a petition to the county court of the district. Signatures of at least 50 per cent of the property owners would be required on the petition. A special election would be held at the direction of the county court, and a tax levied. The bill also provides for dissolution of a fire district upon the presentation of a similar petition.

**Half Holiday for Officers**  
"I hold out for open offices on Saturday afternoon," declared L. E. Wilkes, representative for Washington county, in a discussion before the house committee on Counties and Cities. "That is the only time the farmers have to transact their business and I do not believe the county officers should close their offices at this time."

The bill under discussion was house bill No. 182 which fixes the hours of business for all county offices in counties less than 100,000 population, from 8 a. m. to 5 p. m., and on Saturdays from 8 a. m. to 1 p. m.

"I would suggest an amendment to the bill," said Representative J. F. Clark, Clackamas county, author of the bill, "which requires only the offices of the county clerk, the recorder and the sheriff to be kept open at noon and on Saturday. These are the only ones necessary."

The bill was submitted to the house by the committee with the amendment suggested by Mr. Clark. A minority report was turned in by Representative Wilkes.

Francis Griffin managed to get in to Heppner on Wednesday from his Eight Mile farm. He hitched a team to the Ford and had the machine dragged out to where the road was broken, then the traveling was not so bad.

Otto Wageman broke the road to town from his farm in Blac horse this morning, spending a few hours here on business. Blackhorse is well covered with snow, he says.

Last night was the coldest of the season so far at Heppner. Frank Gilliam, government meteorologist, states that the official record was 13 degrees below zero. Evidently our anticipated chinook got badly chilled.
