**Susi's Airship.  
Other Air News.  
\$200,000,000 a Year.  
The King Returns.**

Susi, female gorilla, passenger on the Graf Zeppelin, interests the crowd more than the real lady passenger.

Susi slept or rested calmly in her cage, through all the high wind and buffeting.

Proud man thinks, "Poor Susi, she did not even know she was floating through the clouds in an airship. Man set her sailing, she had nothing to say about it."

What about us, Susi's second cousins? Not one in 10,000 white men realize that he is adrift in space, on an airship, the earth. God set us floating, as Susi's owners set her flying.

It's a wonderful airship that we inhabit heavier than if made of solid steel, whirling round and round, its slowest speed 1,000 miles an hour, on its axis, its speed around the sun more than 1,500,000 miles a day, 60,000 miles an hour, 1,900 miles a minute.

Ours is a real airship going off through space, somewhere, with the sun. And we know and think as little about our real journey as Susi knew and thought about her trip. Don't despise Susi.

Human nature is fundamentally good with all its fighting and slaughtering. The French hesitated to let the Zeppelin fly over French territory—too many opportunities for taking photographs, useful in later wars, perhaps.

But when the big ship was in trouble, French soldiers were sent to help, French landing fields and hangars were offered, and at this hour, French and German mechanics are working side by side, putting the big dirigible in order.

Colonel Lindbergh announces regular mail service between New York and Buenos Ayres in eighty hours. Later the line will be extended, and Lindbergh will start the line, as pilot. Marriage, evidently, will not moderate his flying.

Those that oppose the debenture scheme for "farm relief" announce with horror that the "farm bounty

plan" MIGHT cost the Treasury \$200,000,000 a year. That wouldn't be much if it gave genuine farm relief.

The trouble is that the "debenture" or bounty plan would add many millions to profits of middlemen who do all the exporting and little if any of the bounty would reach the farmers.

King George has returned to his favorite residence, Windsor Castle, with years of life promised by doctors.

Loyal subjects turned out to cheer their king. Newspapers print his picture headed "Long to Reign Over Us."

The idea that men do not want to be ruled is a mistake. To be ruled is exactly what they DO want, and to be freed from responsibility of self rule.

It is painful for a dog to walk on its hind legs, painful for human beings to rule themselves and think for themselves.

**ST. PATRICK'S CHURCH.**

Rev. Thomas J. Brady, Pastor. Next Sunday, June 9th, will be the second Sunday after Pentecost, and there will be mass in the Heppner church at 8:30, to be followed by a second in Ione at 10:30 in the home of J. P. O'Meara. On Saturday of this week there will be mass at 7 in the church of Heppner, followed by instruction for the children.

Friday of this week will be the first Friday of the month of June and also the first Friday, and hence here will be mass in the church on that day at 7:30 preceded by confessions. Confessions will also be heard on Thursday evening at 7 and

on Saturday evening for the people of Heppner.

This Friday is also the feast of the Sacred Heart of Jesus Christ and during the entire day the Blessed Sacrament will be exposed for the veneration and adoration of the faithful, and at 7 in the evening there will be the Holy Hour lasting until 8 p. m. The entire service for the day will close with Benediction of the Blessed Sacrament and consecration of the people of the Sacred Heart of Christ. The pastor invites all to assist at these services; the pastor will preach in the evening at the Holy Hour service. He also invites the people to bring flowers for the decoration of the altar. The main purpose of this Friday service is to honor and glorify God and His Sacred Heart of Love and mercy, and to bring down upon the people of all creeds, upon the entire congregation the blessing of God. It is also intended to invoke the blessing of God upon the success of the year's crops, harvesting, plenteous moisture.

Mr. and Mrs. M. L. Curran motored to Maryhill on Memorial day for the dedicatory services held there in honor of the Sam Hill altar erected to the soldier dead of Klickitat county, Wash., in the last war. The services, in charge of the legion posts of Goldendale and White Salmon, were very impressive.

**RESOLUTIONS OF RESPECT.**

Whereas, it has pleased our Heavenly Father to summon to his Eternal Home our brother, J. W. Morrow, who was long a member of Ruth Chapter No. 32, Order of Eastern Star, therefore

Be It Resolved, that we bow in humble submission to the will of the Omnipotent and extend to the bereaved family our heartfelt sympathy.

That we drape our Charter in mourning in memory of our departed brother and that a copy of these resolutions be spread on the minutes of the Chapter and a copy be sent to the family and a copy be sent to the press for publication.

"Where the river of life flows soft and sweet

Through the garden of God so fair,

He hath garnered them all, these broken links,

And we shall find them waiting there."

MRS. ARTHUR McATEE,  
MRS. C. W. McNAMER,  
Committee.

Mr. and Mrs. Jess Hall, who have been living at the Harry Road ranch for the past few years, will move to Heppner to reside. They this week purchased from W. B. Barratt the property in southeast Heppner near the swimming tank.

**RADIO WARBLERS BROADCAST HAPPY HARMONY**

Audience Gets Wonderful Program With Static Left Out

No static, no advertising, no letters from listeners, no announcer, no conflicting wave lengths, no bedtime stories or market reports, nothing but clear joy and good natured entertainment at the program given by Corine Jessop and her Radio Warblers on the second day of Chautauqua. One of the most popular companies of radio entertainers in the country is coming to give the Chautauqua audiences their finest, funniest and most pleasing entertainment. Radio has come to take a wonderful part in the life of the United States. Everybody is becoming neighborly again, the best artists appear on the radio programs.

Miss Jessop herself is a comedienne with a unique type of personality which cannot be set down on paper. A sort of Beatrice Lillie in Chautauqua, she is a singer, reader and accompanist, but more than that, she is Corine Jessop, and that's what counts. With her are David Hartley who has been with Howard Russell's Collegians the past two years, and Fern Zinser, an accomplished cellist from the Chicago Civic Orchestra.

The company has some of that fine close harmony that is so popular with radio audiences and in addition to this they give some beautiful instrumental ensembles and plenty of unexpected stunt numbers.

Miss Jessop and her company have been for the past eight years with the Redpath organization and this is the first time this sort of an attraction has been offered over the West Coast circuit. Nothing takes the place of hearing and seeing artists in the same room. Corine Jessop and her happy-go-lucky gang appear to the very best advantage in a Chautauqua tent, and it's another feather in the Chautauqua cap to be able to offer them in a personal tour.

"Smilin' Thru," the beautiful classic of the stage, which is the second play of the week, carries one of the most elaborate sets of scenery every used on a Chautauqua platform.

"Smilin' Thru" is one of the most popular and beloved stories with American audiences that has ever been staged. It was starred in first by Jane Cowl, the well known New York actress, who made it famous. Miss Cowl played it for more than a year at the Republic Theatre in New York. Since that time it has been filmed (where it was starred in by Norma Talmadge), published in book form, and played. It is always enthusiastically received in whatever form it appears.

The scenery for the play has been especially built for use in the tents on this circuit. It had to be carefully planned so that it could be carried in an automobile and

put up rapidly as is so often necessary. The set cost more than \$800 and is the final touch of beauty to make the play remembered.

The costumes are also of unusual value and richness, particularly in the second act where the story reverts to the colonial period. The beautiful suit worn by Mr. Hanscom in this act was made in New York and is a rich velvet with real lace cuffs and trimmings. The other costumes for this act are correspondingly lovely.

The Company includes an unusually accomplished violinist and pianist whose music add an exquisite and unusual touch to some of the big scenes.

"Smilin' Thru" is presented by an exceptional cast and no detail has been overlooked to make it one of the most beautiful ever seen on Chautauqua platform.

**The Morrow County Chautauqua Association**

is a permanent organization, having five directors. Each contributor is a member with right to vote. One director's term expires each year. Balloting for election of new director takes place last two days, results to be announced after Chautauqua.
