

Santa Claus Is Tempted

By Albert T. Reid

and while still hot add the mixed fruits and 1-4 teaspoon of cloves, 1-2 teaspoon of cinnamon and salt to taste. Mold and serve with whipped cream.

Delicious Creole Sauce

Chop finely a half green pepper and a small onion and soften in four tablespoons of bacon or ham fat. Add a cup of thick tomato puree, season highly with salt and tabasco, bring to a boil and add 1 tablespoon quick cooking tapioca. Cook until rich and creamy, if a heavier sauce is desired, add an additional half teaspoon of the tapioca.

When Whipping Cream

The best utensil for whipping cream is the double boiler. Put ice of cold water in the lower saucepan and whip the cream in the upper section. The cold water hastens the whipping consistency and the high straight sides of the pan prevent spattering.

Saving Soap

Save bits of soap until you have a pint of chips, then melt them and add a little glycerine or oatmeal for toilet use. Or if you prefer to use them for laundry purposes, add borax or naphtha.

Hints for the Home
by Nancy Hart

When you're wondering what to give Aunt or Cousin or Sister So-and-So for Christmas, remember that a lovely scrap basket for one's room is always most acceptable.

Attractive metal baskets that are priced from \$6 to \$15 in the shops can be made for \$2 or less at home. Buy the unfinished metal frame, lacquer it or cover it with antique gold or silver paper, mount a lovely old French or flower print, one of the English sport prints or an old map in medallion fashion and shellac the whole to keep it from wear and soiling. You can be truly proud of such a gift.
