## ST. PATRICK'S CHURCH.

Next Sunday will be the twelfth Sunday after Pentecost, and there will be mass in the Heppner church at 8:30 preceded by the hearing of confessions and the giving of Holy Communion. At this writing it is not known who the priest is that will replace Rev. Thomas J. Brady, the retiring pastor, but the Right Rev. J. F. McGrath, S. T. D., bishop of Baker who has jurisdiction over Heppner has sent word that another priest will reach Heppner by Saturday of the current week. There will be no mass in Boardman this month as is customary every third Sunday of the month. Last Sunday Rev. Thomas J. Brady announced that he had given his resignation into the hands of the bishop to be effective at noon on that day, the precarious condition of his health alone necessitating this action. On the 12th of September he would

have completed his second full year as pastor in Heppner. He feels that a younger man is required. Many things have to be done to bring the parish up to its proper and efficient state and several of these things were to be undertaken by Rev. Thomas J. Brady, one of which was the erection of a beautiful stone Gothic church and a stone rectory or parish house. The preliminaries involved would have involved the retiring pastor's physical collapse. His physician has insisted upon complete rest and withdrawal from all active work temporarily. Hence he has retired to St. Anthony's hospital in Pendleton where he will be under the attention of his physician. He extends to all the congregation a generous measure of thanks for many tokens of appreciation and regrets that he must relinquish his task as pastor in Heppner. Non-Catholics are included in this parting measure of gratitude and regrets.

6-Year Lease—Three-fourths rent, 900 acres 1 1/2 miles from warehouse and school, 425 acres in summer fallow; stock and machinery to operate; 100 acres free pasture; good buildings; modern conveniences; plenty of water. Inquire this office. 221f.

## Holding Our Own

We want to talk about Bank'ing business to YOUNG PEOPLE and to STRANGERS. Why? That's easy. We'll tell you.

We have no trouble in holding our regular customers. They know all about the advantages of banking with us. But every year there are marriages, new families, young folks just starting out. Habit, tradition, reputation, count for little with them. They all are prospective customers, free to bank where they will. That's why we want to tell them of our Bank.
