

Local Happenings

Fred Buchanan was looking after business in Heppner on Monday from the farm this side of Ione. He had finished with the irrigating of his alfalfa fields, taking advantage of the good flow of water in Willow and Rhea creeks and giving the ground a thorough soaking. Fred seems to have a hunch, by the looks of the bare mountains south of Heppner, that irrigation water will not be so plentiful later on in the season.

E. C. He left Monday evening for Arlington where he will be stationed in the future.

Mr. and Mrs. J. A. Adams arrived from Portland on Tuesday. They have been spending the winter months at their home in the city and expect to spend the spring and summer at the Hardman home.

Lavella Pieper, daughter of Mr. and Mrs. Arnold Pieper of Blackhorse, who injured her back a short time ago, is being brought to Heppner daily for medical treatments, and is recovering rapidly.

Mrs. Pauline Lininger, mother of S. G. Lininger, and his sisters, Mrs. W. D. Eaton and Mrs. Clara Warren, all of Portland, returned home Monday after a week-end visit at the Lininger home.

Mr. and Mrs. N. A. Clark and daughter, Betty, came to Heppner from their farm at Eight Mile. Betty, who has been suffering from mastoid trouble, is much improved.

Joseph Nys, accompanied by C. L. Sweek, Samuel E. Notson and Ben Patterson, motored to Pendleton Monday afternoon that they might take up court matters with Judge James Alger Fee. The trip was made in Mr. Nys's new Chevrolet sedan.

Rice R. McHaley returned to Heppner Saturday night after a visit of several weeks with his sons in Prairie City. The journey from Arlington was made with Ray Oviatt, who was motoring back to his Heppner home.

F. W. Hawley, who is farming on the Gould place north of Lexington, was in Heppner Friday attending to legal matters. He reports that section enjoying the benefits of more moisture than it has had for a number of years.

RECIPE TO DARKEN GRAY HAIR
You Can Make a Better Gray Hair Remedy Than You Can Buy.

Gray, streaked or faded hair is not only unbecoming, but unnecessary. Anyone can prepare a simple mixture at home that will darken gray hair, and make it soft and glossy. To a half-pint of water add 1 ounce of bay rum, a small box of Barbo Compound and 1/4 oz. of glycerine. These ingredients can be bought at any drug store at very little cost, or the druggist will put it up for you. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It is easy to use, does not color the scalp, is not sticky or greasy and does not rub off.—(Adv.)

March Winds

Grudgingly "Old Man Winter" releases his hold upon the land and Spring must battle for her place.

Often the struggle is fierce. Trees sway and twist and are broken, and things of earth and man are at the will of the winds.

In the struggle the electric lines serving you sometimes suffer, and service is interrupted. We are always anxious to speedily restore that service for you.

You can be of assistance if you will do these little things:

- 1—When the wind is blowing hard try your lights occasionally during the day. Let us know at once if they do not burn. This will enable us to store service before dark.
- 2—If possible, ascertain if your nearest neighbor has light.
- 3—Report leaning or fallen poles, or such as you think might contribute to the interruption. This will assist us to come fully prepared to meet the situation.

Your co-operation will be appreciated, and it will enable us to more speedily restore service.

We thank you.
