**Welcome, Jupe Culotte. Rat-Bite Fever. The Best Buy—A Home. Only A Coffin Left.**

The Jupe Culotte is coming. The French word "jupe" means "skirt" and "culotte" means "trousers."

Paul Poiret, who knows fashions says that "jupe culotte" will soon over the lower half of lovely woman from Peking to Palm Beach. It will be a sort of compromise between trousers and skirt. A partition for each leg.

Woman will be like the Ornithorhynchus, the animal half way between bird and mammal.

You might think she would go from the "jupe culotte" all the way to real trousers, but you don't know her.

She will flounce back in all probability to hoopskirts on her legs and waterfalls on her head as like as not.

A new disease is called "rat-bite fever." Widespread, and one of many carried by rats, the disease comes from bite of a rat, or of a dog or other animal that has come in contact with rats.

If men could stop killing each other for a few years, devoting their killing energies to rats, mosquitoes and other dangerous pests, this would be a better world.

An end to rats, alone, would produce savings great enough to offset the billions lost in the last war.

What are you going to buy for Christmas? Do you own a home of your own, for your children now, or for your children when you get married and have them, a home for your old age, A PIECE OF THIS EARTH WHICH IS YOURS?

If not, the best thing to do with Christmas savings is to buy a home, or start buying one. Buy only what you are sure you can pay for. There are ten thousand good investments in this country, but no investment is as good as money invested in a home of your own.

Thomas F. Ryan, who left not less than one hundred millions of dollars and probably several hundred millions, owns nothing now but the coffin that holds him. Funeral services were held in the beautiful Church of St. Jean Baptiste that he built in New York. His body will rest in the cathedral he built at Richmond, Va., not far from the spot where he lived as a poor orphan boy.

"Where does he live now?" an official at the funeral service whispered to the undertaker.

"Have you the men ready to carry it?"

"It" is all that is left of what

once controlled wealth and power. Tears on the cheeks of many at the church, servants, friends and relatives, showed that the dead man had been generous and kind.

The American Federation of Labor, ably led by President Green, will join the National Society for the Prevention of Blindness in a national campaign.

There are in the world at least 6,000,000 totally blind. To know how great is the affliction, stop reading for a moment, close your eyes, and ask yourself what life would be like if you could never open them.

Ignorance increases blindness, and disease born of vice, and superstition increases it. In Egypt, today, you may see infants with flies attacking their eyes, the mothers afraid to hurt the flies, because it is a sin. Your grandmother's spirit might live in one of the flies. That superstition alone has caused thousands of Egyptian children to lose their sight.

**Hints for the Home**  
by Nancy Hart

Did you know—that if you are using small rugs for floor covering, they should never be "scattered" about the floor in angling positions, but should be laid so that lines follow the lines of the room?

And did you know—that it is a grave mistake in decoration to angle pieces of furniture across the corners of the room? Many who are untrained in decoration feel this catercornered placement of davenport, secretary, upright piano, or library table breaks the formality of a room and gives it a homey effect. The truth is, it but creates confusion.

As a usual rule all large, bulky pieces should go straight against the wall. Chairs, which one naturally angles to bring them in companionable relation with each other in conversation—and small tables near easy chairs—can logically depart from perfectly straight ways if the dominant masses of furniture

**A Novel and Delicious Salad**

1/2 cup finely chopped nut meats, 1/4 cup chopped celery, 1 tablespoon crystallized ginger, cut fine, 1 cup cut assorted fruits. Pour 1/2 cup boiling water over a package of lemon-flavored gelatin, when dissolved and almost cool add 1 1/2 cups ginger ale; when mixture begins to thicken stir in fruit and mold.

**Chocolate Sponge Cake**

Sift 1/2 cup prepared cake flour with 1/2 teaspoon salt; and 4 table-spoons cocoa. Beat 5 egg yolks until very light; add a tablespoon lemon juice, then dry ingredients. Beat 5 egg whites until stiff and fold in 1 cup sugar, then the flour mixture. Bake in ungreased pan in slow oven 50 to 60 minutes.

**New Meat Loaf**

Mix 2 lbs. hamburger steak, 2 slices salt pork diced and tried out to golden brown; 1 pint can tomatoes, 1/2 onion, chopped, 2 1/2 teaspoons salt, 1/2 teaspoon pepper, 10 table-spoons quick cooking tapioca. Bake in bread pan in moderate oven 45 minutes. The tapioca takes the place of eggs and bread crumbs as

a binder and avoids the "bread" taste.

**Adds Zest to Grapefruit**

An after dinner mint dropped into the hollowed center of the grapefruit which has been seeded and separated and sugared ready for serving, adds a delicious tang to the fruit.

**Use Safety Blades for Ripping**

Keep a safety-razor blade (in its

little envelope, of course) in sewing basket or machine drawer where it will be handy when you want to rip things quickly. And paste a strip of adhesive tape across the top edge of the blade for safe handling.

**For Scuffed Brown Shoes**

When toes of brown shoes become scuffed or worn, paint them with brown iodine, then polish as usual.

**New Features of - The Outstanding Chevrolet of Chevrolet History - a Six in the price range of the four!**

Everywhere The Outstanding Chevrolet is being hailed as a spectacular achievement in advanced design, because it embodies the greatest array of improvements ever offered on any automobile of comparable price.

Here, for example, is a marvelous new six-cylinder, valve-in-head engine whose design represents over four years of development and testing on the part of Chevrolet and General Motors engineers. It has numerous advancements typified by a non-detonating, high-compression cylinder head—gasoline pump with filter, and automatic rocker arm lubrication. It provides performance the like of which was never before available in the low-price field—marvelous smoothness, tremendous reserve power and sensationally swift acceleration—all with an economy averaging better than 20 miles to the gallon of gasoline!

Here are new and improved four-wheel brakes unsurpassed for silence in operation, positive action and ease of adjustability!

Here are marvelous new Fisher bodies introducing a new order of beauty, smartness and luxury.

And here, also, are other features by the score—each an impressive example of automotive progress—each contributing to outstanding performance, quiet operation, long life, ease of control and economical ownership!

We cordially invite you to visit our showroom and secure complete and detailed information regarding this great new car, which will be ready for delivery beginning January 1st.

Chevrolet's new six-cylinder, fully enclosed valve-in-head engine has a high compression non-detonating head. Its piston displacement is 194 cu. in. and it develops 46 H. P. at low engine speed.

An automatic accelerating pump results in unusually swift acceleration, as well as greater gasoline economy.

On the indirectly lighted instrument panel are grouped all controls, including the water temperature indicator and theft-proof Electro-lock.

The new chromium plated radiator, lamp standards and rims, and one-piece full crown fenders are typical fine car features of the Outstanding Chevrolet.

The adjustable driver's seat in all closed models. This brings the clutch and brake pedals within proper reach for all drivers.

Newly designed four-wheel brakes, safe—positive—quiet.

Marvelous new bodies by Fisher are an outstanding feature of the Outstanding Chevrolet.
