

BOARDMAN

Announcements of the arrival of Edwin Harvey August 31, weight 8 1/2 lbs., were received by Boardman friends this week. The young man was born at Dufur.

L. G. Smith, who has been under the weather for some time, had his tonsils removed on Wednesday at Hermiston. They were in bad condition and a general anesthetic was given, but he is recovering nicely and it is hoped that he will be much improved in health. Mrs. Ransier accompanied the Smiths to Hermiston and drove the car back for Mrs. Smith.

Miss Mildred Allen was hostess Tuesday to eight of her friends, celebrating her 14th birthday. Various games were played and a lovely lunch served at the close of the afternoon.

Mr. and Mrs. H. B. Tinker of Walla Walla and their daughter, Mrs. Smith and family of Waitsburg, stopped for a short visit at the Hermin home on Wednesday on their way home from a two weeks vacation at Seaside.

Tille and William Harju returned last week from two weeks spent in Centerville, Wn., where they attended school daily preparatory to confirmation in the Lutheran church. Confirmation services were held on Sunday, August 26th.

Mr. and Mrs. Geo. Ransier and son and daughter stopped for a brief visit at the D. F. Ransier home on their way to the coast.

A number of Boardman people attended the circus at Hermiston on Wednesday.

Boardman friends were greeting M. Mulligan on Tuesday on his return from a sojourn at St. Anthony's hospital at Pendleton where he had a siege of typhoid. He was quite ill for several days.

Ingaard Skobo received a painful injury Wednesday afternoon while helping grind feed at the Porter place when the belt broke and hit him in the eye. At first it was feared that the eyesight might be impaired and he was taken to the doctor at once, where it was found that no permanent injury had resulted, but the eye was painfully bruised and swollen.

Mr. and Mrs. Walter Stutte and children Bob and Phyllis came up Friday night from Portland for a week end visit at the home of her parents, Mr. and Mrs. Nick Faler.

Richard and Glen Berger were not well Saturday night, so their father, Clarence Berger, took them to Hermiston to consult a physician.

Alfred Skobo of Hermiston was slightly injured last week in an auto accident. His head was cut. The others in the car were not hurt.

Boardman friends were much interested to hear of the recent marriage of Miss Lavelle Leathers to Lester White at The Dalles last week. The young couple will make their home near Lexington. Mrs. White was the primary teacher in Boardman the past two years and was much loved by the small folks. Her friends here extend best wishes to the newly married couple.

Mrs. Ray Brown and daughter Mabel came home Saturday night from Ellensburg where Mabel and Katherine attended Normal. Katherine stopped at Bickleton for a short visit. The first of the week they drove to Elsie to visit Mr. Brown who has been employed on the rock crusher all summer. The crusher will soon be through with work there.

Mackins motored to Stanfield on Wednesday and visited at the Victor home.

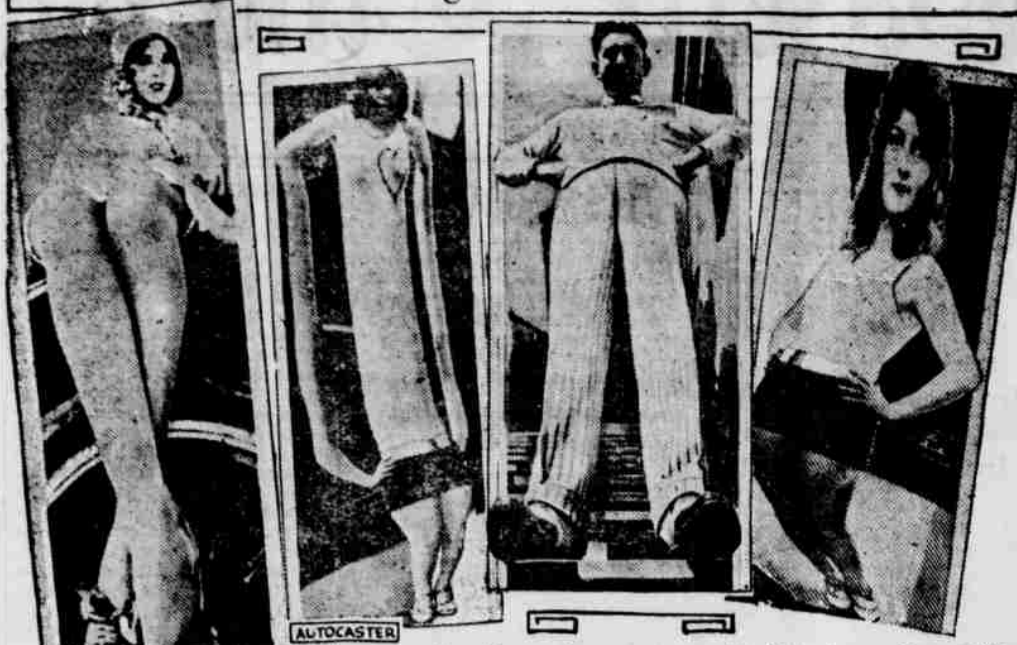

Mr. and Mrs. J. M. Dean and Mr. and Mrs. N. Sparrow of Seattle motored down for the week end and visited at the Packard, Spagle and Jenkins home. Mrs. Dean is a sister of Mrs. Jenkins and Mrs. Packard.

Carroll Kennedy, Eldon Wilson and Mabel Brown spent Labor Day in Walla Walla.

Mrs. Irene Waldo and two children of Portland were visitors Sunday at the Robert Wilson home.

The Silver Tea to be given Wednesday at the J. R. Johnson home with Mrs. L. G. Smith and her committee serving, was postponed until Wednesday, Sept. 12, for various reasons. Mrs. Smith's daughter, Mrs. Marguerite Johnson had her

Have A Good Laugh With The Camera Man

Don't run for a doctor—you're not seeing things—the camera man did. Calm down. Pretty Lillian Metzger, at the extreme right, seems to have made the camera man go wrong. The first picture is of a film beauty, Raquel Torres—it's easy to see where the naughty camera man was looking. Johnny Brown, also of the films, is the only male sufferer in this cameraman's spree. His legs are certainly long enough to reach the ground. The second picture is of a young lady who may have got that way eating at board-houses. When Tex Rickard sees this, he may try to sign her up—her reach beats anything he ever "seed" before. No, you don't need new eyeglasses—but somebody needs a new camera.

tonsils removed on Monday and the other hostesses have been busy canning. Practically every housewife on the project has been "swamped" with peaches the past two weeks.

Chas. Wicklander had two ears of relatives visit him on Sunday. In the group were his father, D. Wicklander, his sister, Mrs. J. Callahan, husband and family, another sister, Miss A. Wicklander, and a brother, R. T. Wicklander and family, all of Salem.

Rev. Davidson of Malad City, Ida., who was expected Sunday to hold services in the local church, did not arrive so a short song service was held.

Earl Olson was home for the Labor Day vacation.

James Howell Jr. was home on Labor Day. He is working at Spokane and does not plan to reenter O. S. C. until mid year.

The Grange sponsored a box supper and dance Saturday night at Root's hall. The proceeds went to the Irrigon school band for the purpose of sending them to the state fair, each Grange in the county sponsoring some entertainment to raise funds for the purpose. This band is a unique organization being composed entirely of club members and probably the only one of its kind, at least in the northwest.

Alton Klitz is home for a few weeks until the opening of school at Corvallis the latter part of September. He has been employed in mines in Utah and Idaho for the past year. He is specializing in mining engineering.

That cooperation will accomplish wonderful things was evidenced in Boardman on Monday when another tonsillectomy clinic was held at the school house. Boardman is without a physician or hospital facilities of any sort but the united efforts of a kindly people turned the school kitchen into a surgery, the small room adjoining into an anesthetic room and the serving room into a very presentable ward and the kitchen table made an improvised operating table. Dr. McMurdock of Heppner, with the assistance of a nurse and with Mrs. Rands administering the anesthetic, removed

tonsils from 10 patients. Some had very badly diseased tonsils, but all came through the ordeal splendidly. The patients were Mrs. Marguerite Johnson, Donald and Maxine Strobel, Janet and Mardell Gorham, Johnny Knauff, Carl and Gladys Wicklander, Jimmy Muller and Grace Gillespie. The latter is a niece of Z. J. Gillespie and is making her home with the Gillespies this winter. The teachers all cooperated splendidly and surely put in a strenuous first day's work. School opened on Tuesday instead of Monday because of the clinic with every teacher in her place. Busses are driven by Noel Klitz and Alex Ayers.

Ira Berger was up from Portland the first of the week. Edna Wilson has returned from several weeks absence. Dallas is home from McMinnville where he visited his friend Buster Breeding, and Gladys is home from P. J. Doherty's where she has been employed all summer.

Vaughnan Keyes and family are here from Hood River for a visit at the Royal Rands home. A baby girl arrived at the Keyes home August 15th.

C. C. Molson, a special agent for the O.-W., was here from Portland doing some special investigating for the company in regard to some stolen property.

Wallace Matthews is here from Pilot Rock and will again make his home with his aunt, Mrs. Nate Macomber during the school year.

Mr. and Mrs. Ralph Davis and Mr. and Mrs. Chas. Goodwin spent a pleasant week end at Bingham springs, leaving Friday and returning Monday evening.

Geo. Agee is home from a visit with relatives in the wheat country.

Johnny McNamee returned on Monday from Heppner coming over with Dr. McMurdock. He has been ill at the hospital there with typhoid.

Mr. and Mrs. Guy Lee were overnight visitors at the O. H. Warner home on Friday on their way to Pilot Rock from Perrydale where they spent the summer. Mr. Lee has been grade principal at Pilot Rock

since leaving Boardman six years ago.

Mr. and Mrs. W. J. Thurman and daughter Margaret of Pendleton spent Labor Day at the home of her sister, Mrs. D. F. Ransier and family.

Miss Mildred Messenger has returned from a summer in Pendleton and has reentered high school. This is her senior year.

Walter Denton of Meacham is staying at the Highway Inn until his people come. It is reported that the Dentons have purchased Mrs. Lottie Attebury's ranch. Walter has enrolled in the high school. Remember the fair, Irrigon, Sept. 14 and 15.

E. T. Messenger and Nate Macomber plan to go deer hunting this year. Mrs. Macomber will go to Pilot Rock and take charge of the post office for her father so that he too may go.

Another Canning Hint

When buying supplies for preserving, remember that sugar is sugar, whether made from Cuban cane, Canadian syrup or beets, just as eggs are eggs, whether laid by Rhode Island Reds or White Leghorns. Food value and cooking properties are exactly the same in each case.

Remove Fruit Stains at Once

Before putting soiled table linens in the laundry bag, look for fruit stains, and saturate them with camphor. Then wash without further attention, as you would the other clothes.

Employer: "Really, Topson, your figures are disgraceful. Just look at that three. Anyone would take it for a five."

Clerk: "It is a five, sir."

Employer: "Well, I should have sworn it was a three."

Wilson's
"A MAN'S STORE FOR MEN"

The New Statesmen

It was Locke, the great economist and philosopher who wrote, "The purpose of business is to keep a man occupied for the prosperity of the Commonwealth."

Locke's definition of business is being applied today as never before. The engineer and the scientist have become the statesmen of a new State that is industrial in form and economic in purpose.

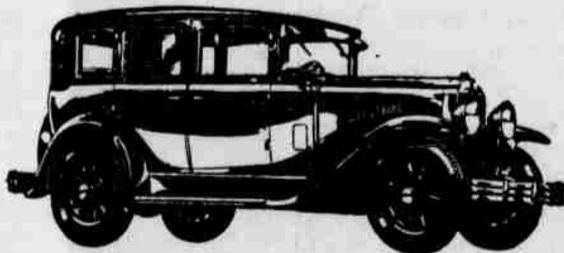

In its contribution to the general wellbeing of the public, it is doubtful if any industry in the history of the world has rendered a greater service than the electrical industry.

That America today enjoys living advantages approached by no other country is due in no small measure to the fact that American manufacturers and workmen have at their command more electric power than is available to all the rest of the world.

The electric light and power industry has consistently extended the usefulness of its service, while materially reducing its rates. This reduction meant a saving in 1927 of five hundred million dollars to domestic consumers alone.

The new Buick is the new Style

More than handsome... more than luxurious... a wonderful new type of motor car beauty... a thrilling turning point in body design

It will be imitated, of course! The new, the fine and the beautiful always inspire emulation. But so great is the cost of building the magnificent new Fisher bodies for the Silver Anniversary Buick that imitation will be possible only to much costlier cars, and even these will find difficulty in following where Buick leads!

\$1,500,000 has been expended in manufacturing the dies alone for the new Buick bodies; and the gracefully curving side panels which form one of their distinguishing characteristics represent the most expensive steel paneling work employed on any automobile in the world!

But it is not in the matchless grace and beauty of exterior design alone that the Silver Anniversary Buick eclipses other cars. In fleet, powerful performance too, the world holds no equal for the Silver Anniversary Buick with Masterpiece Bodies by Fisher. And the motor public, buying in such tremendous volume as to force the great Buick factories to work day and night to supply the demand, is elevating it to the prominence of a vogue!
