We are apt to overlook the dec orative possibilities of the bird cage which, when good to look at, adds a most homelike touch to rooms.

The new cages are very attractive and can be had in dozens of colors -green, blue, red, coral, Persian silver and combinations of the same colors. In general they will be found in brass, finished in a great variety of colors applied by the duco process just as cars are finished; or they may be light-weight cages made of a substance that resembles imitation iovry. With seed cups colored to match

with graceful tassels and wrought stands or wall brackets they be come bird "residences" rather than cages-and fit charmingly into all schemes of decoration.

An Economical Menu

Eggs Stuffed with Shrimp

For a delicious salad try this one: Cut hard-boiled eggs in half, remove yolks and mix to a smooth paste with mayonnaise and chopped shrimp, blended with whipped-cream mayonnaise. Refill the egg shells, place on crisp lettuce, top with dressing, garnish with capers or chopped pickle.

Fried Celery

Cut celery in inch pieces, and cook until tender in salted water. Drain, dip in a standard batter and fry to a light brown in btef suet or butter.

Ever Stew Bananas?

Peel six bananas and slice them. In a saucepan put ½ cup sugar and 1/2 cup water; add the bananas and I teaspoon of lemon juice and stew for half an hour or until the fruit is very soft. Serve cold, with whipped cream or plain cream, if pre ferred.

Walnut Cookies

Beat together an egg and a cup of sugar; add 2 tablespoons of flour 5 Block 24 F sifted with a pinch of salt; then add a cup of crushed or chopped wal-Drop by spoonfuls on a buttered baking sheet and bake in a moderate oven for 15 minutes.

Apple Improves Vegetable Soup When you make an old-fashioned vegetable soup, add a diced apple and the flavor will be greatly improved.

THE FALL OF THE "BASTILE." (Contributed.)

A fact worthy of comment is that this age of democracy has seen the fall of many monuments of tyrrany History has repeated itself recently when the Hardman bastile was be-siged by the forces of destruction. According to reports of destruction According to reports of eye witness-es, the burning mass, like a veri-table Vesuvius, with its clouds of smoke and hungry flames, present-ed a brilliant spectacle. An object of speculation, yet one appropriate to the scene might have been a Nero to Thee " How

Nevertheless the burning of the Hardman prison on Saturday night caused deep regret on the part of some of the citizens because it marked the destruction of an historic landmark. It is to be hoped that the townspeople shall not be submitted to a similar sequence to that memorable revolutionary episode.
