

Local Happenings

Albert Adkins returned home Sunday evening from Medford where he attended I. O. O. F. grand lodge. Mrs. Adkins and the children, who accompanied him on the trip, remained at Gresham for a visit at the home of Mrs. Adkins' parents, Mrs. Alice Adkins, mother of Mr. Adkins, who also made the outgoing journey, went on to Centralia, Wash., for a visit at the home of her son, Harley. While in Medford the Adkins family stayed at the home of Mr. and Mrs. B. R. Finch, former teachers in this city. They report Medford a regular hotbed of former Heppnerites, and among others they saw were Mr. and Mrs. Harvey Young, Clifford Sims and Gene Ferguson. At Grants Pass they dropped in on Mr. and Mrs. Frank Harwood. Albert reports a most enjoyable trip.

Mrs. Frank Hulbert, sister of the McCullough brothers of this city, left Elko, Nevada, on Sunday for New York City where she will board the S. S. Baltic on June first for Liverpool, England, according to a clipping from an Elko paper. A sister and brother-in-law will meet Mrs. Hulbert there and they will continue to Edinburgh, Scotland, where they will visit relatives for a short time. The trio will continue to London for a visit and then go to Ireland. Mrs. Hulbert expects to tour France while across the Atlantic. She has not seen her sister for 25 years and a joyous reunion was anticipated. Her sister and brother-in-law will accompany her on the return journey for a visit in the States. Mrs. Hulbert expected to be gone about six months.

B. F. Swaggart, in town over Monday from the farm home north of Lexington, reports leasing another string of his fine Creamline horses for show purposes to the head of a Portland riding academy. He expected to make delivery of the horses on Tuesday. Mr. Swaggart is greatly pleased at the showing made by the horses leased to J. M. Christiansen, who trained the horses at the Swaggart farm last summer, two of them taking first prizes at one of the leading eastern shows.

Mr. and Mrs. Vawter Crawford enjoyed a motor trip to Salem and Newport, leaving Heppner on Friday morning and returning Tuesday evening. In Salem they visited at the home of Mr. and Mrs. J. O. Turner, and were joined by the Turners and son Don on the trip to Newport over Sunday. Fine weather was encountered on the coast, and the party was especially impressed with the beauty of the rhododendrons, now in gorgeous blossom.

W. R. Poulson, high school principal, departed Saturday morning for Portland, being accompanied in his car by Dan Beighle, grade school principal, and Carl Gilliland, O. W. R. & N. brakeman. Mr. Poulson will be located for the summer at Eugene, while Mr. Beighle goes to his home in Washington. Mr. Gilliland has resigned his position on the local branch, and expects he may have the run on the Condon branch.

A distinctive honor was conferred Friday evening upon Mrs. Carolyn Johnston, ex-worship matron of Ruth chapter No. 32, O. E. S., of this city when she was presented the badge of office as official representative for the grand lodge of West Virginia at the grand lodge of Oregon. Her term of office will expire January 1, 1931. Presentation was made at the regular communication by Frank S. Parker, worthy patron.

Dan Stalter expects to leave for the "diggings" of the Heppner Mining company in the Greenhorn mountains either June first or second and start operations for the season. Mr. Stalter has been in charge of operations for a quarter of a century and is confident that the mine is nearing a paying streak. Several men will be put to work immediately he arrives on the ground and he is hopeful for a successful season.

The marriage of Elmer Peterson, son of Mrs. Aaron Peterson of Ione, and a graduate of Heppner high school and the University of Oregon, and Miss Florence Fisher, daughter of Mrs. Willis Peterson of Portland, was an event of May 22, according to announcements received in this city. Mr. Peterson is district manager of the Aetna Insurance company with offices in Portland.

Mrs. Frank Saling entertained members of Pendleton chapter, O. E. S., at the Saling farm home north of Lexington on Tuesday afternoon, May 21. The assemblage was composed mostly of past worthy matrons and 20 ladies were seated at the table, an elaborate luncheon being served. A very enjoyable afternoon is reported.

Oscar Peterson and family from the Ione section were Heppner visitors Monday. Mr. Peterson reports growing conditions backward this spring though he is hopeful for a good wheat crop.

The telephone line into Sand Hollow is undergoing repairs at the present time. The lower end of the line has been put in shape but a few days work remains to be done to complete the job.

Announcements received in Heppner this week bring word of the graduation of W. Vawter Parker, son of Mr. and Mrs. F. S. Parker of this city, from the University of Oregon next week.

The Rev. and Mrs. Stanley Moore motored to Salem this week to take Fletcher Walker home and pay a visit to the Walkers in their new home in Salem. They returned home Wednesday.

The family of Fred Wehmeyer, district forest ranger, arrived the last of the week from Dayton, Wn., and have taken up residence in the J. S. Young house.

Miss Mary Clark departed the last of the week for Eugene for a visit with her sister, Marjorie, a student at the University of Oregon.

Mrs. Ida Dutton, from Portland, is enjoying a visit with Heppner friends, being a guest at the home of Mr. and Mrs. John Wightman.

Mrs. R. B. Rice and Mrs. W. L. Copenhaver were visitors in the city Saturday from their farm homes north of Lexington.

Elmer Hudson, manager of the Pendleton Maytag office, was a Heppner visitor Saturday.

Daphne: "What is our worst sin?"
Dolly: "Vanity. I spend hours before the mirror admiring my beauty."

Daphne: "That isn't vanity, dear—that's imagination."

Club Members Will Hold Summer Session in June

Oregon State Agricultural College, May 27.—For the fifteenth time club boys and girls of Oregon will "go to college" at Oregon State during the annual 4-H summer session, June 10-22. As usual they will live in the dormitories, the girls using Kidder and Waldo and the boys the new men's hall. They will attend regular classes during the mornings, with afternoons devoted to games, swimming and other recreations.

Instruction for boys will include many phases of farm work, such as practical livestock judging, feeding, management, prevention of livestock diseases, gardening, poultry husbandry, horticulture, bacteriology and related subjects. Girls will be given special training in meal preparation, sewing, dressmaking, and care and decoration of the home. Special work for both boys and girls will include nature study, plants and wild life. The older members will receive special training in club leadership work.

Several prominent state officials have been selected to address special afternoon assemblies. Some of the speakers are Governor I. L. Patterson, O. M. Plummer, manager of P. I. L. E.; C. A. Howard, state superintendent of public instruction, and Major-General U. G. MacAlexander, the "Rock of the Marne."

Wire: "Do you realize, dear, that it was twenty-five years ago to-day that we became engaged?"
Absent-minded Professor: "Twenty-five years! Bless my soul! You should have reminded me before. It's certainly time we got married."

LAMINEX DOORS

Will not Shrink, Swell or Warp

French Doors Need LAMINEX Construction

Having no supporting cross rails, French Doors are very apt to warp from moisture—but not LAMINEX French Doors.

The LAMINEX process of building doors is proof against every condition that causes warping. In fact, there is a LAMINEX guarantee label on the end of every genuine LAMINEX Door insuring you against these common door faults.

We are headquarters for these exceptional doors in this section and shall be glad to show you the many attractive designs we have in stock. Come in and let us figure with you on your building requirements.
