

Local Happenings

W. L. Copenhaver managed to get to town Wednesday from his farm in the Swaggart's butte neighborhood. That section of the county received a covering of better than eighteen inches of snow during our recent big storm, and it was hard getting out. At this time the snow is melting away slowly. Mr. Copenhaver states, and he feels that the ground will surely get the full benefit. There was about seven inches of frost in the ground, but this has melted out for two inches on top, the frost is gradually disappearing, thus allowing the ground to take in the moisture. It will be a great help to crops out that way.

Joe Howk had the misfortune last Friday morning to have the water back in his kitchen range blow up in consequence of an ice plug somewhere in the circulatory system. The range and an oil stove in the room were put out of commission and some damage was done to the kitchen walls and ceiling but no one was hurt. Mr. Howk had just gone to the cellar and Mrs. Howk and the baby were in another part of the house.—Ione Independent.

Frank Conner, truckman with the Union Oil company, suffered a painful accident on Saturday when he inadvertently dropped a drum of oil on his toe while working in the storehouse. An x-ray revealed a compound fracture of a bone in the big toe. With the application of a cast, Frank has been hobbling around on crutches and unable to work. He is being relieved by John Turner.

Mrs. A. Reaney of Lexington disposed of her wheat on Tuesday, and it is understood she received a price of \$1.05½. The market has been quite dormant both at Heppner and Lexington for some time, but seems to be looking up some.

Joe Hayes of Big Butter creek, who has a bunch of sheep on his place near Lone Rock, is now having to haul feed over to them from Heppner. This prolonged spell of snow and cold is beginning to get on the nerves of many sheepmen.

Barratt, in order to be present at the marriage of his sister, Miss Willetta Barratt to Mr. Frederik Hoedecker of Camas, Wash., the ceremony taking place today. A pretty accessory for the bedroom is the gown bag which looks like some lucious flower in full bloom and may be hung on the wall or on the foot of the bed. Two circles of colored straw are used for centerpieces and a puff of harmonizing taffeta gathered around them to form a circular bag. A wreath of ribbon flowers is applied on the front circle of straw, and a silken cord used for hanging.

sectional championship cups, one going to the winner in Eastern Oregon, and one to the winner in Western Oregon.

As in past years, inter-school debates within the eleven districts will continue until late in March or early in April, when the district debates will be held. When these are over, the winners in the sections will come to the University of Oregon, some time in May, to argue it out for the state trophy.

Heppner high school is in district number nine, which includes high schools in Hermiston, Milton and Pendleton. Harold G. Brownson, Milton, is director of the district, and the question for debate is "Resolved that Oregon should adopt an integrated system of executive and administrative reorganization along the lines of the MacPherson plan."

Funeral services were held in this city at the Christian church Friday afternoon, February 15, conducted by E. L. Wood, pastor of the Lexington church, assisted by M. W. Bower, pastor of the Heppner church, and burial was in Heppner cemetery.

Washington Saved His Country

The Father of Our Country was a man of many high qualities; among those for which we have most to be thankful was his ability to see ahead, taking count in his decisions and declarations of the future as well as the past and the present.

The principles he formulated for the Nation still obtain today and are as true as they were when he uttered them in a past century.

Saving a portion of your income regularly is one of the most important elements in looking ahead.

When you take stock of the future you are justifying Washington's faith in the destiny of his beloved America.
