

# Hint's for the Home

By Nancy Hart

To lengthen the life of linens, remember these rules for their care: Tablecloths and napkins of linen damask should be washed at home, if possible. Otherwise, select a reliable laundry where cutting solutions are not used.

New linens should be laundered before they are stored away. Then pack them in chests subjected to even temperature, always avoiding the concentrated heat of radiators and pipes. Cedar chests are probably the best containers.

Linens enjoy exposure to the sun and dew; in fact, no substitute compares with this means of keeping them beautifully white. It also helps to preserve whiteness to wrap linens in fast colored blue paper when storing them.

### An Easy Sunday Dinner

Chicken fricassee  
Buttered spinach  
Tomato salad  
Ice box pudding  
Iced tea

Rice

(Chicken, spinach and pudding can be prepared on Saturday.)

### Eggs With Rice a Good Entree

Use 1 1/2 cups boiled rice, 6 hard-boiled eggs, 1/2 cups white sauce, 1 ts. chopped parsley and 1 ts. Worcestershire sauce. Pile hot rice on platter, cut eggs in quarters and nest in the rice; spread over all the white sauce and seasoning and sprinkle top with chopped parsley.

### When Asparagus Arrives

Try baking asparagus with cheese sauce. Lay stalks (which have been boiled tender but not soft) in buttered baking dish and pour over them the cheese sauce which is the usual white sauce containing grated cheese. Spread buttered crumbs over top and bake in a hot oven until crumbs are brown.

### An Economical Salad

Finely shredded spring cabbage, diced apple and celery mixed with mayonnaise and garnished with chopped sweet pickle makes a tasty and economical salad that fits nicely into spring menus.

### Prevents Odor of Cooking Cabbage

A teaspoon of vinegar added to the water in which cabbage is boiled will overcome the unpleasant odor.

### ST. PATRICK'S CHURCH.

Rev. Thomas J. Brady, pastor. Next Sunday, May 19th, will be the fiftieth day after Easter and it is commonly known as Pentecost Sunday, the day on which the Holy Ghost came down upon the Apostles in the form of tongues of fire and the anniversary of the estab-

lishment of the Catholic Church upon the Apostles. It is the second feast of importance in the annals of Christianity.

There will be a first mass in the Heppner church at 8:30 followed by a second mass in Boardman at 11 o'clock. The pastor will preach at both of these services upon the text: "Receive ye the Holy Ghost; whose sins you shall forgive they are forgiven them, and whose sins you shall retain they are retained." Confessions will be heard before each of these masses and Holy Communion will be distributed.

There will be the usual instructions for the children on Saturday morning at 7 o'clock in the Heppner church. Confessions will be heard next Saturday evening at 7 o'clock in the Heppner church. There remain but two weeks more for the performance of the Easter duty.

On May 26th, that is the last Sunday of May, there will be a first

mass in The Sands at 8 o'clock and a second mass in Heppner at 11 o'clock. This arrangement is made for the benefit of those in The Sands who wish an early mass in order to receive Holy Communion.

### CARD OF THANKS.

We are grateful beyond words to the friends of both Morrow and Umatilla counties, who so generously aided in every way during the illness and at the funeral of the late Geo. D. Anderson; and for the many expressions of sympathy offered in the hour of bereavement. Mr. and Mrs. W. A. Anderson, Hynd Brothers.

Geo. N. Peck states that grain is coming along good in Clark's canyon, the past week or ten days making a wonderful difference in the growth of all vegetation. The crop outlook has greatly improved over the entire Lexington wheat belt. Mr. Peck was looking after business here on Tuesday.

# Hotpoint electric range spells SPEED!

—choose yours today  
—pay on liberal terms!

Full porcelain-enamel and nickel automatic, four unit Hotpoint with a kitchen beater, has large roomy fire box, equipped with water coils on both sides. Will burn coal or 17 inch wood.

WE don't want to be technical, but we must tell you what the Calrod unit of your Hotpoint range means for you! It means speedy cooking! For instance—you decide on biscuits for breakfast! Switch on the oven—by the time your biscuits are ready for baking, your oven is hot. You come home to prepare dinner. Switch on your range. By the time your vegetables are prepared, your Hotpoint is hot! No wonder so many women cook on a Hotpoint! Choose yours today. \$5 down delivers and installs any model!

### For complete comfort—a water heater

LOADS of hot water at the tap all the time! And no big fire in the furnace or kitchen to procure it! That's what an electric water heater will mean! It is remarkably inexpensive to operate with your new Hotpoint range! Install a tank cover also, which increases your hot water supply. \$5 down delivers all three.

Allowance on your old stove!

...on the track it's  
**SPEED!**

...in a cigarette it's  
**TASTE!**

MILD and yet  
THEY SATISFY

TASTE above everything

Taste shows, in Chesterfield, in the tobaccos we buy—aromatic leaf of good "body," free from harshness, high in natural sugar, mild, ripe. It shows, too, in the way we blend and "cross-blend" them.

Most of all, it shows in the way men stick to Chesterfields—for that's final proof of taste!
