### DELINQUENT TAX PENALTY WAIVED

Order Governs Past Due Taxes of the Year 1927 And Prior Dates.

INTEREST TO BE 6%

Morrow County Court Order Aimed To Prove Beneficial by Speeding Up Past Due Payments.

That all penalty on delinquent taxes for the year 1927 and years prior to that be waived and that interest be charged at the rate of taxes were due, was ordered by the Morrow county court, R. L. Benge, judge, G. A. Bleakman and L. P. Davidson, commissioners, sitting in session February 14. To gain the benefit of this waiver, taxpayers must pay the delinquent tax and interest on or before November 1.

The matter of this waiver of penalty and interest was brought before the court in a discussion February 5, when a number of representative property holders appeared. The matter has been under consideration for some time. The neces-sary resolution to be acted upon by the court was drawn up by S. E. Notson, district atterney.

#### Large Tax Delinquent.

The discussion of the subject at this earlier meeting brought out the fact that there is a large sum in delinquent taxes, the most of it on real property, due the county, some of which extends as far back as 1920, and the question was what would be best for the county from a

large sum of money, while pay-ments might be practically nil if portraying the role of Tubby Hays, this action were not taken. Other-wise the county in order to protect its interests as far as possible would audience while acting as the kitchen be forced to start foreclosure promechanic and during his ardent

#### Authority From State.

Authority for acting as the court did comes from the act passed by the legislative assembly of the state of Oregon in its regular session in the year 1929, the statute being en-"An Act Authorizing any County Court or Board of County Commissioners to waive or reduce penalty or interest, or both, upon unpaid taxes," said statute being designated as Chapter 182 of the Morrow County Nurse

Legal publication of the Morrow county court's order is made else where in this issue of the Gazette

IN THE COUNTY COURT OF In the Matter of the Waiving of

Penalty and Interest on Delin-

#### ORDER. Whereas, the Legislative Assembly of the State of Oregon at its regular session in the year 1929 enacted a statute entitled, "An Act Authorizing any County Court or Board of County Commissioners to waive or

reduce penalty or interest, or both. upon unpaid taxes," said statute being designated as Chapter 182 of the General Laws of Oregon for 1929: Whereas, it is the opinion of the County Court of Morrow County, in regular session, on this 14th day of the penalty and a part of the interest on unpaid taxes for the year 1927 and the years prior to 1927

would facilitate the collection of such unpaid taxes, in said County. It is therefore hereby Ordered that all penalties on unpaid and delinquent taxes for the year 1927 and all years prior to the year 1927, lev ied for the years 1927 and the years prior to the year 1927 by the levy-ing board of Morrow County, State of Oregon, be and the same are hereby waived, and that all interest due and payable upon taxes levied by the levying board of Morrow County, State of Oregon, for the year 1927 and the years prior to the year 1927, except six per cent. per annum from the dates when such taxes became due, be and the same hereby is waived; provided such taxes and interest thereon at the rate of six per cent. per annum from the date the same became due shall be paid on or before the first day of November, 1930, and unless so paid the penalty and interest on all delinquent taxes paid after that

date shall be paid. It is further Ordered that the Sheriff of Morrow County, Oregon, be and he hereby is directed to aceapt payment of such taxes without penalty and with interest at the rate of six per cent, per annum from the date such taxes became due, and to issue receipts in full therefor when offered by any taxpayer in the county owing such delinquent taxes. R. L. BENGE, County Judge.

G. A. BLEAKMAN,

L. P. DAVIDSON. Commissioners.

### MC KELVIE SPEAKS ON MARKET PLANS

Aim of Farm Board to Assist Farmers Help Themselves.

#### MANY GO FROM HERE

Frend of Local Conditions Sought By Federal Grain Man Who Talked at Arlington.

Samuel R. McKelvie, grain speialist of Federal Farm board and former governor of Nebraska, gave a talk on the board's cooperative marketing act, the last talk to be given in a tour of the Pacific north west, before an audience of more than 150 wheat producers and interested persons at Arlington Thurs lay afternoon. A large number of those present were from Heppne and Morrow county.

In opening his address, Mr. Mc-Kelvie stated that he had come to learn of the conditions in this section and to inform the producers of the various features of the board's cooperative marketing act. The act is the result of many year's ture on a basis equal with that

#### Aim of Act Told.

The Federal Farm board, created inder the Agricultural Marketing act passed by the recent special ession of congress, is charged with the responsibility of placing agriculity with other industries, and to bilize the currents of interstate and foreign commerce in the marketing of agricultural commodities, and their food products."

In 1920 agricultural commodities had a purchasing power of 65 cents Showing the spirit of true sports-manship, Miss Irene Riechel, Hepp-ner coach, longed Alex Man. as compared to \$1 for non-agriculferential in buying power as losses have been cumulative over a period

#### Speculation Unsound.

Speculation in grain is frequently unsound and not under normal in-fluences. Farmer owned and conrolled markets are needed to corigencies should be set up in counries which are large producers or onsumers of grain to keep the cooperative sales agencies well in-formed on grain conditions, so that they can successfully compete with Whitman college basketball team. he speculative marketers.

American farmers, as producers ire the most efficient in the world. ut in marketing they are only half as efficient as other industries, place in front of their places of bus. ### CLUB SEEKS FISH ENTRY TO CREEK

Work on Heppner-Spray Road to Start When Weather Permits.

#### PRIZE CUP FAVORED

upport of Basketball Tournament By Purchase of Season Tickets Urged by W. R. Poulson.

Changing of the channel at the nouth of Willow creek so that fish ould enter, and the installation of sh ladders at all dams on the creek as provided by law, were endorsed by the Heppner Lions club at its luncheon meeting Monday. D. A. Wilson, E. D. Hallock and W. W. smead were appointed on a comnittee of investigation. Support of individual members to help with the work was pledged at the meeting.

George Bleakman, county com-missioner, reported that the Heppner-Spray road levy for 1930 had been approved and that a prelimnary working crew will be on the ground as soon as weather condi-tions permit. Work will start at the south end of the completed Chain creek stretch, Mr. Bleakman

March 15 Favored.

The club endorsed Saturday, March 15, as charter night date, provided it proves satisfactory on further investigation by the board of directors.

Charles Swindig made a brief report of the wheat meeting held at Arlington Thursday afternoon when Samuel R. McKelvie, member of the Federal Farm board, spoke on provision of the agricultural marketing act. The aim of the farm board is to bring relief to agriculeliminating intermediate waste between producer and con-

umer, he said. W. R. Poulson reported for the spelling contest trophy committee, recommending that a loving cup be purchased to be given permanently o the school winning the contest three times. The cup would be in ossession of each school winning , until it is claimed permanently He also reported for the basketball urnament committee that season tickets would be on sale the first of next week. He urged that all give support by purchase of tickets. The eccipts from the tournament go to pay the expenses of visiting teams, with no profit being made locally

from the games. Charles W. Smith reported for the committee on butter substitutes that an essay contest had been launched in the county schools and that much interest is being shown. Support

Paul M ident, presided at the meeting, as President C. L. Sweek was absent because of illness.

### HEPPNER QUINTET WINS FROM IONE

Shooting by Evans and R. Thomson Aids in Winning of Season's First Victory by Boys.

Heppner's losing streak was broken Friday night when the high chool boys' team defeated the Ione first to be scored by the local team afternoon. Musical numbers were their daughter, Kathryn Feldman, a counters to tie with Rod Thomson

Heppner took the lead from the start, running the count to 14-2 at scores during this period were contributed by R. Thomson and Evans, except for two points which Turner gained when he sank a beautiful shot from the center of the floor. otto Wageman sale four and one lone's lone basket in this period was scored by Clark.

The locals continued to pile up their lead in the second quarter, running the score to 24-8 by half time. In the third period Heppner gained 10 points while holding her opponents to three, these being reg-istered by Clark on a field goal and free throw, the latter being the only free throw converted during the game by either team. Heppner's scoring pace slackened in the final period, for the local hoopsters scored only six points while Ione came through with four.

PLOW DEMONSTRATIONS SET.
