

BOARDMAN

Independence day was celebrated very quietly here with picnics. Some went to other towns, some were afraid to leave lest on their return they would find turkeys vanished.

The Kings, Humphreys, Kristensens and Hales spent the 4th at the Dillabough beach. The Prices motored to Walla Walla. Mr. and Mrs. F. A. Fortier and daughter Norma drove to Pendleton on Wednesday and on Thursday drove on to La Grande and Wallowa. Several Boardman families attended the celebration at Arlington, and Marvin Ransier and Howard Ellis experienced a real thrill when they took a ride in an airplane. The Myers and Mackan families picnicked at the I. Skoubo ranch.

Mr. and Mrs. Ray Brown came over Wednesday evening from Kiona, Wash., where they were employed at the F. L. Brown construction camp. Ray has gone out to work in harvest.

Mr. and Mrs. Frank Ackerman left Friday for Anaconda, Mont., after two weeks visit at the Jack Gorham home.

Mrs. Dan Ransier had two teeth extracted Friday at Hermiston without an anesthetic of any sort.

J. R. Johnson and family motored to Flecks orchard the 4th, where they met relatives from Wasco. They then drove to the Deschutes where all had a picnic dinner together.

Mrs. Mary E. Cooney and S. M. Cooney and family were guests Wednesday evening at the L. C. Cooney home, then going on to Hermiston where they celebrated the 4th. Mrs. Cooney and S. M. are mother and brother respectively of L. C. Cooney.

Lee Mead spent a few days in The Dalles last week at the hospital suffering with kidney stones. It was not necessary to operate and he returned the last of the week much improved.

Mr. and Mrs. Guy Barlow motored to Hot Lake July 3 to see Mrs. Barlow's mother, Mrs. Elva Perry who is quite ill there.

Mr. and Mrs. Truman Messenger and children left Sunday for their home at Athena after a week's visit with relatives. Truman, who has been patrolman on the highway there for some time, has quit his position there.

We reported in last week's paper that Glen Hadley had spent the 4th at Oregon City. All plans were made to do so and the evening of the third Stanton was sick so they decided not to make the trip but went to Heppner instead and consulted a physician and later went to the mountains for a picnic. Miss Margery Elder came home with them for a short visit.

Earl Cramer and son Basil came home Saturday from a motor trip to Spokane.

Friends are welcoming C. G. Blayden and wife back after four months absence in Idaho. They returned Saturday having left New Plymouth on Friday. They were overnight guests at the Walter Knauff home near La Grande Friday night. The Knauffs like their new home.

A number of Boardman people attended the Pomona Grange on Saturday at Rhea creek. Going from here were Mrs. Kunzie, Mrs. Myers, Mackans, Mr. Faler, Mrs. H. B. Tyler, Mrs. Brice Dillabough, Mr. and Mrs. Chas. Wicklander, Mr. and Mrs. Paul Smith and Mr. and Mrs. Royal Rands.

Mrs. Ed Barlow is here from Kiona and will remain during the hot weather.

Rev. and Mrs. W. O. Miller were calling on the project one day last week. They visit frequently with Mrs. Richard Dingman who is very ill.

Mrs. Ethel Campbell is here from California and is visiting at the Cramer and Hadley homes.

Neis Kristensen suffered a very painful accident last week when he fell over a pole while endeavoring to catch a lamb, striking in such a manner as to break two of his ribs. Mr. King took him to Hermiston to the doctor who taped him up.

Mr. and Mrs. Wm. Strobel and family are in Prineville for a time where Mr. Strobel is working for J. C. Ballenger.

Mr. and Mrs. F. A. Fortier entertained at a family dinner on Sunday that was beautiful in its appointments. Present were Mr. and Mrs. Frank Cramer, Earl Cramer and son Basil, Mr. and Mrs. Glen

Hadley and Stanton. Mrs. Ethel Campbell who is visiting here from California. Miss Margery Elder, a guest at the Hadley home, Mr. and Mrs. Fortier and daughter Norma.

A pleasant picnic party was enjoyed the 4th at Arlington when Mr. and Mrs. Ed Barlow, Mr. and Mrs. W. H. Mefford, the Roots, the Bert Richardsons, Russell Mefford met Mr. and Mrs. Albert Macomber there. The children of Marvin Root of Hermiston were also present.

Friends of Dr. Sears of Hermiston are sorry to learn that he is leaving Hermiston. His place will be taken by Dr. Christopherson of Portland. Dr. Sears has made many friends among his Boardman patients.

Mrs. H. H. Weston was pleased to have her daughter, Mrs. M. L. Morgan and family and her sister, Mrs. Alice Beck drive in from Portland Saturday night. They left Sunday evening. Bobby Morgan remained for the month of July with his grand parents.

The next Aid meeting will be held at the home of Mrs. D. W. Miller on Wednesday, July 17. Everyone is invited. This will be the missionary meeting.

Lee Mead has painted the house on his ranch a cream color. With its pretty lawn and flowers and background of trees it is one of the most attractive places on the project.

Mrs. Claude Coats and daughter Echo are visiting in Portland.

H. E. Tyler and family who have been living on the Grandma Miller place have moved to the Tom Miller place. Mr. Hall remained on the place first mentioned.

Clarence Berger is to have the position as night operator at Gateway, Ore., it is reported.

Mrs. Alice Dillon has returned to Portland after a 10 days visit with her son, Chas. Dillon, and family. Nellie went back with her grandmother for a two weeks visit. She will spend part of the time with Catherine Berger and also visit Helen Boardman at Salem before returning home.

Mrs. Chas. Dillon was pleased to have her brother, James Vibbert, and his family and cousin, J. A. Cottongin, and family come on the 4th from Gateway. They had a most delightful visit. It was the first time Mr. Vibbert had been here.

Glady Wilson has gone to Heppner to work for the summer. The Misses Ethel and Irma Broyles were home over the holidays. Irma returned to Portland on Monday and Ethel went to Pendleton. Alf spent the 4th at home driving to Arlington in the evening.

POMONA GRANGE NEWS.

Morrow County Pomona Grange met as guests of Rhea Creek grange on Saturday, July 6, with 250 members and children present.

The morning session was given over to Bro. W. R. Gekeler, state deputy organizer, who made an interesting talk urging that plans be started at once in preparation for a special meeting of the state grange to be held in La Grande in October. Also, Mr. Gekeler spoke of the extension work in granges as planned by the state grange. The result of this address was the assignment of different drill plans to the various subordinate granges for the October meeting, and the appointment of a committee on extension work.

In the afternoon an excellent program was presented by the lecturer, consisting of special musical numbers, flag drills, oration, reading and pantomime, besides a talk of a patriotic nature and an address by W. L. Teutsch, of O. S. C.

Mr. Teutsch spoke on "The Grange and Community Program of Development," and cited examples in which granges in other counties cooperate with the community in making practical use of their demonstrations.

During the business session each

subordinate grange reported growth in membership, attendance, "peppy" programs and interest in the Pomona booth for the fair.

In the evening the fifth degree was exemplified to a class of 32 by the Rhea Creek degree team. The work was made more beautiful by the impressive new entrance drill

used by the team.

A resolution thanking the Rhea Creek grange for its hospitality, for the two sumptuous banquets and delightful entertainment was adopted.
