

**BOARDMAN**

Miss Mabel Brown was elected secretary-treasurer of the History club at Washington State normal at Ellensburg for the coming term.

Mrs. Sylvester Attebury was called to Spokane because of the illness of her daughter, Mrs. Johnson. December 6 is the date set for the annual bazaar which will be held at the school house. A dinner will be served and there will be several concessions and booths.

Rev. Mr. Wilbur of Hood River will be in Boardman Sunday, Nov. 3, and conduct the evening services at the church. Rev. Mr. Wilbur is a good speaker.

Mr. and Mrs. W. W. Becholdt of Hardman were Boardman visitors Wednesday. They were guests at the Randa home for dinner. They were here only for the day.

Mr. and Mrs. J. F. Gorham entertained at the second of a series of parties on Tuesday evening, having four tables of 500. When scores were counted it was found that Miss Helen Chaffee and Lyle Blayden held the highest and Mr. and Mrs. Guy Barlow lowest score. Lovely refreshments were served. Present were Messrs. and Mesdames F. A. Fortier, Guy Barlow, L. E. Marsch, the Misses Ellen Henry, Francis Spike, Helen Chaffee and Carrol Kennedy.

The Boardman grange received the banner for attendance at Pomona grange which was held Thursday at Stanfield, Morrow and Umatilla counties having a joint meeting. The Boardman team simplified the fifth degree work Thursday evening with 32 candidates. Officers: Master Chas. Wicklander, Overseer Geo. Wicklander, Chaplain Mrs. Geo. Wicklander, Lecturer Mrs. Ella Shell, Asst. Steward F. A. Fortier, Asst. Steward Mrs. Brice Dillabough, Gatekeeper A. L. Ayers, Mesdames Miller, Fortier and Randa, three graces. Stanfield served a fine banquet for the visitors. Mrs. H. W. Tyler of Boardman is Pomona secretary and Chas. Wicklander of Boardman, Master of Pomona.

Supt. and Mrs. L. E. Marschat motored to Salem leaving Thursday afternoon, where Mr. Marschat attended the meeting of the principals and superintendents of the state. Mrs. Z. J. Gillespie substituted for Mrs. Marschat on Friday.

Mrs. S. H. Boardman has reached her home in Salem after a delightful trip to Colorado, Wyoming and Missouri. At Gallatin, Mo., she attended a family reunion. Helen Boardman entered Willamette this fall. Kenneth is employed by the state highway department and will work for a year before entering school. Albert attends Salem high.

Lloyd Sherman arrived Friday from Wallace, Idaho, where he has been for some time.

The P. T. A. will sponsor a movie, "Dress Parade," on Friday night, Oct. 25. A "Gang" comedy which always appeals to the youngsters as well as the grown-ups will also be shown. This film is supposed to be very good. All proceeds above expenses go toward purchase of the new Victrola for the school.

Mr. and Mrs. Lauren Blayden and son came Saturday for a short visit with his parents, Mr. and Mrs. C. G. Blayden. The L. Blaydens have recently moved from Cascade, Ida., to a ranch near Kennewick, Wash.

Mrs. W. A. Price who seemed to be improving after a serious heart attack was taken suddenly worse on Friday and Mr. Price started with her to Portland, but stopped at The Dalles where she was left

at the hospital. Mrs. L. G. Smith accompanied them and assisted in caring for her. Mrs. Price has been in poor health ever since an attack of flu several years ago and recently overtaxed her strength in caring for her mother, Mrs. Beebe who came here from Seattle several weeks ago. Mrs. Beebe has been ill with diabetes for the past year. On Saturday night Frances Beebe, a twin brother of Mrs. Price's, came up from Portland and took his mother to Portland with him. Mrs. Lottie Attebury of Portland has been caring for the two patients and the ranch with Billy and will remain at his wife's bedside for several days the first of the week.

Mrs. Ella Shell is here from Umatilla where she has been for some time. Chas. H. Dillabough moved Saturday to the homestead belonging to Brice Dillabough on the highway a few miles west of Boardman. Mr. Dillabough has been very successful in raising Chinchilla rabbits and has quite a number of them. He also raises the Black Giant chickens and has a number of turkeys. He has lived on the ranch in the west end since the earliest days of the project, having been one of the first to have a fine stand of alfalfa. It was on his ranch that the "barbecue" was held years ago.

Adaline Wilanks is improving as rapidly as can be expected, but is still at St. Vincent's in Portland. Her father was pleased to receive a letter written by her this week. J. R. Johnsons motored to The Dalles on Friday. While there Mrs. Johnson called on Pearl Nickerson who is a patient at The Dalles hospital. She found her a little better.

Her mother, Mrs. Chas. Nickerson, is with her constantly. The doctors are doing everything possible for Pearl whose case is an interesting one.

Mr. and Mrs. Berwick and Miss Brown of Umatilla called Sunday at the Wilson home.

A meeting of the general committee for the bazaar was held Saturday at the home of Mrs. Macomber and plans were made for this event which will be held December 6. The general committee consists of Mrs. J. R. Johnson, chairman, Mesdames Macomber, Gorham, L. G. Smith, Root, Coats, D. W. Miller and Herheim. Committees appointed were Mrs. Gorham and Mrs. Coats for the Fish Pond. The advisability of having two separate fishing places was discussed, for always the children are crowded out by the eager grown-ups. Mrs. Nate Macomber is chairman of the dinner, Mrs. L. G. Smith of the fancy work, Mrs. E. T. Messenger of the candy and popcorn booth, Mrs. A. T. Herheim of the concessions. The always popular fortune telling booth will again be in evidence, as will the "hit the nigger baby" concession. There will be two or three new concessions this year so keep the date in mind—December 6. Each chairman will appoint her own committees.

The P. T. A. gave a pleasant

dance Friday evening at the school house. While the crowd was not very large it was a very successful affair and everyone had a good time. The local orchestra furnished the music. After all expenses were taken out only \$10 remained for the Victrola fund, but this sum would cover the cost of one payment and everyone had a nice time so all was well.

Sid McReynolds was an overnight guest at the home of his sister, Mrs. Nate Macomber, Friday.

At the Ladies Aid meeting Wednesday at the home of Mrs. Johnson it was voted unanimously to start the "Capsule" stunt at the next Silver Tea where the name of all who wish to take part are placed in an empty capsule and drawn out, each member drawing one name for a period of three months. A kind deed is to be done for the one whose name was drawn, the names to be kept an absolute secret until the end of the three months when they are divulged.

Fred Pettyjohn of Willow creek was over Friday getting his winter supply of potatoes.

J. D. Smith of Portland spent 3 days visiting his brother, L. G. Smith this week.

D. R. Brownell of Umatilla who is known to a great many Boardman people, received a great ovation recently at Bilber, Calif., when he presided as Noble Grand at the 50th anniversary of the organization of the Odd Fellows lodge, having served in the same capacity when the lodge was organized half a century before. He is the only living charter member of the order at Bilber.

Among those planning to attend the state grange meeting at La Grande Saturday are Mesdames Mead, Tyler, Dillabough, Falser, the Skoubo's, Browns, Geo. and Chas. Wicklanders, and possibly others.

Rev. P. J. Stack of Heppner held services here Sunday in the new Catholic church which was recently completed. It was built on the corner opposite the Ballenger house. The church has not been dedicated but dedication services will probably be held in December.

**Dairymen consider breed secondary to breeding**

Only a small proportion of the dairy animals on the nation's farms are pure bred—or even good grades. Therefore, the activities of Breed Associations in raising livestock standards are a real service to the farming industry. Each association seeks development of the breed it favors. Yet in those expositions whenever the breeds are shown together the friendly spirit of rivalry which exists evidences the realization that BREEDING COUNTS RATHER THAN BREED.

Such is the atmosphere pervading the Dairy division of the Pacific International Livestock Exposition, the 19th annual of which will be held in Portland, Oregon, Oct. 26-Nov. 2. Here can be seen America's finest and best dairy animals and knowledge obtained how pure-breds make possible increasing production and profits. Other exhibits include Beef Cattle, Horses, Hogs, Sheep, Goats, Foxes, and Poultry; also Dairy, Manufacturers' and Land Products Shows; Boys' and Girls' Club Work Exhibits; Industrial Exposition; and the world-renowned Horse Show. \$100,000 premiums are offered of which amount \$14,500 is for dairy cattle exhibits exclusively.

The First National Bank knows from previous experience that information of immeasurable value can be obtained at this great Livestock classic. For this reason we say to every farmer, "Make every effort to attend the Exposition."
