HARDMAN.

Mrs. A. B. Chapin has returned from Medaryville, Indiana, where she has made an extended visit with relatives.

Miss Mildred Farrens spent the week end visiting with friends and relatives in Ione. Miss Louise Torre and Mrs

Blaine Chapel were shopping in Heppner on Saturday.

Mr. and Mrs. Clyde Swift of Eight Mile were visiting relatives here on Sunday.

The Hardman I. O. O. F. lodge initiated several new members last Saturday night. A number of the Ione Odd Fellows were guests of

the local lodge. An interesting contest was held in the schools last week which resulted in every pupil learning the state song, 'Oregon, My Oregon." The high school division won a beautiful flag for having the song learned the best.

Mrs. Ethel McDaniel moved to her home in the mountains last Friday, where she will remain during the summer

Resolutions of Condolence.

Whereas, it has pleased our Heav enly Father to summon to his Eternal Rest our beloved brother, George Sperry, who was long faithful member of San Souci Lodge No. 33. Therefore, be it resolved that San Souci Rebekah Lodge No. 33, in testimony of its loss and to express its love, drape its charter for thirty days and that we extend to the bereaved family of our de-parted brother our deepest sympathy, and that a copy of these resolutions be spread on the minutes, and a copy be sent to the family

He was a cautious young man and a firm believer in eugenics, but when he met the doctor's lovely daughter he fell in love with her, and finally threw discretion to the winds and asked her to marry him. She accepted him and he was in the seventh heaven all the evening. Next morning, however, his natural caution returned, and he called upon her father.

"Oh, doctor!" he said, "yourdaughter has promised to marry me. I-I-I wanted to know-that is to say, I-came to ask if there is any er-insanity in your family." The doctor looked at him gravely over his glasses. "There must be, he said.

Oregon State Game commission is naking extensive improvements in several of its hatcheries. Construcion work is going on at the Bandon hatchery as well as at the Fall river

and similar work is in progress at the Union hatchery. Better results have been obtained at the Union hatchery during the last year than ever before. Warm water was ob-tained last fall from a nearby hot spring and put in the breeding tanks and ponds. In this way the commission was able to keep the water at an even temperature and the growth of the fish increased almost twice as fast as it did under onditions where the water was of
