

**Territorial Government
Essay Contest Subject**

The Oregon Historical Society has selected "The Territorial Government of Oregon" as the subject for the 1929 C. C. Beekman History Prizes and Medals. The prizes are four in number, viz., first, sixty dollars; second, fifty dollars; third, forty dollars; and fourth, thirty dollars; and will be awarded for the best four original essays on the above named subject written and submitted by girls or boys over fifteen years of age and under eighteen years of age, attending any public or private school, academy, seminary, college, university, or other educational institution within the State of Oregon. Each of the four prize winners will also receive a handsome bronze medal.

The conditions governing the competition are as follows:

- (1) The essay submitted in competition must not exceed two thousand words in length.
- (2) The essay may be in handwriting or in typewritten form, preferably upon paper of commercial letter size, either ruled or unruled, the several sheets being numbered consecutively and written on one side only, with blank space of about one and one-quarter inches at top and left-hand margins.
- (3) The essay shall be accompanied by a separate sheet containing the name and post office address of the writer, the date of his or her birth, and the name of the school attended.
- (4) There shall also be delivered with the essay a certificate signed by a teacher or instructor of the educational institution attended, stating that the writer of the essay is a pupil or student attending the same.
- (5) In order to be considered in competition the essay must be delivered by mail or in person, to The Oregon Historical Society, Room C, Public Auditorium, 253 Market Street, Portland, Oregon, not later than March 16, 1929.
- (6) All essays submitted in competition will be numbered and submitted, without the names of the writers or other identifying marks, to three judges selected by the undersigned committee.
- (7) All competitive essays will be judged according to their general merit and excellence; but the judges will also take into consideration, in passing thereon, neatness of manuscript, accurate orthography, correct grammar and composition, and purity and clarity of diction.

The Oregon State Library in Salem has a reading list or bibliography upon the above named subject which will be sent to any Oregon student on request. Books pertaining to the subject are obtainable in most Oregon public libraries. Oregon has a system of local libraries, supplemented in many cases by county library systems, and in all cases by the Oregon State Library. Students desiring such books should apply first to the local library which if not having the books, should secure them from the county and

state libraries. If the local library cannot give this service, which is usual, or if there is no local library, the student should write directly to the Oregon State Library at Salem, which makes loans of books free of charge, except postage, to all citizens of Oregon. In writing to the Oregon State Library students should state the information desired and not merely confine requests to some particular book or books sought, thereby enabling the State Library to substitute other material in case any book requested is not available.
