

In Way of Life

BRUCE BARTON

Worrying Doesn't Pay

On his way back to a college reunion, one of my friends stopped off in the little town where he had spent his boyhood.

"How is business?" he asked a local merchant.

"Awful bad," was the reply. "And what's more, I don't like the outlook."

"Why not?"

"Well, there's elements in the situation that might develop a lot of trouble. At least that's the way it looks to me."

My friend lighted a cigar, and leaned over the counter.

"George," said he familiarly, "those are almost exactly the same words I used to hear from the storekeepers when I was a kid here twenty-five years ago. I've been a subscriber to the local paper ever since I left, and most of those old storekeepers have died. I have taken special notice of the size of their estates. How much money do you think they left? Between a hundred thousand and two hundred thousand dollars each. And here's the funny thing—every penny was made out of businesses which were always bad and always on the verge of getting ever so much worse."

I suppose that if gravestones told the real truth, nine out of ten of them would bear a line to this effect: "This man's life was shortened several years by fear of bad de-

velopments, most of which never occurred."

Even very wise men, as their years have increased, have suffered from the evil habit of fearing the worst. The Rev. Der. Cotton Mather, who died two hundred years ago in Boston, was the most eminent graduate of Harvard and virtually the founder of Yale. He had courage and a wonderful mind.

Yet in his old age he viewed the future disconsolately. He concluded that God had brought the Pilgrims across the ocean to "a New England desert" for a very special purpose, but that this purpose had obviously been accomplished and that the whole colony would "soon come to naught."

The colony shows no sign of coming to naught, but there are doubtless a million men in it today who are losing the fun of their current success because of the dread that something unfortunate may be about to happen.

"One-fourth of life is intelligible," said Mark Rutherford, "the other three-fourths unintelligible darkness; and our earliest duty is to cultivate the habit of not looking around the corner."

Those of us who do not look are likely to get an unexpected bump occasionally, but how much faster we travel! And what a lot more fun we have because of the imaginary bumps that we miss!

Westminster Abbey is to England, the burial place and shrine of our devoted dead. No one has truly seen America who has not seen Arlington.

BRITISH

Thirty years ago, in 1900, the Boers of South Africa gave up their unequal war against the British. American sympathy was completely with the Boers in that conflict and against the British. It looked to all of us like a parallel to our own Revolution. We expected reprisals and oppression of the conquered on the part of the British, but on the contrary the new government set up in South Africa proved to be far more liberal than the old one which the Dutch Boers had operated. The U. S. A.—meaning in this case the Union of South Africa—is today the British Commonwealth of Nations, to be sure, but in every respect a self-governing state. Dutch and British participate on even terms in its government, as do the French and British in Canada. General Smuts, greatest of the Boer war leaders, has served as Prime Minister.

This object-lesson, proving that the British government of our time is not the tyrannical monster which it seemed to be under George III, has done more than anything else to establish the friendly feeling toward Great Britain which now prevails almost everywhere in America.

Gains Ten Pounds In Less Than a Month

MISS DOROTHY HENNING

"When I started taking Sargon, less than a month ago, I only weighed 83 pounds. Now I weigh 93—an actual gain of ten pounds, and I'm still gaining."

"I suffered terribly from indigestion and constipation. My appetite fell off to almost nothing, and my complexion was very bad. My appetite is just splendid now, and my complexion is clear and healthy looking. Sargon Soft Mass Pills have entirely overcome my constipation. My friends marvel at my wonderful improvement." — Miss Dorothy Henning, 1422 Grant St., Denver, Colo.

From coast to coast and from the Gulf to the Great Lakes, Sargon is known and honored. Its fame is based on actual results, not empty promises.
