Sam Stevens and wife passed through Heppner on Friday evening, being on their return from a visit at the home of Mr. Stevens in Missouri near Kansas City to their home at Oakridge, Oregon, where Mr. and Mrs. Stevens were engaged in teaching during the past year. They have been spending a month in Missouri and were making a record journey home. Leaving Kansas City on Monday, reaching Heppner on Friday evening they departed after lunch for Salem, which point they would reach on Saturday morning. Pocatello, Idaho, to Heppner was their drive Friday.

Mr. and Mrs. E. R. Lundell and three youngest children returned Friday last from a trip south through central Oregon and California to the Mexican line and Tia Juana. On the return trip they followed the coast route as closely as possible so that their journey of nearly 4,000 miles was over new territory both coming and going. They visited with friends and relatives en route, and among those met were the Mayne Moore family and Mrs. Cynthia Walker, former residents of Ione.—Ione Independent.

Mrs. Josephine Mahoney, who has been working in an abstract office at Eureka, Calif., for the past few months, arrived home on Sunday evening, expecting to spend a few weeks of her summer vacation with her mother, Mrs. Henry Howell. While Mrs. Mahoney has enjoyed her work at Eureka very much, she has found it rather difficult to get accustomed to the continual lack of sunshine at the coast city, and is glad to be back to Eastern Oregon.

Judge R. L. Benge and District Attorney S. E. Notson motored to Portland on Monday, where they went to attend the meeting of the state highway commission. Mr. Notson went on from Portland to Salem to spend a day or so, looking after matters of a legal nature. Mr. Benge hoped to be able to bring his son, Terrill, home with him. The young man has been in a hospital in Portland for a few weeks, receiving treatment for an injured hip.

The body of Frank Cason of Spray, who died at a hospital in The Dalles early Monday morning, was taken through Condon Tuesday en route to Spray for burial. Mr. Cason was born at Ione, August 20, 1877. He is survived by a widow, Elsie; a sister, Mrs. Ida Templeton of Spray; and three brothers, Charles Cason of Lonerock, Walter of Ione and John of Heppner.—Condon Globe-Times.

Wm. Ray Garrett of Condon and Laura Budd of Olex were granted license to wed by County Clerk Anderson on Saturday and were later united in marriage by Rev. F. R. Spaulding at the Methodist parsonage in this city, witnesses being E. L. Ayers and Opal Ayers, friends of the contracting parties. The home of the young people will be in Gilliam county.

Alfred H. Calder and Elsie L. Harrison were united in marriage by Judge E. R. Huston on Saturday evening, license having been granted them by Clerk Anderson. The young people expect to make their home in Heppner vicinity.

Dr. A. D. McMurdo spent several days in Tacoma this week, where he attended the meeting of the Pacific Northwest Medical association. He was accompanied on the trip by his son Teddy.

A number of the friends and relatives of Mrs. Ida Peterson gathered at her home Sunday in honor of her 85th birthday. There were present Mrs. Christine Troedson, Mrs. Ernest Lundell, Mrs. Otto Lindstrom, Mrs. F. A. Lundell, Mr. and Mrs. Henry Peterson, Mr. and Mrs. Oscar Peterson and children, Mr. and Mrs. Walter Dobyns and little daughter and Carl Troedson.—Ione Independent.

I. A. Dempsey was in the city a short time on Monday from the road camp at Jarmons on Butter creek. They are setting up the county rock crusher at this point, and now have the equipment about ready to begin work. Operation will start up about the middle of the coming week, and then the spreading of the crushed rock on the road will again be under way.

Mr. and Mrs. L. W. Briggs and Miss Opal Briggs plan on starting their summer vacation Saturday. Leaving Heppner they will drive to Chewelah, Wash., where Millard French, brother of Mrs. Briggs, resides, and from there motor to other points of interest in the state of Washington. They expect to be absent from Heppner a couple of weeks.

Mr. and Mrs. Raymond Ferguson and children Kay and Marylou, and Mr. and Mrs. J. O. Turner and son Don were guests of Mr. and Mrs. Everett Hayes and the O. G. Crawfords over the 4th. They returned to their home at Heppner this afternoon taking with them Jean Crawford who will visit there a few weeks.—Joseph Herald.

Miss Erma Duvall from Lexington, is spending the week with her grandparents, Mr. and Mrs. W. Waid. She gave a reading at the Ladies Aid on Thursday afternoon, "Ashes of Roses." This is the reading in which she won the first prize at Heppner in April.—West Umatilla News, Stanfield.

## FIRE! Contagious!

Nothing is more "catching" than fire. No one knows when and where it will break out. Nor how long a course it may run.

Communicated fires are responsible for a large share of the enormous total annual fire-loss. And the innocent sufferer along with the careless.

Your final protection against monetary damage by such fires is adequate insurance in a good, sound company. We can furnish it.
