

This Week

By Arthur Briabano

He Sprays Hens. The New Farm Plan. Heads and Fists. First Aid for Hoover.

"Thousands" that would not read an Einstein pamphlet will read this. Walter Dorsey, colored, of Atlanta, Ga., confessing to chicken stealing on a wholesale basis tells the judge, "I just sprays 'em with chloroform." Then stand back and wait. In about five minutes they flop off the roost and are ready for my sack.

That's more interesting to many of us than the distance of the farthest star.

The "William and Mary" plan to subsidize exports of farm products is rejected by Mr. Hoover. The senate plans, nevertheless, to try it.

The plan is to give farmers exporting wheat, etc., a bonus of one-half the American tariff on all the wheat or other farm products exported.

After consulting the Departments of Agriculture, Commerce and the Treasury, Mr. Hoover says the plan would enrich the speculators and reduce world prices, since foreign markets would have to meet the competition of subsidizing products. Also, says the President, the plan would cost the country \$200,000,000 a year, cause much bankruptcy and it would not solve the farm problem.

Farmers will cease moaning when they realize that the bonus money would be paid not direct to them but to merchants exporting products.

It needs "no ghost come from the grave" to tell farmers how little they would get of that bonus. Wheat gamblers and the middle-men would get it. The farmer in his taxes would have to pay part of it.

Mr. Tunney, world heavyweight champion, retired, has been visiting George Bernard Shaw on a small, sunny isle in the Adriatic sea.

Tunney is barely thirty. Shaw is seventy-three. And Shaw, who has NOT retired, has no idea of retiring. The head lasts longer than the fists.

Eight hundred delegates to the Red Cross convention called upon President and Mrs. Hoover, and contributed "First Aid" by refraining from the usual hand-shaking nonsense.

Why eight hundred intelligent

human beings should want to squeeze the joints of the hand and tug at the muscles in the arm of a busy man is not easily understood. Handshaking should be abolished, since it means nothing and spreads germs.

Germany permits all survivors of the Emden to add "Emden" to the rest of their name. Thus Friedrich Garbe is Friederich Garbe-Emden. The Emden destroyed eighteen steamers and one cruiser before an Australian cruiser ended its career. On the same basis Colonel Lindbergh would call himself Colonel Lindbergh-Atlantic Ocean.

IONE.

Mrs. Bert Mason entertained at bridge Thursday afternoon of last week in honor of her sister, Mrs. Chas. Dezell, and her niece, Mrs. Orville Parish, of Spokane. Two tables of bridge were in play. Peterson brothers shipped a car of hoeses to Portland Saturday night. Fred Buchanan was called to Walla Walla last week by the serious illness of his half-brother, L. E. McBeck.

We are glad to note that F. A. Lundell who was quite ill last week, is now able to be around again.

John Cochran returned from Portland the last of the week where he had come to attend to the re-interment of the body of his son, Archie Cochran. Archie Cochran was buried in Masonic cemetery, Heppner, but now has been laid to rest by the side of his wife in the beautiful Rose City Park cemetery.

L. R. Robinson was a business visitor in Portland last week. While there he visited Ralph Harris who is receiving treatment for stomach trouble. Mr. Harris is rapidly improving.

Wendell Balsiger is now working in the Balfour, Guthrie and company office in Pendleton. Next month he will be placed in one of the offices on the Wasco branch line.

Last Saturday the high school students harkened to the call of the great out-of-doors and journeyed to the mountains for their annual picnic. They spent the day in the vicinity of the coal mine. They took with them good appetites and plenty of "eats." All report a jolly time.

Lonnie Ritchie has bought the home place on First street. This is part of the property of the Lydia Ritchie estate. The Missionary society of the Swedish Lutheran church held its regular monthly meeting last Sunday afternoon at the Henry Peterson home. Sixty were present. At the close of the program refreshments were served. Following is the program as given: song, "The Morning Light is Breaking"; Bible reading by Rev. W. W. Head followed by prayer; reading of minutes; roll call; solo by Arne Viken; business session; sermon by Arne Viken; closing song, "Tell Me the Old, Old Story."

Mrs. Charlie Allinger has returned to her home after an absence of eight weeks, part of the time spent in Portland, and part of the time with her daughter in Heppner. Mrs. Allinger has been very ill, and while much improved is not yet able to do her home work.

Miss Esther Tucker is one of a class of eleven to graduate from the Riverton high school Friday, May 17. Miss Tucker was a pupil in the Ione school for three years while her father, J. Clifton

Tucker, was superintendent. Mr. Tucker has been the head of the Riverton school for the past four years. Charles Mr. and Mrs. Victor Rietmann are visiting in Portland this week. Mr. and Mrs. Blain Blackwell have moved into the house on Second street owned by Mrs. Robert Balcom. Arthur Pettys who was taken ill at the home of his aunt, Mrs. Charley Nord, and who was later taken to Walla Walla by his mother, Mrs. Pfeffer, is seriously ill in a Walla Walla hospital, where last Saturday he underwent a kidney operation.

Mr. and Mrs. Arne Viken, of Blooming Prairie, Minn., and Mr. and Mrs. Halvorsen, of Los Angeles, Cal., departed the first of the week on their eastward journey. While here they were the guests of Mr. and Mrs. Nichol Thompson. Mr. Viken held services in the Congregational church on Wednesday, Thursday and Friday evenings of last week, and on Sunday evening of this week. He preached Sunday morning in the Congregational church at Leasington, and assisted in the Missionary meeting held Sunday afternoon in the Henry Peterson home. All those who attended enjoyed his sermons, his voice, and the music which he and Mr. Halvorsen furnished on the musical saw, the Swedish harp, and the Hawaiian guitar. These people have been engaged in religious work in Portland and are now on their way to Mr. Viken's home in Minnesota. Mrs. Edmond Bristow and little daughter returned Saturday to her home in Walla Walla after a pleasant visit with home folks. She was accompanied by her brother, Gene Grabil, who will remain for a few weeks visit.
