Bringing Home the Turkey

Is a good thing if you don't bring home the wrong turkey; a young lady stenographer who had written a letter to her young man during business hours sent the wrong letter to a business firm which stated they were shipping them a car load of love and kisses instead of the axle grease they ordered.

It's a case of bringing home the turkey when you come to us for new tires. Our tires represent superiority in every phase of satisfaction. They will give something to be real thankful for, long life and gratifying service. Why not try

U. S. Royal Cord Tires?
