RESOLUTIONS OF RESPECT.

Whereas, the Messenger of Death has again visited our number, and removed the name of our brother, George C. Aiken, from the roll of workmen, and taken our brother from our midst to his eternal home; and

Whereas, Brother Aiken was a true and faithful Mason, and we wish to make permanent record of his fidelity;

Therefore, be it resolved, that we, his brother craftsmen of Heppner Lodge No. 69, A. F. & A. M., at this time pause in sorrowful submission, to recall his many virtues and to drop a tear because of his departure.

We extend to the sorrowing widow and children of our deceased brother in their bereavement our deepest sympathy.

Be it resolved that a copy of these resolutions be sent to the family of the deceased, that a copy be entered on the records of the lodge, and

MAIL PACKAGES EARLY.

In order that the work of the local postoffice may be reasonably expedited, and that there will be no last day rush to get packages into the mails, Postmaster Smead is urging the Heppner community to mail their Christmas packages early. He advises that all packages be wrapped and tied securely, plainly addressed, with the address of sender or return card written or printed in the upper left hand corner. Mail them as early in the day as possible, especially if they are to be insured, and all valuable packages should be insured.

Mr. Smead further announces that there will be no mail distributed on Christmas day. This is in accordance with the ruling of the department, it being planned that if possible all postoffice employees on that day may enjoy the full holiday and have their Christmas dinners at home with their families. Therefore, no packages or other mail will be given out to anyone. The Heppner office will be open late the night of December 24 in order that all may get their packages who

cannot get to the office before 6 o'clock p. m.
