

Mr. and Mrs. J. D. French were visitors at Heppner on Tuesday from their home at Gurdane.

Don't fail to see "INTERFERENCE" at the Star Theater, Sunday-Monday.

NOTICE OF STREET VACATION.
Notice is hereby given that the undersigned will, at a regular meeting of the Common Council of the City of Heppner, Oregon, to be held at the Council Chambers in said city on the 3rd day of September, 1929, at the hour of 7:30 o'clock in the afternoon of said day, present to said Council a petition praying for the vacation of the following street in said city of Heppner, to-wit:

All that portion of Morrow Street, lying between the County Road or Oregon-Washington Highway, and Jail or Hager Street in said City of Heppner.

Dated this 8th day of August, 1929.
M. D. CLARK,
MORROW COUNTY COURT,
By E. L. BERGE, County Judge,
G. A. BLAKEMAN, Commissioner,
L. P. DAVIDSON, Commissioner.

A. E. Burkenbine met with a peculiar accident while in the mountains Sunday. He slipped and in attempting to catch himself put out his hand for a log; this he missed with the hand, but came up against it with his face. Having a pipe in his mouth at the time, that implement caught his weight and pushed the stem up through the roof of the mouth, performing what the physician says was a perfect sinus operation. Mr. Burkenbine pulled out the stem, with the exception of a splinter, and he seems none the worse for his experience.

Dr. A. D. McMurdo is planning to get away from his office for a time, having in view a complete rest. Just where he will go he has not decided, but it is likely he will take his family and go to one of the numerous mountain resorts not too far away. While he is absent his practice will be looked after by his brother, Dr. T. F. McMurdo of San Francisco, who arrived at Heppner the first of the week.

NOTICE OF BOND SALE.
NOTICE IS HEREBY GIVEN that the undersigned will receive sealed bids until 10:00 o'clock A. M. the 4th day of September, 1929, and immediately thereafter the bids received will be publicly opened by the County Court, at the County Court Room in the Courthouse in Heppner, Oregon, for the purchase of an issue of bonds of Morrow County for the construction of permanent roads therein in the sum of Sixty Thousand Dollars (\$60,000), said bonds to be in denominations of One Thousand Dollars (\$1,000) each, numbered 1 to 60 inclusive, to bear date September 1, 1929, and to mature serially in numerical order at the rate of Three Thousand Dollars (\$3,000) on the first day of September in each of the years 1935 to 1944 inclusive, said bonds to bear interest at the rate of not to exceed five and one-half per cent (5½%) per annum, payable semi-annually on the first days of March and September, principal and interest payable in United States gold coin at the office of the County Treasurer in Heppner, Oregon.

All bids must be unconditional and accompanied by a certified check for \$2,000.00.
The Court reserves the right to reject any and all bids.

The approving legal opinion of Messrs. Teal, Winfree, McCulloch and Shuler will be furnished the successful bidder.
(SEAL) GAY M. ANDERSON,
County Clerk, Heppner, Oregon.

PETERSON'S, Heppner's Quality Jewelry, has started a specialty in ladies' up-to-the-minute necklace and bracelet wear.

It is not in good taste for evening or party wear, to be over-adorned. But there is nothing so lovely as just the right neck- or wrist-piece to match the frock. The piece need not be expensive to be appropriate.

The Blockhead Model

TAKE a look at most any fashion cut for men and women's clothing in newspapers or magazines and think for a moment if the pictures are a true likeness of us.

Elongated necks, faces that only the Egyptians carved in wood—the serious determined faces of dashing young men of the exaggerated square jaw creation.

Now that's just the way things are often represented to us these days, particularly in the clothing fields. Let's think for ourselves. You know how many of your friends look like those pictures just described.

Getting right down to facts and good judgment there is only one sensible way to buy our clothes and that is from a reputable merchant tailor.

None of us wants to look poverty stricken or as though our clothes were snatched from a bargain counter. Clothes should be made from quality fabrics of recognized standing by a tailor who knows his business. Then we get what we want.
