

## Local Happenings

Mrs. Lillie Aiken was in receipt of a letter this week from Mrs. Joe Klein now living at MacLeod, Alberta, Canada, to which place the family removed some five years ago. In this letter Mrs. Klein gave an account of the death of her husband who passed away on March 29, of cancer of the stomach. Their daughter, Daisy, resides in Spokane, and the son, Fred, at Colton, Wash. Mr. and Mrs. Klein visited here in the fall of 1923 and shortly after that went to Canada to live.

The social which had been announced to be given by the Catholics and non-Catholics of Boardman on next Saturday evening at 8 o'clock, has been temporarily called off because of circumstances that could not be provided against in time for the selected date. This event will take place later when the committee in charge has all things ready, says Rev. Thomas J. Brady.

Dr. and Mrs. N. E. Winnard were visitors at Heppner over Tuesday night, being guests at the home of Mr. and Mrs. A. M. Phelps. They have been in the east for several months, where Dr. Winnard has been taking a course of treatments to get rid of a distressing trouble. They were returning to their home at Eugene, traveling by automobile, and have had a pleasant trip.

Cashier Moore has on display at the First National bank several of the new bills, United States currency, which will come into circulation on the 10th of July. These will be of the smaller size and will gradually replace the currency now in use. We are not advised that they will be any easier to get hold of than the bills we have been used to.

A very heavy rain fell out on Rhea creek Friday, reports Dan Harlow, of that vicinity, and he is sure that it did a lot of good to growing grain. While this county has not yet had a general rain, many heavy showers have reached over a goodly portion of the grain fields, and much of the wheat has been greatly benefited.

Superintendent J. M. Burgess is preparing to leave Heppner the first of the coming week for Palo Alto, where he will enter Stanford university for the sessions of the summer school. He will be accompanied by Mrs. Burgess and the most of the summer vacation season will be spent in the south.

A. R. Cox, breeder of blooded rams, was in the city Tuesday, driving up from Klamath county where he just placed a bunch of his fine stuff on summer range. Mr. Cox recently purchased another place near Woodland, and his address is now Route 1, Box 53 that city.

College students who returned home this week included Jon Conder, Marjorie Clark and Vawter Parker, U. of O.; Merle Beckett, Gerald Slocum, Marvin and Anna Wightman, O. S. C.

Dr. Tyler, eyesight specialist, has just taken post-graduate clinical work under Dr. Peckham of the University of So. Calif. New proven methods for treatment of nearsightedness, cross eyes, eye muscular trouble and fitting of glasses. Dr. Tyler will be at Hotel Heppner Sun, and Mon., June 16-17.

The newly erected church of St. Mary in Boardman will soon be completed, according to Rev. Thomas J. Brady. A full set of furnishings will be donated by a Catholic lady of Lawrence, Mass. This same lady furnished the money to build the church.

Dillard French, Gurdane stockman, was attending to business affairs in Heppner on Saturday. He is rejoicing over the arrival of summer weather up his way, where grass and grain is coming along well now.

Leo Gorgor, Lexington wheatraiser, was transacting business in the city Monday. He reports grain in his section now in the soft dough, and believes that cool weather is the thing needed to make it fill.

Mr. and Mrs. N. M. Johnson of lower Gooseberry, came to Heppner on Tuesday to attend the pioneer program, and also enjoy the Chautauqua entertainment for the day.

Miss Ethel Moore, who has been a student at the state normal at Monmouth during the past year, arrived home on Tuesday evening for the summer vacation.

Frank Fraters and family, from Eight Mile, came in Monday evening to attend Chautauqua.

Mr. and Mrs. J. B. Adams, Hardman residents, have been spending Chautauqua time in the city, enjoying a visit with many friends as well.

Mr. and Mrs. Emil Johnson were among Hardman people in Heppner on Tuesday, attending the pioneer reunion and taking in Chautauqua.

Walter Luckman, Lena stockman, was looking after business here on Saturday.

1800 conversations at once through a cable less than 3 inches thick

The earth beneath our great cities is so crowded with pipes, cables, etc., that any further additions create serious engineering problems. Yet the number of telephone calls that must flash underground is steadily increasing.

The challenge to the scientific minds of the Bell System was to find a way for more conversations in existing conduits. Today, by many improvements, cables of 1800 pairs of wires have been perfected. Eighteen hundred conversations at once—600 more than before—can pulse through them.

There is no standing still in the Bell System. Better and better service at the lowest cost is the goal.

## Results of Thinking

Benefits from never wasting anything are clearly emphasized if we, as a scientist would, think about the matter, consider our condition and possibilities of "arriving" if we are prudent.

Just notice how people who save regularly do succeed.
