter.

**AUXILIARY MEETING.**

The regular meeting of the American Legion Auxiliary was held on Wednesday evening with 17 members present. The various committee chairmen reported and Mrs. J. D. Bauman read a paper entitled "Dear War Mothers," by General Fearing. The hostesses were Mrs. Chas. Cox and Mrs. J. G. Cowins. Mrs. Flory won the kitty. The Auxiliary wishes to thank the Camp Fire Girls for helping with the poppy sale, and also all the friends who donated to this cause. We also wish to thank the Camp Fire Girls for their help on Memorial Day and for helping sell candy during chautauqua. Adel Nickerson won first prize in the candy selling and Lucille Hall, second. The next regular meeting will be Tuesday, June 19.

**No More Gas In Stomach and Bowels**

If you wish to be permanently relieved of gas in stomach and bowels, take Baalman's Gas Tablets, which are prepared especially for stomach gas and all the bad effects resulting from gas pressure.

That empty, gnawing feeling at the pit of the stomach will disappear; that anxious, nervous feeling with heart palpitation will vanish, and you will again be able to take a deep breath without discomfort.

That drowsy, sleepy feeling after dinner will be replaced by a desire for entertainment. Bloating will cease. Your limbs, arms and fingers will no longer feel cold and "go to sleep" because Baalman's Gas Tablets prevent gas from interfering with the circulation. Get the genuine in the yellow package, at any good drug store. Price \$1.

**"Every last button in its place when washed with the NEW Maytag"**

**A** LONG with several other features of convenience, this latest Maytag incorporates a new method of soap and water removal—the safest, gentlest, but most efficient method ever devised. The top roll of the wringer is made of compensating rubber. This soft roll with large working surface rides on the firm bottom roll much like a balloon tire hugs the pavement. Instead of riding on the high spots, it penetrates every fold of the clothes the full length of the wringer. Everything is wrung thoroughly yet so gently that the most delicate buttons or filmy lace go through unharmed, and without pressing in hard-to-remove wrinkles. There is also a new safety feed—an exclusive Maytag feature. This new Roller Water Remover is exclusively owned and controlled by Maytag.

phone for a Maytag. Give it every test you can think of, under your own home conditions. There's no cost, no obligation. If it doesn't sell itself, don't keep it.
